AGENCY NAME: San Francisco Bay Area Water Emergency Transportation Authority

DATE: Original-12/17/2012; Revised-02/11/2013

Directions:

Table 3 describes your agency's Measure B financial programming plan over the next four fiscal years. Use the expandable grouped rows (+/- sign on left of cell numbers 157, 306, 456, and 463) to enter detailed project information for the four fund reserve categories below.

1) FY 12-13 Measure B Planned Projects (unreserved funds): Planned projects using unreserved funds during FY 12-13 only. You may fill out FY 13-14 through FY 15-16 if data is available for informational purposes, however, it is not a requirement. 2) Measure B Capital Fund Reserve: The Capital Fund Reserve is for large capital project(s) that could otherwise not be funded with a year's worth of Measure B pass-through funds. All programmed funds must be expended by the end of FY 15-16. 3) Measure B Operation Fund Reserve: The Operation Fund is for operational project(s)/program(s). This fund may not contain more than 50 percent of anticipated annual Mass Transit Program Measure B Pass-through revenues. 4) Measure B Undesignated Fund Reserve: The Undesignated Fund Reserve is for transportation needs over a fiscal year, such as matching funds for grants, project development work, studies for transportation purposes, or contingency funds. This fund may not contain more than 10 percent of annual pass-through revenues.
