### 2019 Alameda County Transportation Commission Legislative Program

The legislative program herein supports Alameda CTC’s transportation vision below adapted for the 2016 Countywide Transportation Plan:

“Alameda County will be served by a premier transportation system that supports a vibrant and livable Alameda County through a connected and integrated multimodal transportation system promoting sustainability, access, transit operations, public health and economic opportunities. Our vision recognizes the need to maintain and operate our existing transportation infrastructure and services while developing new investments that are targeted, effective, financially sound and supported by appropriate land uses. Mobility in Alameda County will be guided by transparent decision-making and measurable performance indicators. Our transportation system will be: Multimodal; Accessible, Affordable and Equitable for people of all ages, incomes, abilities and geographies; Integrated with land use patterns and local decision-making; Connected across the county, within and across the network of streets, highways and transit, bicycle and pedestrian routes; Reliable and Efficient; Cost Effective; Well Maintained; Safe; Supportive of a Healthy and Clean Environment.”

<tbody>
<tr>
<td>Increase transportation funding</td>
<td><strong>Transportation Funding</strong></td>
<td></td>
</tr>
</tbody>
</table>
- Oppose efforts to repeal transportation revenues streams enacted through SB 1.
- Support efforts that protect against transportation funding diversions.
- Support efforts to lower the two-thirds voter threshold for voter-approved transportation measures.
- Support the implementation of more stable and equitable long-term funding sources for transportation.
- Ensure fair share of sales tax allocations from new laws and regulations
- Seek, acquire, accept and implement grants to advance project and program delivery.

| Protect and enhance voter-approved funding | 
- Support legislation and increased funding from new and/or flexible funding sources to Alameda County for operating, maintaining, restoring, and improving transportation infrastructure and operations.
- Support increases in federal, state, and regional funding to expedite delivery of Alameda CTC projects and programs, including funding to expand the Affordable Student Transit Pass program.
- Support efforts that give priority funding to voter-approved measures and oppose those that negatively affect the ability to implement voter-approved measures.
- Support efforts that streamline financing and delivery of transportation projects and programs.
- Support rewarding Self-Help Counties and states that provide significant transportation funding into transportation systems.
- Support statewide principles for federal surface transportation reauthorization and/or infrastructure bills that expand funding and delivery opportunities for Alameda County

| Advance innovative project delivery | **Project Delivery and Operations** | 
- Support environmental streamlining and expedited project delivery, including contracting flexibility and innovative project delivery methods.
- Support high-occupancy vehicle (HOV)/express lane expansion in Alameda County and the Bay Area, and efforts that promote effective implementation.
- Support efforts to allow local agencies to advertise, award, and administer state highway system contracts largely funded by local agencies.

| Ensure cost-effective project delivery | 
- Support efforts that reduce project and program implementation costs.
- Support funding and policies to implement transportation projects that create jobs and economic growth, including for apprenticeships and workforce training programs.

| Protect the efficiency of managed lanes | 
- Support HOV/managed lane policies that protect toll operators’ management of lane operations and performance, toll rate setting and toll revenue reinvestments, deployment of new technologies and improved enforcement.
- Support legislation that clarifies and enables effective toll processing, resolution of unpaid tolls, and interoperability.
- Oppose legislation that degrades HOV lanes that could lead to congestion and decreased efficiency.

| Reduce barriers to the implementation of transportation and land use investments | 
- Support legislation that increases flexibility and reduces barriers for infrastructure improvements that link transportation, housing, and jobs.

</thead>
</table>
| Multimodal Transportation, Land Use and Safety | Expand multimodal systems, shared mobility and safety | - Support policies that provide increased flexibility for transportation service delivery through programs that address the needs of commuters, youth, seniors, people with disabilities and low-incomes, and do not create unfunded mandates.  
- Support policies that enable shared mobility innovations while protecting the public interest, including allowing shared data (such as data from transportation network companies and app based carpooling companies) that could be used for transportation and land use planning and operational purposes.  
- Support investments in active transportation, including for improved safety and Vision Zero strategies.  
- Support investments in transportation for transit-dependent communities that provide enhanced access to goods, services, jobs, and education.  
- Support parity in pre-tax fringe benefits for public transit, carpooling, and vanpooling and other modes with parking.  
- Support legislation to modernize the Congestion Management Program, supporting the linkage between transportation, housing, and multi-modal performance monitoring. |
| Climate Change and Technology                  | Support climate change legislation and technologies to reduce greenhouse gas (GHG) emissions | - Support funding for infrastructure, operations, and programs to relieve congestion, improve air quality, reduce emissions, expand resiliency and support economic development, including transitioning to zero emissions transit fleets.  
- Support supporting Self-Help Counties with cap-and-trade funds for projects and programs that are partially locally funded and reduce GHG emissions.  
- Support emerging technologies such as alternative fuels and fueling technology to reduce GHG emissions.  
- Support legislation and policies to facilitate deployment of connected and autonomous vehicles in Alameda County, including data sharing that will enable long-term planning.  
- Support the expansion of zero emissions vehicle charging stations.  
- Support efforts that ensure Alameda County jurisdictions are eligible for state funding related to the definition of disadvantaged communities used in state screening tools. |
| Goods Movement                                 | Expand goods movement funding and policy development | - Support a multimodal goods movement system and efforts that enhance the economy, local communities, and the environment.  
- Support goods movement policies that enhance Bay Area goods movement planning, funding, delivery, and advocacy.  
- Support legislation and efforts that improve the efficiency and connectivity of the goods movement system, including passenger rail connectivity.  
- Ensure that Alameda County goods movement needs are included in and prioritized in regional, state and federal goods movement planning and funding processes.  
- Support rewarding Self-Help Counties that directly fund goods movement infrastructure and programs.  
- Leverage local funds to the maximum extent possible to implement goods movement investments in Alameda County through grants and partnerships. |
| Partnerships                                    | Expand partnerships at the local, regional, state and federal levels | - Support efforts that encourage regional and mega-regional cooperation and coordination to develop, promote, and fund solutions to regional transportation problems and support governmental efficiencies and cost savings.  
- Partner with community and national organizations and other partners to increase transportation funding for Alameda CTC’s multiple projects and programs and to support local jobs.  
- Support efforts to maintain and expand local-, women-, minority- and small-business participation in competing for contracts. |
