Why Measure B Funding was Needed...

- Provided initial seed money for purchasing shuttle
- Provides shuttle operational funding for “free” service
- Allowed for partnership to flourish b/w Emery-Go-Round and City of Emeryville

Current Status and Future of “8-To-Go”...

Currently:

- 2 years & 9 months of service (and counting)
- ~15 rides/day to senior centers, medical, grocery, family, banks, restaurants, etc are provided
- ~350 registered riders
- ~\$15 per trip

- Measure B “Gap Grant” funding through 6/30/2012

Future:

- Nominal rider fees?
- Volunteer operated?
- Part-time service?
- Multiple funding streams to continue full-time service?
