### Recommendation

This item is for information only. No action is requested.

### Summary

This item provides information on regional and countywide transportation planning efforts related to the updates of the Countywide Transportation Plan and Sales Tax Transportation Expenditure Plan (CWTP-TEP) as well as the Regional Transportation Plan (RTP) and the development of the Sustainable Community Strategy (SCS).

### Discussion

Ten separate committees receive monthly updates on the progress of the CWTP-TEP and RTP/SCS, including ACTAC, the Planning, Policy and Legislation Committee (PPLC), the Alameda CTC Board, the CWTP-TEP Steering Committee, the Citizen's Watchdog Committee, the Paratransit Advisory and Planning Committee, the Citizen's Advisory Committee, the Bicycle and Pedestrian Advisory Committee, and the Technical and Community Advisory Working Groups. The purpose of this report is to keep various Committee and Working Groups updated on regional and countywide planning activities, alert Committee members about issues and opportunities requiring input in the near term, and provide an opportunity for Committee feedback in a timely manner. CWTP-TEP Committee agendas and related documents are available on the Alameda CTC website. RTP/SCS related documents are available at [www.onebayarea.org](http://www.onebayarea.org).

### April 2012 Update:

This report focuses on the month of April 2012. A summary of countywide and regional planning activities for the next three months is found in Attachment A and a three year schedule for the countywide and the regional processes is found in Attachments B and C, respectively. Highlights at the regional level include release of the draft Preferred SCS: The Jobs-Housing Connection Scenario by ABAG, the upcoming release of the transportation investment strategy by MTC, and the submittal of compelling case letters to MTC. At the county level, highlights include the release of the Draft

CWTP and an update on the Transportation Expenditure Plan Council approvals. Staff will present an update at the meeting on the status of all items.

### *1) SCS/RTP*

MTC released draft results of the project performance and targets assessment in November 2011 followed by the draft scenario analysis results on December 9, 2011. Staff made comment on the results and revised project performance results were released on January 24, 2012. The project performance results categorized the highest and lowest performing projects based on benefit/cost and identified guidance for developing compelling case arguments for CMAs and project sponsors to submit to MTC in writing by March 15, 2012. Projects sponsors submitted compelling case letters for three of the seven Alameda County projects as shown in Attachment D. Regarding the SCS, the draft preferred land use scenario was released on March 9, 2012 to the Joint MTC Planning and ABAG Administrative Committee. Staff made a presentation to the Planning, Policy and Legislation Committee and the Commission and is following up with Alameda County planning directors to review the data and determine what it means for Alameda County. Comments are being developed by Alameda CTC to submit to ABAG by May 1. A letter will be forwarded to ACTAC when it is available. The draft Preferred SCS will be followed by MTC releasing the draft transportation investment strategy at its April 13 Joint Committee meeting. The final preferred scenario is scheduled to be adopted by MTC and ABAG in May 2012. Staff will provide additional information on the development of the compelling cases and the draft land use scenario at the meeting.

### *2) CWTP-TEP*

On January 26, 2012, the Alameda CTC, based on the CWTP-TEP Steering Committee recommendation, adopted the final Transportation Expenditure Plan. The Transportation Expenditure Plan is being taken to each city council and the Board of Supervisors for approval by May 2012 as well as AC Transit and BART. As of the writing of this staff report, eight City Councils have approved the TEP: Fremont, Livermore, Union City, Emeryville, Hayward, San Leandro, Oakland and Piedmont. The TEP is included on all city council agendas through May. The Draft CWTP is being presented to all Alameda CTC Committees in April 2012. Both the Draft CWTP and the final Transportation Expenditure Plan, along with the ordinance which will also be placed on the ballot, will be brought to the Commission in May 2012 for approval so that the Board of Supervisors can be requested at one of their June 2012 meetings to place the Transportation Expenditure Plan on the November 6, 2012 ballot. Staff will provide additional information at the meeting.

In the three month period for which this report covers, MTC and ABAG are or will be:

- Refining draft 28-year revenue projections; and
- Adopting the preferred land use and transportation scenario (May 2012).

Staff will be coordinating with the regional agencies and providing feedback on these issues, through:
