July 9, 2019

Harbor Facilities Center, 1st Floor  
651 Maritime Street  
Oakland, California 94607

## AGENDA

- I. Introductions
- II. Project Overview
- III. Security and Access
- IV. Specifications and Plans
- V. DBE Goal and Requirements
- VI. Prevailing Wage
- VII. Bonds/Insurance
- VIII. Environmental Requirements
- IX. Other Entities
- X. Key Dates
- XI. Question & Answer Session

## II. Project Overview

The project overview section features a collection of logos and images. On the left, there is a grid of logos: a California State Bar logo (SB1), four 'OVERSIGHT' logos for CTC, FEMA, FHWA, and Caltrans, and a 'Measure BB' logo. Below these is the Alameda County logo. In the center, there are two types of security cameras: a white dome camera and a black bullet camera. On the right, there is a photograph of a camera mounted on a metal structure overlooking a set of railroad tracks. Below the camera images is a photograph of a highway interchange with a large electronic sign displaying the message: 'CRASH ON I-880 WB LEFT 2 LANES BLOCKED EXPECT DELAYS'. At the bottom of the slide, the text 'GoPort: Freight Intelligent Transportation System' is displayed next to the number '3'.

## III. Security and Access

- Federal regulations that protect information that is considered sensitive to national security apply to projects at the Port of Oakland
- Transportation Worker Identification Credential (TWIC) (ref. Section 01561 of General Conditions)
