Project Information Meeting

Freight ITS Projects

Wednesday, April 10, 2019, 1-3 p.m.

Alameda CTC Offices

1111 Broadway, Suite 800

Oakland, CA 94607

The Alameda County Transportation Commission (Alameda CTC), in partnership with the City of Oakland and the Port of Oakland, proposes to implement the Global Opportunities at the Port of Oakland (GoPort) Program, a package of landside transportation improvements within and near the Port of Oakland.

The Freight Intelligent Transportation System (FITS) projects, the first set of GoPort Program projects are demonstration information technology projects to be implemented along West Grand Avenue, Maritime Street, 7th Street, Middle Harbor Road, Adeline Street and Embarcadero West, that are intended to improve truck traffic flows, increase the efficiency of goods movement operations, and enhance the safety and incident response capabilities throughout the seaport.

MEETING AGENDA

Prime consultants and sub-consultants will have the opportunity to **network** with each other, learn about **special contract requirements**, review specialized **scopes of work** and learn about **bid items** in upcoming advertisement.
