

Consider the Future of our Local Streets

- Reduce traffic
- Fix potholes
- Improve roads
- Increase safety

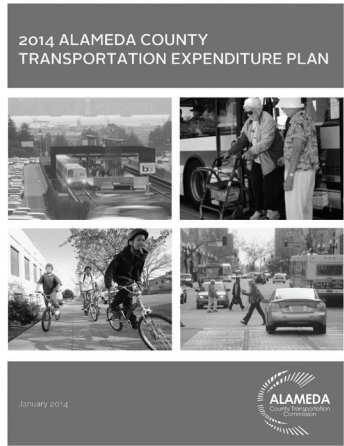

learn more 

In November 2014, a **transportation measure** will be **on the ballot** that will:

- Fill potholes, repair local streets and reduce traffic
- Upgrade freeway on- and off-ramps to manage traffic and improve safety
- Improve truck and railroad safety and efficiency
- Create good quality local jobs

The Choice Is Yours
