

Interstate 80/Ashby Avenue (SR-13) Interchange Improvements

DECEMBER 2018

PROJECT OVERVIEW

The Alameda County Transportation Commission (Alameda CTC), in cooperation with the California Department of Transportation (Caltrans) and the cities of Berkeley and Emeryville, proposes to reconstruct the I-80/ Ashby Avenue interchange to improve accessibility, safety, traffic flow, and bicycle and pedestrian facilities. These improvements are intended to provide traffic congestion relief and enhanced mobility at this critical access point and important intersection of regional transportation routes. The project will also provide multimodal transport options, while improving community connectedness, including connectivity to the existing Bay Trail. This project was approved by Alameda County voters in 2014 under Measure BB and represents a direct investment in regional infrastructure and economic development. It will provide a direct connection between westbound Interstate 80 (I-80) and Emeryville by way of Shellmound Street. Improvements will include:

- A new bridge to replace existing bridges
- A roundabout interchange
- Provision of bicycle and pedestrian access over the I-80 freeway at the Ashby Avenue interchange

PROJECT NEED

- The existing I-80/Ashby interchange provides no access to Shellmound Street to/from westbound I-80 nor from Shellmound Street to Frontage Road.
- All westbound traffic to access Emeryville must use the Powell Street interchange.
- There is no direct pedestrian and bicyclist access to the Bay Trail from Shellmound Street.

PROJECT BENEFITS

- Improves mobility and reduces congestion on Ashby Avenue at the I-80/Powell Street interchange and at the intersection of Ashby Avenue and 7th Street
- Provides safe access for pedestrians and bicyclists to connect across I-80, linking the San Francisco Bay Trail to the City of Emeryville and Berkeley's Aquatic Park

INTERSTATE 80/ASHBY AVENUE (SR-13) INTERCHANGE IMPROVEMENTS

I-80/Ashby Avenue interchange from Google Maps.

I-80 freeway looking south approaching the Ashby Avenue exit.

I-80 eastbound Eastshore Freeway approach at the Ashby Avenue exit.

COST ESTIMATE BY PHASE (\$ X 1,000)

PE/Environmental	\$4,000
Final Design (PS&E)	\$5,500
Right-of-Way/Utility	\$1,500
Construction	\$41,000
Total Expenditures	\$52,000

FUNDING SOURCES (\$ X 1,000)

Measure BB	\$23,000
Federal	TBD
State	TBD
Local	TBD
TBD	\$29,000
Total Revenues	\$52,000

STATUS

Implementing Agency: Alameda CTC

Current Phase: Project Approval/Environmental Document (PA&ED) – Initial Study/Environmental Assessment (IS/EA)

- A public scoping meeting is anticipated in early 2019.
- PA&ED is anticipated in fall 2020.

PARTNERS AND STAKEHOLDERS

Caltrans, Alameda CTC and the cities of Berkeley and Emeryville

SCHEDULE BY PHASE

	Begin	End
Preliminary Engineering/ Environmental	Fall 2017	Fall 2020
Final Design	Early 2020	Summer 2022
Right-of-Way	Early 2020	Summer 2022
Construction	Summer 2022	Late 2024

Note: Schedule subject to funding availability.

Note: Information on this fact sheet is subject to periodic updates.
