

PROJECT SPONSOR

Alameda CTC

PROJECT DESCRIPTION

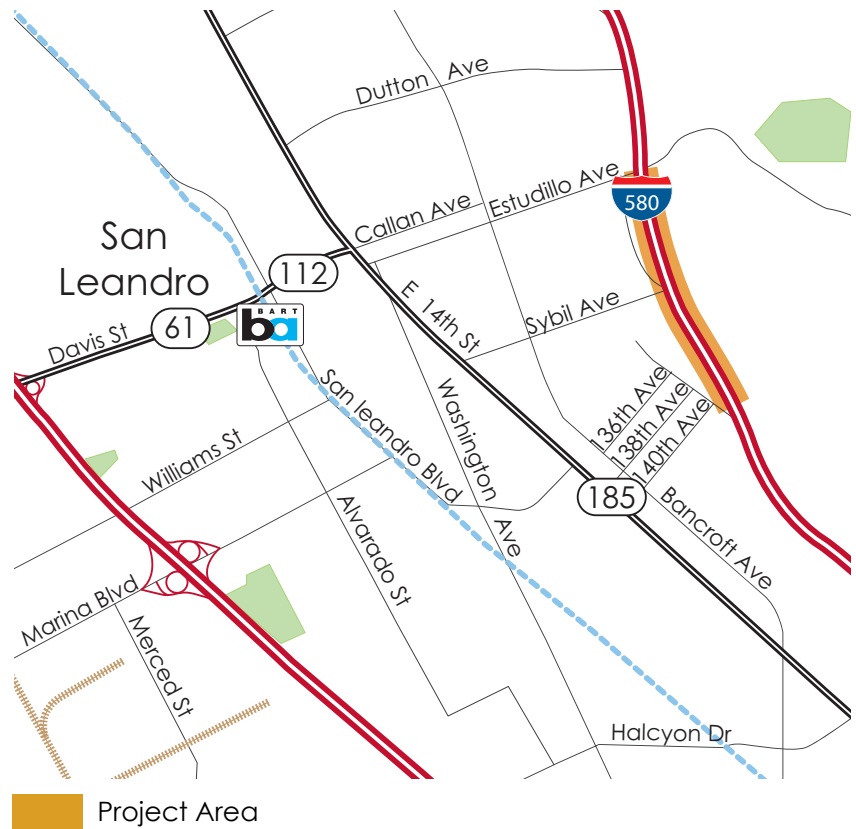

This project was a follow on contract to the recently completed I-580 San Leandro Soundwall Project in the City of San Leandro and repaired the existing irrigation system, planted new plants and added an additional irrigation system around the soundwalls.

PROJECT STATUS

The Alameda CTC was responsible for the advertisement, award and administration of the project. The project was advertised and awarded summer 2012. Landscaping activities began January 2013 and were completed May 2013. A three year plant establishment period will continue through spring of 2016.
