

PROJECT SPONSOR

Alameda CTC

PROJECT DESCRIPTION

This project is a follow on contract to the recently completed I-580 San Leandro Soundwall Project in the City of San Leandro and will repair the existing irrigation system, plant new plants and add an additional irrigation system around the soundwalls.

PROJECT STATUS

The Landscape 100% PS&E design package was approved by Caltrans; funding for the project was allocated in late 2011. Currently, staff is working on project advertisement which is anticipated in May 2012 with construction starting in July 2012. A three year plant establishment period will follow completion of the project.

I-580 Landscape - San Leandro
