SUBJECT: Mobility Needs Assessment of Senior and Disabled Communities in Alameda County

RECOMMENDATION: Provide input on Mobility Needs Assessment of Senior and Disabled Communities

Summary

The Paratransit Advisory and Planning Committee (PAPCO) and the Paratransit Technical Advisory Committee (ParaTAC) will meet jointly on October 24, 2016 and will provide input on Alameda CTC's Needs Assessment.

Background

The Alameda County Transportation Commission (Alameda CTC) is conducting outreach to identify the mobility needs of seniors and people with disabilities in Alameda County.

Paratransit riders, seniors, people with disabilities, service providers, family members, and other stakeholders are invited to provide input on the following key questions:

- How are current programs working (for example East Bay Paratransit, taxi programs, city-based paratransit programs)?
- Are there areas not well-served by current programs?
- What transportation needs are there outside of current service hours?

- Do you or your clients have difficulty transferring between transit or paratransit services?
- Are there needs for service beyond what East Bay Paratransit, WHEELS Dial-a-Ride and/or Union City Paratransit can provide?
- Do you have difficulty obtaining information about services offered, routes and schedules, or arranging trips?
- Are there obstacles that prevent or hinder you or others from traveling to and from transit stops, such as missing or damaged sidewalks, lack of curb ramps, etc.?
- Are there other gaps in transit or paratransit service beyond the questions listed above?
- Do you have suggestions to address these needs?
