Timely Use of Funds Policy

- All programming and allocations are subject to the 2018 CIP’s timely use of funds policies.

- Alameda CTC’s recommended 2018 CIP programming and allocations are based on sponsor’s project information provided at the time of the request for funding.

- Projects receiving allocations from Alameda CTC are subject to the project costs, scope, budgets, and schedules that are proposed in the funding request and subsequently encumbered through a project funding agreement.
Alameda CTC 2018 CIP

Timely Use of Funds Policy (Continued)

- Failing to meet timely use of funds requirements, fund agreement requirements, funding commitments, project schedules, or applicable regulations could result in loss or withholding of funds
- If fund awards are withdrawn, projects and allocations may be removed from or deferred and/or reprogrammed in a future programming action
- Rescinded funds will be returned to the program to be distributed in a future CIP cycle
