Mission Statement

The mission of the Alameda County Transportation Commission (Alameda CTC) is to plan, fund, and deliver transportation programs and projects that expand access and improve mobility to foster a vibrant and livable Alameda County.

Public Comments

Public comments are limited to 3 minutes. Items not on the agenda are covered during the Public Comment section of the meeting, and items specific to an agenda item are covered during that agenda item discussion. If you wish to make a comment, fill out a speaker card, hand it to the clerk of the Commission, and wait until the chair calls your name. When you are summoned, come to the microphone and give your name and comment.

Recording of Public Meetings

The executive director or designee may designate one or more locations from which members of the public may broadcast, photograph, video record, or tape record open and public meetings without causing a distraction. If the Commission or any committee reasonably finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities must be discontinued or restricted as determined by the Commission or such committee (CA Government Code Sections 54953.5-54953.6).

Reminder

Please turn off your cell phones during the meeting. Please do not wear scented products so individuals with environmental sensitivities may attend the meeting.

CITIZENS WATCHDOG COMMITTEE 12th ANNUAL

Report to the Public

Measure B Sales Tax Activities

IN NOVEMBER 2000, ALAMEDA COUNTY VOTERS APPROVED MEASURE B, which extended the county's half-cent transportation sales tax to 2022 and set forth a 20-year Expenditure Plan. Measure B also established a Citizens Watchdog Committee (CWC) to represent the different perspectives of taxpayers throughout the county and to review all Measure B expenditures on projects, programs and administration for

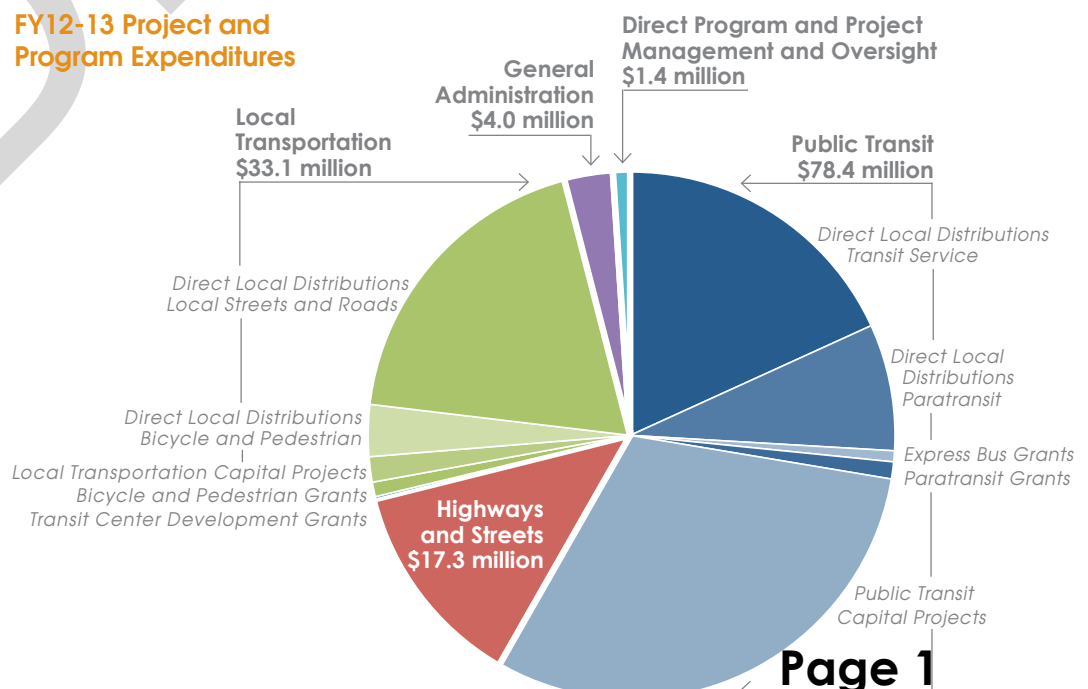

compliance with the Expenditure Plan. The CWC reports its findings annually to the public. This past year, CWC members performed a number of activities to ensure appropriate use of transportation sales tax funds, reviewed compliance reports for adherence to funding policies and further developed public outreach. This 12th annual report covers expenditures during the fiscal year ended June 30, 2013 (FY12-13) and CWC activities through July 2014.

Summary of Expenditures

THE ALAMEDA COUNTY TRANSPORTATION COMMISSION (ALAMEDA CTC) IS RESPONSIBLE for administering the Measure B half-cent transportation sales tax measure as well as congestion

management agency functions. In FY12-13, Measure B revenues totaled \$121.1 million, and audited expenditures totaled \$134.2 million for different transportation modes, oversight and administration.

FY12-13 Project and Program Expenditures

Financials At-a-Glance

ALAMEDA CTC AUDITED

EXPENDITURES INCLUDE general administration, direct program and project management and oversight expenses, Measure B discretionary grant fund expenditures, project expenditures and payments to jurisdictions for four main programs: local streets and roads, mass transit, paratransit and bicycle and pedestrian safety. In FY12-13, audited Measure B expenditures on programs, projects and administration totaled \$134.2 million. Program compliance reports submitted by Measure B fund recipients reported \$69.5 million in expenditures, which includes expenditures of Measure B fund balances from previous years.

For Measure B-related projects and programs, Alameda CTC expended \$60.6 million on capital projects, \$64.8 million on direct local distributions, \$3.4 million on grants, \$4.0 million on general administration and \$1.4 million on direct program and project management and oversight.² The 2000 Measure B Expenditure Plan specifies the use of approximately 60 percent of Measure B revenues to fund programs and 40 percent to fund projects. The percentages of actual project and program expenditures may vary from the Expenditure Plan percentages, because the expenditures in the Expenditure Plan are expected to be experienced over the life of the measure versus on a fiscal-year basis for capital projects.

Alameda CTC FY12-13 Audited Expenditures¹

(\$ in millions rounded)²

Public Transit	\$78.4
Direct Local Distributions - Transit Service	\$24.5
Direct Local Distributions - Paratransit	10.4

Transit Oriented Development Grants	-0.2 ³
Local Transportation Capital Projects	2.1
General Administration	4
Direct Program and Project Management and Oversight	1.4
Total:	\$134.2

Notes:

¹ In accordance with the 2000 Measure B Expenditure Plan, Alameda CTC allocates funds for specific capital projects and grants (paid on a reimbursement basis), and distributes sales tax revenue on a monthly, formulaic basis to the cities, county and transit operators to meet local transportation needs.

² Expenditure amounts may vary by category due to rounding.

³ Credit due to a fund reclassification (see page 5 for more detail).

Citizens Watchdog Committee Activities

THE CITIZENS WATCHDOG

COMMITTEE (CWC) has undertaken the following activities since July 1, 2012.

- **Ongoing Programs and Capital Projects Watch:** The CWC continued to watch specific programs and capital projects and to monitor issues of concern.
- **Ongoing Areas of Interest:** The CWC requested information from Alameda CTC regarding the following areas of interest and received information on:
 - Alameda CTC’s plan to issue limited tax bonds secured by a pledge of sales tax revenues to finance capital expenditures in the Expenditure Plan. The Commission adopted a debt policy to establish guidelines for the issuance and management of debt and to ensure compliance with applicable post-issuance requirements of federal income tax law to preserve the tax-exempt status of the bonds. The CWC chair expressed the CWC’s concern to the Commission about the nature and extent of the public process before the debt issuance. The CWC also requested and received detailed information from Alameda CTC on the tax bonds, including accounting for the bonds, their benefits and potential risks, and anticipated bond revenues.
 - Alameda CTC’s capital projects expenditures with emphasis on the Dumbarton Corridor Area Transportation Improvements. Due

to a funding shortfall that put the Dumbarton Corridor rail project on hold, Alameda CTC committed \$13.3 million of the remaining Measure B allocation, consistent with the Expenditure Plan, to the Newark Central Rail Overpass Project, a four-lane bridge overpass with sidewalks and a bicycle lane, which will support transit oriented development and improve safety.

- Alameda CTC’s process for review of project invoices, submitted by project sponsors, to ensure compliance with Master Project Funding Agreements and Project Specific Funding Agreements before authorizing payment.
- CWC Annual Report outreach efforts including electronic outreach data as well as cost estimates for ad placements on AC Transit and BART.
- **Ongoing Budget Update:** The CWC received and reviewed the annual budget and mid-year budget updates.
- **Audit and Compliance Report Review (January 2013):** The CWC performed its review of Measure B direct distribution recipients’ audited financial statements and compliance reports, and requested additional information to help clarify expenditures. The CWC found this information acceptable.
- **Independent Financial Audits:** The CWC met with independent

financial auditors on the Alameda County Transportation Improvement Authority (ACTIA) Measure B audited financial report through the termination of ACTIA on February 29, 2012 and on the consolidated Alameda CTC audited financial report for the year ended June 30, 2012 with an emphasis on Measure B revenues and expenditures. The independent auditors did not identify any accounting concerns, and the CWC accepted the audited financial report. In November 2013, the CWC received a presentation from independent financial auditors on the audited Comprehensive Annual Financial Report (CAFR) for the year ended June 30, 2013. Again, the auditors did not identify any accounting concerns, and the CWC accepted the audited CAFR, for which in April 2014, Alameda CTC was awarded a Certificate for Excellence in Financial Reporting from the Government Finance Officers Association.

- **CWC Audit Subcommittee Process:** In July 2012, the CWC created an audit subcommittee and process to provide input on items of interest related to Measure B to the independent auditor. The independent auditor met with the CWC

Audit Subcommittee before and after the ACTIA audit through February 29, 2012. In December 2012, a joint Commission Audit Committee and CWC Audit Subcommittee met with the independent auditor to receive an explanation of the first consolidated Alameda CTC audited financial report since the merger of the Alameda County Congestion Management Agency and ACTIA. The CWC Audit Subcommittee raised concerns regarding tracking ACTIA Measure B figures for accuracy from the Limitations Calculation Worksheet to the audited, consolidated financial report. In response, Alameda CTC staff modified the Limitations Calculation Worksheet. In 2013, the independent auditor met with the CWC Audit Subcommittee before and after the FY12-13 independent annual audit which resulted in additional testing and the need for providing more detail to the CWC Audit Subcommittee on the audit processes.

- **Annual Report to the Public (2013–2014):** In March, CWC members established a subcommittee to develop its annual report. At the July meeting, the CWC held a public hearing to receive comments on the report. Public outreach included a press release, online ads that link to the web-based report, print advertisements in Bay Area publications, reference to the report in the Alameda CTC e-newsletter, e-mail and print mailings of the report, outreach on Alameda CTC's Twitter feed and

Facebook page, distribution of the report at outreach events, translation of the advertisements and the report into Chinese and Spanish, and outreach to Asian and Hispanic community organizations.

- **Annual Report Outreach Objectives Subcommittee (January 2014):** The CWC established a subcommittee to discuss outreach objectives for the CWC Annual Report. Since the Expenditure Plan does not provide details as to the scope of public reporting, the CWC convened the Outreach Subcommittee to examine how to best structure outreach practices that target maximum distribution among and to Alameda County residents. The subcommittee concluded that:
 - Alameda County residents represent the public and are the CWC's target audience for annual report outreach.
 - CWC members should do what they can to facilitate dissemination of the Annual Report to the Public.
 - The CWC will continue to identify additional report recipients.

The outreach program for the 11th Annual Report included a wide range of media beyond the local newspapers including social media and a Constant Contact e-mail blast to almost 4,000 organizations. Many CWC members visited their city council, local farmer's market and other venues to discuss, distribute and promote the report. Members contacted local jurisdictions that benefit from Measure B funding and encouraged them to post the report on their web pages.

- **Audit and Compliance Report Review (January 2014):** The CWC reviewed Measure B direct distribution recipients' audited financial statements and compliance reports. The Master Programs Funding Agreements specify compliance policies. The CWC closely monitors compliance with detailed funding plans and implementation schedules required by the policies including timely use of funds.
- **Information Received by CWC (Ongoing):** The CWC received updates on:
 - The AAA credit ratings issued by Fitch Ratings and Standard and Poor's for Alameda CTC's high-quality financial management of the Measure B sales tax, making Alameda CTC the first agency of its kind in California to receive AAA ratings from both ratings services.
 - The progress of Alameda CTC's implementation of the One Bay Area Grant Program adopted by the Metropolitan Transportation Commission. Alameda County is estimated to receive \$63 million over four fiscal years for transportation projects.
 - The Local Business Contract Equity Program goals reached. In FY12-13, Alameda CTC reported that it exceeded its 70 percent Local Business Enterprises (LBEs) goals for professional and administrative services. Total payments to LBEs equaled an estimated \$5.0 million (72 percent) for active contracts. For exempt contracts, total payments to LBEs exceeded \$0.2 million (60 percent).

Alameda CTC Programs

ALAMEDA CTC ALLOCATES APPROXIMATELY 60 PERCENT OF MEASURE B FUNDS, net of administrative funding, on a monthly, formula basis (direct local distributions) and through competitive grants paid on a reimbursement basis to Alameda County, cities and transit agencies for programs. In FY12-13, Alameda CTC expended \$68.2 million in Measure B funds on programs.¹

Local streets and roads:

All cities and the county receive allocations for local transportation improvements, including street maintenance and repair. Jurisdictions use these flexible Measure B funds to meet their locally determined transportation priorities.

- Payments to jurisdictions: \$25.7 million
- Grants: \$0
- **Total: \$25.7 million**

Mass transit:

Transit operators for systems including ACE, AC Transit, Union City Transit, WETA and Wheels receive allocations for operations.

- Payments to local transit operators: \$24.5 million
- Grants: \$0.9 million for Countywide Express Bus Service Grants
- **Total: \$25.4 million**

Special transportation for seniors and people with disabilities:

Cities and transit operators receive funds to support their ongoing transportation programs for seniors and people with disabilities.

- Payments to local jurisdictions: \$10.4 million
- Grants: \$1.4 million for Paratransit Gap Grants and stabilization funds
- **Total: \$11.8 million**

Bicycle and pedestrian safety funds:

All cities and the county receive these funds for bicycle and pedestrian capital projects, programs and plans.

- Payments to local jurisdictions: \$4.3 million
- Grants: \$1.2 million for Countywide Discretionary Fund Grants
- **Total: \$5.5 million**

Transit oriented development:

A small portion of Measure B revenues are awarded through the Transit Oriented Development Grant Program and leverage other funds by becoming a local match for grants and studies.

- Grants: -\$0.2 million
- **Total: -\$0.2 million²**

Notes:

¹ The 2000 Measure B Expenditure Plan includes the following program allocations: local streets and roads (22.34%), mass transit (21.92%), transportation for seniors and people with disabilities (10.45%), bicycle and pedestrian safety (5%) and transit center development (0.19%). See the FY12-13 Program Compliance Report for data on expenditures by Measure B fund recipients (http://www.alamedactc.org/files/managed/Document/11154/6K_FY11-12_MB_Compliance_Summary_Report_052313.pdf).

² Alameda CTC reported a credit in the Transit Oriented Development (TOD) Grant Program due to a reclassification of invoices from a prior year that were erroneously charged to the TOD fund instead of the express bus fund.

Measure B funds transportation programs for seniors and people with disabilities, such as volunteer escort and driver programs that provide access to community organizations, shopping and medical appointments.

More than 100 schools participate in the Safe Routes to Schools Program that supports safe, healthy access to school by walking, biking and carpooling.

As part of Bike to Work Day, thousands of people throughout Alameda County participated in this event that supports active transportation and healthy lifestyles.

Alameda CTC Projects

The I-238 Widening Project was completed in 2009 and continues to provide traffic relief in Central Alameda County on this major freight corridor.

The free Broadway Shuttle gets people out of their cars and onto public transit, reducing automobile miles traveled by 3.3 million miles each year.

The BART Oakland Airport Connector Project will be in service beginning November 2014, providing a convenient transit connection from BART to the Oakland International Airport.

ALAMEDA CTC ALLOCATES 40 PERCENT OF MEASURE B FUNDS to capital projects, net of administrative funding. In FY12-13, Alameda CTC expended \$60.6 million on capital projects for transportation infrastructure improvements, such as BART rail extensions, highway and transit improvements, local street and road enhancements, intermodal projects and other local projects.

In addition to the 26 voter-approved capital projects, Alameda CTC added the following projects approved by the Commission pursuant to the Expenditure Plan: the Vasco Road Safety Improvement Project from the Measure B Congestion Relief Emergency Fund in 2003, the I-80 Integrated Corridor Management Project in 2008, the I-880/23rd and 29th Avenues Interchanges and the Countywide Transportation Plan/Transportation Expenditure Plan in 2010, and the Studies for Congested Segments/ Locations on the CMP Network in 2011.

Some of the projects in the 2000 Measure B Expenditure Plan are funded for specific phases. The local sales tax dollars allow the initial project development phases to move forward, while project sponsors secure other funding sources to complete construction. This lets Alameda CTC efficiently and expeditiously deliver projects. By 2012, the midpoint of the current transportation sales tax measure, Alameda CTC had delivered 95 percent of all capital project investments.

The chart on the next page shows the project phases, schedule, funding commitments and total project costs for the capital projects.

Notes for chart on page 7:

- ¹ The Current Phase is based on a status date effective March 31, 2014. The Project Closeout phase indicates construction is complete, and the project financial closeout is underway.
- ² Project Planning Areas include C = Central County, E = East County, N = North County, S = South County.
- ³ Construction schedules shown are subject to change based on project delivery activities. Begin Construction date shown is typically the expected contract award date. End Construction date for BART capital projects is the point at which transit/revenue service will begin.
- ⁴ The funding amounts shown are subject to change based on programming and allocation activities by the applicable governing agency.

How to Get Involved

Alameda CTC and the Citizens Watchdog Committee invite your participation to plan, fund and deliver transportation projects and programs that enhance mobility throughout Alameda County. Join one of Alameda CTC's community advisory committees — in addition to the CWC, the public serves on the Bicycle and Pedestrian Advisory Committee and the Paratransit Advisory and Planning Committee — or feel free to participate in and attend public meetings. Visit www.AlamedaCTC.org to learn more about opportunities to get involved.

Further Information

The complete 2000 Measure B Expenditure Plan and this report as well as agency compliance audits and reports are available at www.AlamedaCTC.org. Copies of these publications are also available at the Alameda CTC offices at 1111 Broadway, Suite 800, Oakland, CA 94607; you can reach us at 510.208.7400. To contact your local jurisdiction for information on Measure B-funded projects and programs, visit http://www.alamedactc.org/app_pages/view/8072 or your jurisdiction's website.

"The Citizens Watchdog Committee is responsible for providing independent oversight of Alameda CTC's Measure B sales tax dollar expenditures. Doing so not only provides an important fiscal review of large county expenditures but provides an additional demonstration to Alameda County voters and businesses that Measure B delivers on its promise."

"The CWC's annual reviews and analyses play an important role in ensuring that Measure B funds are spent in accordance with the measure, and I am pleased to report Alameda CTC's full compliance with Measure B requirements for the 12th year in a row."

— James Paxson, CWC Chair

1. Welcome and Call to Order

CWC Chair James Paxson called the meeting to order at 6:30 p.m. The meeting began with introductions, and the chair confirmed a quorum. All CWC members were present, except the following: Cynthia Dorsey, Arthur Geen, Sandra Hamlat, William Klinke, and Brian Lester.

2. Public Comment

There were no public comments.

3. Approval of March 10, 2014 Minutes

Harriette Saunders moved to approve the minutes as written. Mike Dubinsky seconded the motion. The motion passed (8-0), with one abstention, Miriam Hawley.

4. Organizational Meeting

4.1. Approval of CWC Bylaws

Tess Lengyel led the discussion on the CWC bylaws. She mentioned that the CWC reviews its bylaws annually at the organizational meeting, and the review process is scheduled each year to allow staff and the CWC to update the bylaws to reflect current practices or to improve the way the committee functions. Tess highlighted the changes that staff recommended to the CWC bylaws:

- Section 1.7 – Remove the "Citizens Advisory Committee (CAC)" section.
- Section 1.17 – Update "Technical Advisory Committee" to read "Paratransit Technical Advisory Committee."
- Section 3.5 – Add the word "consecutive," which will change the language to read "... three consecutive absences ..."
- Section 3.12 – Change "East Bay Bicycle Coalition" to read "Bike East Bay, formerly known as East Bay Bicycle Coalition."
- Section 5.9 – Add a new section, "Meeting Conduct."

Public comment: Regarding conflict of interest in section 1.7, Ken Bukowski requested that it include the word "personally" after "benefit." He also mentioned that committee agenda packets should be available for the public at the meeting. Ken stated that he agreed that the bylaws should include the specific month of the organizational meeting. He informed the committee that in Emeryville a committee specifies a definite number of members present to constitute a quorum and suggested the CWC consider adding this to the bylaws to make them clearer.

Steve Jones moved to approve the recommended staff changes to the CWC bylaws. Harriette Saunders seconded the motion. The motion passed (8-1), with one opposed, James Haussener.

The committee members made the following recommendations:

- Section 1.1.3 – Insert the word “incorporated,” which will change the language to read “... of the incorporated 13 cities ...”

Miriam Hawley moved to approve the above change. JoAnn Lew seconded the motion. The motion passed (7-2), with two opposed, Mike Dubinsky and Hale Zukas.

- Section 1.7 – Add the word “personally” after “benefit.”
- Section 3.3 – Change language to read “... or be an employee of any entity ...”

JoAnn Lew moved to approve the above changes to sections 1.7 and 3.3. Harriette Saunders seconded the motion. The motion passed (7-2), with one abstention, Steve Jones and one opposed, Mike Dubinsky.

- Section 1.14 – Change the language to read “... will be scheduled to be in June.”

Deborah Taylor moved to approve the above change. JoAnn Lew seconded the motion. The motion passed (7-2), with two opposed, Mike Dubinsky and Hale Zukas.

- Sections 4.1 and 4.2 – Change “... annually ...” to “... bi-annually (every two years) ...”

Deborah Taylor moved to approve the above change. JoAnn Lew seconded the motion. The motion passed (8-1), with one opposed, James Paxson.

- Section 7.4 – Include the Alameda CTC website for meeting notices.

Harriette Saunders moved to approve the above change. Deborah Taylor seconded the motion. The motion passed (8-1), with one opposed, _____.

These grammatical changes did not require a vote:

- Section 3.1.2 – Change commas to semi-colons between organizations.
- Section 3.6.3 – Double space between 3.6.3 and 3.6.4.

4.2. Approval of Agenda/Calendar for FY14-15

Tess Lengyel pointed out that the FY14-15 calendar shows the November CWC meeting has moved to October to accommodate the CWC request to review the Comprehensive Audited Financial Report and provide comments prior to the report being presented to the Finance and Administration Committee (FAC). A member requested including capital project presentations on the calendar. Staff noted that projects and programs updates are presented to the committee during the January meeting. If committee members notify staff in advance on the project they are interested in, staff will focus on that project in January.

The committee discussed the timing of the compliance and audit summary report going to FAC for approval prior to CWC reviewing and commenting on the report. Staff stated that there is not a particular schedule that Alameda CTC must legally adhere to by taking the report to FAC in July. Staff suggested that the compliance and audit summary report be reviewed by CWC in June and go before FAC in July.

The committee discussed whether or not to accelerate the schedule to generate the CWC Annual Report to ensure the information is still relevant. It was noted that the information is old by the time the report is distributed to the public. Staff stated that the cities need six months to prepare the information needed for the compliance and audit reports. The CWC has made an effort to bring the report as current as possible (up to July of the current year) with all information except the financial activity that requires information from the cities. A member suggested including a note in the report on why it has to be reported a year later.

Deborah Taylor moved to approve the FY14-15 calendar. Jim Haussener seconded the motion. The motion passed unanimously (9-0).

4.3. Election of Officers for FY14-15

JoAnn Lew nominated James Paxson for chair and Deborah Taylor as vice chair. James Paxson called the motion, and the motion passed unanimously (9-0).

5. Draft CWC Annual Report

5.1. Review of Draft CWC Annual Report

James Paxson explained what the CWC has done historically to generate the CWC Annual Report. He informed the committee that once the updates are complete, staff will email the updated report to the CWC Annual Report Subcommittee for review. The final report will be presented to the full CWC at the July meeting for adoption.

Questions/feedback from members:

- Ensure the report is consistent throughout and speaks with one voice.
- Ensure the report is consistent throughout, and subscripts exist for all footnotes, and the text referenced is for the actual footnote.
- Add a footnote on what negative numbers mean.
- On page 1, ensure that bicyclists in photos are wearing helmets.
- On page 1, split the "Public Transit" piece of the pie chart to reflect "Transit Capital Projects" and "Transit Operational Maintenance" to match the numbers on the second page of the report.
- On page 1, modify the first sentence in column two under "Measure B Sales Tax Activities" to read ".... and CWC activities through July 2014."
- On page 2, correct the math in the second paragraph.
- On page 7, add a separate column on the "Project Status" page to show the FY12-13 Measure B expenditures.

5.2. Discussion of Publication Methods and Costs

Tess Lengyel stated that the CWC Annual Report Subcommittee discussed low-cost methods to use Constant Contact for outreach. She mentioned that the items are listed on page 30 of the agenda packet. Tess and James suggested members review the enclosed publication methods and costs and email questions to staff.

5.3. List of Organizations in Constant Contact

James Paxson advised the members review this agenda item and email questions to staff.

5.4. Alameda CTC Public Outreach Calendar

James Paxson advised the members review this agenda item and email questions to staff.

6. Establishment of CWC Audit Subcommittee, Confirmation of Meeting Availability with Auditor Between June 16 and June 27, and Discussion of Areas of Interest

Jim Haussener moved to establish an Audit Subcommittee. JoAnn Lew seconded the motion. The motion passed unanimously (9-0).

The following members volunteered to serve on the CWC Audit Subcommittee:

- James Paxson
- James Haussener
- Harriette Saunders
- Hale Zukas

James Paxson requested that staff invite committee members who were not present at the meeting and poll the members for a CWC Audit Subcommittee meeting date between June 16 and June 27.

7. Projects and Programs Watchlist (signup for Projects and Programs)

James Paxson requested staff include in the letters to the project sponsors a request for them to specify which agenda items are related to Measure B. He reminded members to fill out the watch list and to submit the list to staff as soon as possible.

8. Responses to CWC Requests for Information

James Paxson and staff requested the members review the remaining agenda items and email questions/comments to staff. Staff will include responses to CWC requests at the July meeting. The following items were identified in the meeting:

- Brown Act public noticing requirements: Members want to know how Alameda CTC staff will notice public meetings outside of the building during the 72 hours immediately prior to the meeting.
- Follow-up questions to the FY2014-15 Proposed Budget: Members will email these to staff before the CWC agenda planning meeting.

9. CWC Member Reports/Issues Identification

9.1. CWC Issues Identification Process and Form

There were no issues identified.

9.2. Issues Discussion

There were no issues discussed.

10. Staff Reports/Board Actions

James Paxson requested the members review agenda items 10.1 through 10.5 and email questions/comments to staff.

10.1. Draft Compliance Summary and Audit Report Review

10.2. Final FY 2013-14 Budget Update

10.3. Alameda CTC FY 2013-14 Third Quarter Investment Report

10.4. Draft Proposed Budget for FY 2014-15

10.5. Final Strategic Plan Review

10.6. CWC Roster

The committee roster is in the agenda packet for review purposes.

10.7. Alameda CTC Commission Action Items

Alameda CTC Commission action items are listed in the agenda packet.

11. Adjournment

The meeting adjourned at 8:45 p.m. The next meeting is scheduled for July 14, 2014 at Alameda CTC offices.

SUBJECT: Proposed Costs for CWC Annual Report to the Public Production, Media Placement, Publication, and Translation

RECOMMENDATION: Review and approve the proposed publication costs including design, printing, and distribution of the report through email, social media, and at events; placement of advertisements in the media; production of a two-page flyer based on the report and translation of the flyer from English to Chinese and Spanish.

Summary

For the *12th Annual Report to the Public*, staff will design, print, and distribute the report; notify Alameda CTC's constant contact list of the public hearing, report availability, and distribution opportunities; place print ads in the media to announce the public hearing on July 14, 2014; place print ads about the report, and place online ads to direct traffic to the Alameda CTC website for the full online report. In addition, staff will develop a two-page flyer version of the report and have it translated into Chinese and Spanish. Staff recommends the CWC approve the publication costs including report production and distribution through email, social media, and at events; publication of advertisements in the media; production of a two-page flyer based on the report; and translation of the flyer from English to Chinese and Spanish. (See Attachment A for the proposed print and online publication costs and Attachment B for costs associated with AC Transit and BART advertisements).

Background

At the January 13, 2014 CWC meeting, the committee received a cost benefit analysis of its *11th Annual Report to the Public* and discussed ways to increase outreach for the next report. The committee also discussed outreach objectives including priorities for print media, direct mailing/distribution, online advertisements, social media, personal outreach, as well as the committee's target audience of the general public and residents of Alameda County, and costs for outreach.

At the March 10, 2014 CWC meeting, five committee members volunteered to serve on the CWC Annual Report Subcommittee. The CWC also reviewed and discussed the costs and benefits of advertising onboard AC Transit and BART (see Attachment B).

The CWC Annual Report Subcommittee met on April 30 and May 22 to develop the report and plan the outreach approach for the report. At the June 9, 2014 CWC meeting, the committee reviewed the draft annual report and agreed on extensive targeted outreach to spread the word about the report (see the detailed outreach plan in the [item 5.2 staff report](#)) IN THE June 2014 CWC meeting packet.

Media Placement

Alameda CTC will use the following media approach if approved by the CWC. Place online banner advertisements in media with a link back to the full online *12th Annual Report to the Public* and place print advertisements that summarize the full report and include a URL to the full report. Online banner ads will appear in the following publications:

- Asianweek.com
- Eastbayexpress.com
- InsideBayArea.com (a Bay Area Newsgroup publication)
- Patch Network
- Visionhispanausa.com (online newspaper)

Alameda CTC will also place print advertisements with a URL to the full report in the following publications:

- Bay Area Newsgroup – East Bay (6 papers)
- Bay Area Newsgroup – Hills Newspapers (6 papers)
- East Bay Express
- The Independent
- Patch News Union City Daily Newsletter
- Pleasanton Weekley
- Post Newsgroup (7 papers)
- Tri-City Voice

Staff has already placed ads in 19 publications to announce the public hearing for the report on July 14, 2014.

Fiscal Impact: The proposed cost of design and placement of the online and print advertisements, along with the printing and mailing of the hard copy report is estimated at \$32,445, which is \$615 more than the costs in 2013. Note that the cost for design and translations are estimates based on the prices from 2013, and final total costs may be different.

Citizens Watchdog Committee Reports Measure B Sales Tax Expenditures in Compliance with Expenditure Plan for 12th Year in a Row

12th Annual Report to the Public identifies no accounting concerns, highlights committee activities and provides update on transportation programs and projects

Alameda County - California. On August __, 2014, the Citizens Watchdog Committee (CWC) of the Alameda County Transportation Commission (Alameda CTC) released its 12th Annual Report to the Public, covering fiscal year 2012-2013 expenditures and CWC activities through July 2014. The report confirms that Alameda CTC's audited income and expenditures were in compliance with specific caps, and the auditors identified no accounting concerns. It also provides an update on the delivery of voter-approved programs and projects funded by Measure B, Alameda County's half-cent sales tax for transportation improvements approved by 81.5 percent of voters in 2000.

"The CWC is responsible for providing independent oversight of Alameda CTC's Measure B sales tax dollar expenditures. Doing so not only provides an important fiscal review of a large county expenditure but provides an additional demonstration to Alameda County voters and businesses that Measure B delivers on its promise," says Citizens Watchdog Committee Chair James Paxson. "The CWC's annual reviews and analyses play an important role in ensuring that Measure B funds are spent in accordance with the measure, and I am pleased to report Alameda CTC's full compliance with Measure B requirements for the 12th year in a row."

In fiscal year 2012-2013, Alameda CTC received \$121.1 million in Measure B revenue and expended \$134.2 million as follows:

- \$78.4 million for public transit, including operations, capital investments and special transportation for seniors and people with disabilities.
- \$17.3 million for highway and streets projects.
- \$33.1 million for cities and Alameda County for local transportation improvements, including local streets and roads, and bicycle and pedestrian projects.
- \$4.0 million for general administration.
- \$1.4 million for direct program and project management and oversight.

The Citizens Watchdog Committee was created in 2002, after reauthorization of the local sales tax measure in 2000 by 81.5 percent voter support, to represent the different perspectives of taxpayers throughout the county and to review all Measure B expenditures on projects, programs and administration for compliance with the Expenditure Plan. Approximately 60 percent of the sales tax revenues, net of administrative funding, funds programs, and approximately 40 percent, net of administrative funding, funds capital

projects. One of the committee's responsibilities is to issue an annual report to voters and taxpayers on the sales tax fund expenditures.

[The 12th CWC Annual Report](#), as well as [audits of each agency receiving Measure B funds](#), are available to the public on the Alameda CTC website. Hard copies of the report are available by request via e-mail to aaayers@alamedactc.org, via mail to Alameda CTC offices at 1111 Broadway, Suite 800, Oakland, CA 94607, or via telephone to 510.208.7400.

The role of the CWC as a taxpayer safeguard has been critically important over the life of Measure B. The 30-year, \$8 billion [2014 Transportation Expenditure Plan](#), which will come before voters for approval in November 2014 to augment and extend Measure B, includes significant accountability measures including annual review and reporting by an independent watchdog committee, modeled after the CWC.

About the Alameda County Transportation Commission

Alameda CTC plans, funds and delivers transportation programs and projects that expand access and improve mobility to foster a vibrant and livable Alameda County. Alameda CTC coordinates countywide transportation planning and delivers the expenditure plan for the half-cent sales tax approved by 81.5 percent of county voters in 2000. The [2014 Transportation Expenditure Plan](#) and measure will be on the ballot in November 2014 to fund essential future transportation improvements in every city and throughout Alameda County. Citizens Watchdog Committee Issues Identification Process

Summary

This issues identification process outlines the responsibilities of the Citizens Watchdog Committee (CWC) and the process to bring and address issues of concern to the CWC.

CWC Responsibilities

The Citizen Watchdog Committee is charged with the following as written in the Expenditure Plan approved by voters in November 2000:

"This committee will report directly to the public and will be charged with reviewing all expenditures of the Agency [Alameda County Transportation Commission (Alameda CTC)]." The responsibilities of the committee are to:

- Hold public hearings and issue reports, on at least an annual basis, to inform Alameda County residents how the funds are being spent. The hearings are open to the public and must be held in compliance with the Brown Act, California's open meeting law, with well-publicized information announcing the hearings posted in advance.
- Have full access to the Commission's independent auditor and authority to request and review specific information and to comment on the auditor's reports.
- Publish an annual report and any comments concerning the Commission's audit in the local newspapers. In addition, copies of these documents must be made available to the public at large.

The Commission also allows the CWC to fulfill its mission by requesting information directly from Measure B fund recipients.

Review Process

The goals for any review of projects and programs by the CWC are to report to the public and make recommendations to the Alameda CTC staff and Board. To this end, the tasks for the CWC to focus on: 1) proper expenditure of Measure B funds; 2) the timely delivery of projects per contract agreements and the Expenditure Plan; and 3) adherence to the projects or programs as defined in the voter-approved Expenditure Plan.

CWC Issues Identification Process

During the review process, CWC members will use the following procedures:

1. Issues that are raised by CWC members regarding financial and contract compliance issues may be legitimate topics to pursue through the request of a project or program sponsor to appear before the CWC.
2. Before calling on a sponsor to appear, CWC members must submit a "CWC Issues Form" (attached) to the CWC chair or vice-chair for placement on the agenda at the next CWC meeting.
3. CWC members may also submit CWC Issues Forms during a meeting, which the chair will take into consideration, and at his or her discretion, address at that particular meeting.
4. The full CWC must approve issues identified in a CWC Issues Form to address in further detail by an affirmative vote.
5. CWC members may form an ad-hoc subcommittee to draft CWC questions that need answers from the project/program sponsors and to receive a presentation from a project or program sponsor specifically addressing the issues, questions, or concerns raised by the CWC.
6. The subcommittee should consider the resources listed below, either in preparation for the review meeting, or for examination during the meeting.

The reviews are expected to be organized, thorough and efficient, and may result in a clear recommendation for further action, if needed.

Resources for CWC (not inclusive)

- Adopted Measure B Expenditure Plan (blue book)
- Up-to-date list of project/program sponsors contacts
- Alameda CTC staff responsible for oversight of the project/program
- Information about public hearings, recent discussions, or news clippings provided by Alameda CTC staff to the CWC by mail or at meetings
- Other Alameda CTC community advisory committees (for example, the Citizens Advisory Committee, Paratransit Advisory and Planning Committee, or Bicycle and Pedestrian Advisory Committee chair-persons may be called on to address an issue.)
- Alameda CTC Auditor (for example, to request, "Are these figures reasonable/reliable?")
- Alameda CTC Executive Director (for example, to request "Is this the intention of the Expenditure Plan?")
- Alameda CTC Attorney (for example, to determine, "Is this a legal issue?")
