Oakland, California

We have examined the San Francisco Bay Area Rapid Transit District’s (District) compliance with the types of compliance requirements described in the Measure B Sales Tax for Mass Transit Funds Agreement (Agreement) between the District and the Alameda County Transportation Commission (ACTC) applicable to the Measure B funds that were allocated to the District for the year ended June 30, 2014. The District’s Measure B sales tax revenues and related expenses are included in the accompanying Schedule of Revenues and Expenses of Measure B Funds. Management is responsible for the District’s compliance with those requirements. Our responsibility is to express an opinion on the District’s compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the District’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the District’s compliance with specified requirements.

In our opinion, the District complied, in all material respects, with the aforementioned requirements that are applicable to the Measure B funds as specified in the Agreement for the year ended June 30, 2014.
