The Alameda County Transportation Commission is a newly-formed countywide transportation agency, resulting from a merger of the Alameda County Congestion Management Agency (ACCMA) and the Alameda County Transportation Improvement Authority (ACTIA). Our mission is to plan, fund and deliver a broad spectrum of transportation projects and programs to enhance mobility throughout Alameda County. The merger eliminates redundancies and creates efficiencies in planning, programs and project delivery and streamlines legislative, policy and funding efforts.

Transportation Planning Activities Update
Planning activities are underway to create a vibrant and livable Alameda County through a connected and integrated multi-modal transportation system that promotes sustainability, access, transit operations, public health and economic opportunities.

Bicycle Safety Education Programs
Bicycle safety education programs are being implemented throughout the County, including traffic safety skills 101, family cycling workshops, kid’s bike rodeos, and lunch time commute workshops.

Fremont Senior Mobility Programs
Expanded mobility options are available to senior residents including Senior Walking Programs and Tri-City Travel Training for Seniors.

BART Extension to Warm Springs and Irvington Station Update
Plans to expand transit connectivity in Alameda County and throughout the Bay region including the two BART projects.

Union City Intermodal Station Update
Connectivity enhancements between existing and planned transit systems and improved access to pedestrians and bicyclists are core elements of this intermodal station development.

I-680 High Occupancy Toll (HOT) Express Lanes Update
Express Toll Lanes on I-680 were opened in September 2010 from Route 84 south of Pleasanton to Route 237 in Milpitas offering a choice for travelling in the I-680 corridor.
