

CALL FOR PROJECTS AND PROGRAMS OUTCOMES

**Alameda County
Countywide Transportation Plan Update
&
Regional Transportation Plan and SCS**

April 2011

The graphic features a vertical strip of five circular images on the left: a person on a bicycle, a person on a bicycle next to a car, a white car, a 'b' transit sign, and a carpooling sign. The background is a blurred image of a road with hills in the distance.

Presentation Purpose

- Provide overview of Regional Transportation Plan (RTP) and relationship to Countywide Planning processes: a new planning context
- Summarize Call for Projects and Programs process and outcomes
- Receive approval on project and programs lists
 - ▣ Approvals for RTP
 - ▣ Approvals for Countywide Transportation Plan
- Highlight next steps

Planning in a New Context

- Legislative mandates
 - AB 32: Global Warming Solutions Act – reduce GHG emissions to 1990 levels by 2020
 - SB 375: Transportation planning, Sustainable Communities Strategy (SCS), Environmental review
 - Requires each region to add an SCS as a new element in the Regional Transportation Plan to:
 - Reduce GHG emissions by from cars and light trucks by 7% per capita in 2020 and 15% per capita by 2035
 - Define a strategy to house the region's total population at all income levels

Regional Transportation Plan Overview

Current RTP Planning to 2040

- Long-range transportation planning and investment document for Bay Area
 - Developed by MTC
 - Defines investments of federal, state and regional dollars to 9-County Bay Area
 - Adopted 2035 RTP: \$218 Billion

Samples of Countywide Projects and Programs in Current RTP

- Alameda County project
 - Major efficiency improvements on I-580, I-80, I-880, I-680, Route 84
 - Major transit projects such as BART to Warm Springs, AC Transit BRT, Oakland Airport Connector
- Programs in the current RTP
 - Transit operating funds
 - Local streets and roads
 - Bicycle Funding
 - Safe Routes to Schools

Countywide Planning in Relation to RTP

- Countywide Transportation Plan informs the Regional Transportation Plan
 - Feeds projects and programs of regional significance into the RTP
 - Supports the goals of the RTP/SCS
 - Integrates land use and transportation at the countywide level

Call for Projects and Programs

□ MTC's RTP Call for Projects and Programs

- MTC released call February 14 to CMA's
- On-line application open March 1
- Alameda County targeted budget from MTC: \$11.76 B
- Project and program list required to be submitted to MTC April 29, 2011

Alameda CTC's Role

□ Alameda CTC's roles and responsibilities in Call

- Develop countywide call process and issue call
- Perform outreach to meet Title VI requirements
- Coordinate with public and stakeholders, project sponsors, regional agencies in development of final list
- Submit a list that is within the initial \$11.76 B funding target
 - Alameda CTC deadline for submissions April 12, 2011
 - Two weeks for review, evaluation and development of draft list

□ Alameda CTC uses Call for

- Countywide Transportation Plan (CWTP)
- Transportation Expenditure Plan (TEP)

Public Outreach

- Over 1,600 people in Alameda County provided input into process
 - ▣ Five public meetings (one in each Board of Supervisors district): 188 participants
 - ▣ Outreach Toolkit: 724 completed questionnaires
 - ▣ On-line questionnaires: 693 completed
- Information received from public process was shared with project sponsors and used to develop the recommended lists

Call for Projects Overall Results

- Call for Projects and Programs
 - ▣ Over 300 applications submitted
 - ▣ \$25.3 Billion total cost
 - ▣ Three categories
 - ▣ Programs: \$9.4 B
 - ▣ Countywide projects: \$7.6 B
 - ▣ Regional project: \$8.3 B
- Programs need: \$50.8 billion
 - ▣ identified through existing plans and projections; not submitted in applications
- Project need to be determined

Overall Costs for Submitted Applications: \$25.3 B

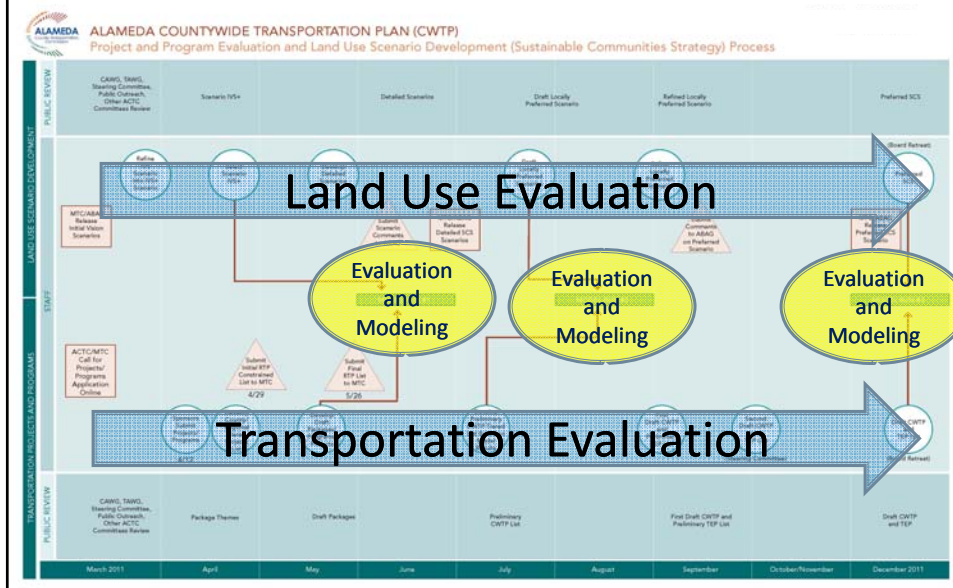

Evaluation Considerations

- Evaluation Timelines
 - 2008 Adopted Countywide Plan took 11 months to complete call for projects process
 - In current process, due to MTC deadlines, less than two weeks were available to review, evaluate and develop recommendations
- Evaluation Principles
 - Recognize that this is the first step in a multi-tiered evaluation process
 - Maintain greatest amount of flexibility in realm of projects and programs submitted
 - Allows establishment of priorities based on data results from largest pool possible
 - Allows evaluation to determine how to best meet goals

Multi-Tiered Evaluation Process

Screening Process – Step 1

- Project and Program applications divided into two groups
 - Programmatic
 - Capital projects and programs that do not increase capacity, not subject to air quality conformity analysis (cannot be modeled)
 - Projects
 - Capital projects that increase capacity and are subject to air quality conformity analysis (can be modeled)
- Projects and Programs in Tables 1, 2, 3 screened to ensure they met CWTP goals and had regional significance

Screening Process – Step 2

- Projects and Program without sponsors at this time: Tables 4 and 5
 - Not evaluated now
 - Keep for future consideration through development of CWTP
- Table 5 also includes projects that were dropped from the list
 - Completed projects
 - Projects the sponsor is not pursuing

Screening Outcomes: Programs

- 160 Programs applications submitted (Table 2):
 - All programs were incorporated into the overall programs categories
 - Total program costs incorporated into list: \$9.4 B
 - Recommendation is to double program size from 2008 CWTP
 - 2008 CWTP: \$3.5 B in programs
 - Recommendation of \$7 B represents 60% of MTC's \$11.76 B discretionary funding amount (15 categories)
 - Program Need: \$50.8 B
 - Programs support SCS development
- Fifteen Program Categories
 - Bicycle and Pedestrian
 - Transit Enhancements, Expansion and Safety
 - Transit/Paratransit operations and Education
 - Community Based Transportation Plans
 - Local Road Improvements
 - Local Streets and Roads Operations and Maintenance
 - Highway, Freeway, Safety and Non-capacity Improvements
 - Bridge Improvements
 - Transportation and Land Use (PDA)
 - Planning and Outreach
 - TDM and Parking Management
 - Good Movement
 - PDA Non Transportation
 - Environmental Mitigation
 - Transportation Technology and Enhancement

Screening Outcomes: Countywide Projects

- 150 Project application requests
 - Total requests by fund type: \$5.5 B
 - \$1.5 B in Discretionary funds
 - \$4 B in Vision
 - Total project costs not included since some project funding is already acquired
 - Recommendation includes combination of discretionary and vision funding requests
 - Recommendation of \$4.76 B represents 40% of MTC's \$11.76 discretionary funding amount
- Project Funding Descriptions
 - Total cost
 - Actual total estimated cost to deliver complete project
 - Discretionary Funding
 - Amount requested in submitted applications and eligible for regional funds
 - Vision Funding
 - Other funds necessary to fully fund the project
 - Funds will not be available in the funding horizon
 - Unanticipated funds such as 2006 statewide bonds or ARRA funds

Screening Outcomes: Regional Projects

- 11 Regional project applications submitted (Table 3)
 - Total requests : \$8.3 B
 - Projects serve a regional need
 - Include major transit capital and highway projects submitted by regional and multi-jurisdictional agencies
 - AC Transit
 - Alameda CTC/SAMTRANS
 - BART
 - Caltrans
 - Recommendation to submit separately from Countywide submission for this first evaluation
 - Recommendation does not affect \$11.76 B discretionary funding target for Alameda County

Recommendation

- Three part recommendation
 1. Accept draft lists of projects and programs (Tables 1, 2, 3) to be evaluated in CWTP investment packages – described in agenda item 7
 2. Direct staff to forward lists to MTC by its deadline of April 29, 2011
 3. Direct staff to present draft project and program lists to committees and advisory groups in May
 - Final list to be adopted by Steering Committee and recommended to full Commission for approval on May 26th after public hearing
 - Final list approved by full Commission and submitted to MTC the same day

Next Steps in 2011

- April 29: Submit draft lists to MTC
- May 27: Submit final lists to MTC
- May/June: Conduct first round of CWTP evaluation of packages (described in agenda item 7)
 - MTC will concurrently be performing its performance assessments
- July: Present CWTP evaluation results
- August: Conduct second evaluation based in Steering Committee recommendations
- September: First draft of CWTP and preliminary Transportation Expenditure Plan projects and program lists
- October/November: Second round of outreach and polling

Questions
