

PROJECT SPONSOR

City of San Leandro

PROJECT DESCRIPTION

The project involves constructing improvements in the area of East 14th Street, Hesperian Boulevard and 150th Avenue. The improvements include adding turn lanes, constructing bus stop pockets and reconfiguring existing lanes.

PROJECT STATUS

The City of San Leandro prepared the Scoping Summary Report identifying the proposed project, the estimated project cost and the proposed implementation schedule. Environmental clearance was obtained in November 2005. The City has hired a consultant to monitor ground water conditions on a parcel, which is required for right-of-way (ROW) acquisition. A Remedial Action Plan for property clean-up has been approved by Alameda County. The traffic analysis report and proposed geometric design on street improvements was submitted to Caltrans. The city council approved the 14901 East 14th Street Demolition PS&E. ROW and Final Design activities are underway. Construction activities are slated to begin fall 2013.

E. 14th St./Hesperian Blvd./150th St. Intersection Improvement

Project Number: 619.0 | April 2012

Project Highlights

- Environmental clearance obtained fall 2005
- ROW and Final Design activities are underway
- Construction slated to begin fall 2013

Project Fact Sheet
