In November 2014, a **transportation measure** will be **on the ballot** that will:

- Keep transportation affordable and accessible for seniors and people with disabilities
- Support healthy, active and independent seniors
- Improve walking, transit and paratransit service throughout Alameda County
- Expand access to BART, buses and city paratransit service

This detailed plan includes **taxpayer safeguards**:

- ✓ Independent Audits
- ✓ Compliance Reports
- ✓ Independent Watchdog Committee Review and Annual Reports to the Public
- ✓ All funds spent locally to benefit Alameda County residents
