ADA Mandated Services

- Service must be provided to individuals who travel within a 3/4 mile radius of a regular bus or rail route during the days and hours that those regular services are offered
- Other requirements of the ADA mandated services are:
 - *Next-day service must be provided*
 - *Fares cannot be more than twice the standard fixed route fare*
 - *The provider must accept requests for all types of trips without prioritization*
 - *Service must be provided during the same hours as regular transit services*
 - *The provider cannot show a pattern or practice of denials*

ADA Mandated Services

- AC Transit's and BART's ADA-mandated services are provided by East Bay Paratransit
 - *Largest paratransit provider in Alameda County*
