

Alameda County Final 2012 Transportation Expenditure Plan

Presentation to City of Emeryville City Council, February 21, 2012

Presentation Overview

- Brief overview on TEP development
- Summary of Final Transportation Expenditure Plan
- Recommendation for Approval of the 2012 Transportation Expenditure Plan

TEP Development

- Culmination of two-year process
 - Steering Committee – 13 elected officials
 - CAWG – 27 members
 - TAWG – 58 participants
- Extensive outreach throughout the County
 - *Over 40 public meetings specifically on CWTP-TEP development, 2 public opinion polls (over 2/3 support)*
- Analysis of over 300 applications submitted as part of spring 2011 call for projects and how to leverage current investments to meet Plan's vision and goals
- Responsible investments with extensive safeguards to achieve 2/3 voter approval

Alameda County Transportation Planning Vision: A New Direction

Vision Statement:

Alameda County will be served by a premier system that supports a vibrant and livable Alameda County through a **connected and integrated multimodal** transportation system promoting sustainability, access, transit operations, public health and economic opportunities.

Adopted January 2011

Goals: Our vision recognizes the need to **maintain and operate our existing transportation** infrastructure and services while **developing new investments** that are targeted, effective, financially sound and supported by appropriate land uses.

The Final Draft TEP

- A \$7.7 billion plan for initial 30-years
 - *Chapter 1: Background & Summary*
 - *Chapter 2: Transportation Investments*
 - *Chapter 3: Governance Structure*
 - *Chapter 4: Implementing Guidelines*
- Crafted through project and program analysis, and key findings from polling and outreach
- Legislation allows for increase in sales tax countywide for a one year window: November 2012

Transportation Expenditure Plan (TEP)

5

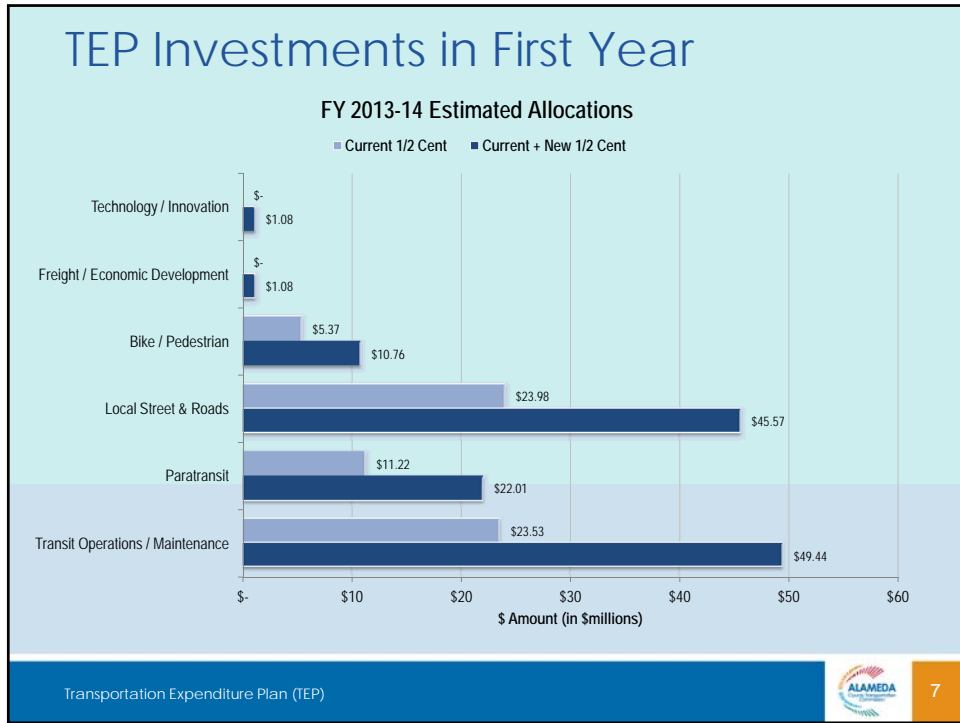

TEP Overview

- Accountability measures in Plan
 - *Independent Watchdog Committee*
 - *Continuation of other public committees*
 - *Strict environmental, full funding and reporting requirements*
 - *Commitment to modes (if projects become unable to move forward, funding stays within mode category)*
 - *Complete Streets requirement*
 - *Performance and accountability measures in every contract*
 - *Voter check in and approval of new plan every 20 years*

Transportation Expenditure Plan (TEP)

6

Public Transit Overview

- Public Transit = \$3.7 billion, 48% of funds
 - *Mass Transit: Operations, Maintenance, and Safety Program, \$1,857, 24%*
 - Student transit pass program \$15 million
 - Innovative grants: successful youth transit pass programs receive priority
 - *Specialized Transit For Seniors and Persons with Disabilities, \$774M, 10%*
 - *Bus Transit Efficiency and Priority, \$35M, 0.5%*
 - *BART System Modernization & Expansion, \$710M, 9.2%*
 - *Regional Rail Enhancements, \$355M, 4.6%*

Transportation Expenditure Plan (TEP)
8

Local Streets & Roads

- Local Streets & Roads = \$2.3B, 30% of funds
 - *Major Commute Corridors, Grade Separations, Seismic Safety, Freight, * \$800M, 10%*
 - *Local Streets & Roads pass-through program to cities and County, \$1,548M, 20%*

** Funds will be allocated through the Capital Improvement Program every two years, based on readiness and geographic equity. Complete streets requirement.*

** Funds will be allocated through the Capital Improvement Program every two years, based on readiness and geographic equity. Complete streets requirement.*

What the TEP Does for the City of Emeryville

- Direct allocations to the City of Emeryville

TRANSPORTATION SALES TAX ALLOCATIONS TO EMERYVILLE				
	First Year of New Measure in Fiscal Year 2013–2014			Total Funding 2013–2042
	Current	With New TEP	Increase	Current + New
Local streets and roads	\$220,000	\$420,000	88%	\$16,430,000
Paratransit for seniors and people with disabilities*	\$24,000	\$48,000	96%	\$2,020,000
Bicycle and pedestrian safety	\$30,000	\$50,000	80%	\$1,830,000

* Based upon PAPCO 2012 adopted funding formula

TEP Projects Benefiting Emeryville and North County

- I-80 Gilman interchange and Ashby interchange improvements
- Powell Street bridge widening at Christie Avenue
- Improvements on major commute and freight corridors such as San Pablo Avenue and SR-13/Ashby Avenue
- Bay Trail and East Bay Greenway bicycle and pedestrian gap closure projects
- More than double the operating funding for AC Transit to increase/restore services
- Capitol Corridor service enhancements
- Modernization of BART stations and critical BART system maintenance and expansion
- Operating and maintenance funding for ferry services (WETA)
- Freight corridor improvements on major highways
- Student transit pass program and other projects to increase students' access to transit
- AC Transit East Bay Bus Rapid Transit projects
- Investments in transit oriented development at North County BART stations

What the TEP Does for the County

- **Fix it First:** 70% of the funds are dedicated to maintaining and operating the existing system
- **Sustainable Communities and GHG Reduction**
 - *60% of funds support SCS implementation*
 - *CWTP shows GHG reductions of 24-25% per capita*
 - CWTP and TEP investments aligned in final CWTP
 - *TOD/PDAs capital investments*
 - *Major bike, pedestrian and transit funding increases*
- **Unprecedented transit investments**
 - *AC Transit funding level, BART Maintenance, Student Transit Pass Program*
- **Critical road, highway and freight investments**
- **Geographic equity in funding allocations**

Recommendation

- Recommend approval of the Alameda County \$7.7 billion 2012 Transportation Expenditure Plan
 - *TEP offers extraordinary funding opportunities where no others of the same magnitude exist*
 - *TEP is a catalyst for transitioning into new era of transportation at the beginning of the 21st Century*
 - *TEP is an anchor to attract external funds – we will likely double the investments already included in the plan*
 - *TEP is a solid, balanced, forward looking plan with extensive accountability measures*
- **2012 TEP: Jobs, Mobility, Community**

TEP Schedule

- Final TEP
 - *January 26 – Full Commission adopts plan*
- Adoption by City Councils and Board of Supervisors:
 - *Winter/Spring 2012*
- April/May Polling
- Alameda CTC adoption of Final Plan in May and request BOS to place on ballot in June 2012
- TEP on November 6, 2012 ballot
 - *Requires 2/3 vote*
