TO: Alameda County Transportation Commission

FROM: Liz Rutman, Director of Express Lanes Implementation and Operations

SUBJECT: Introduction of the Alameda CTC Express Lanes Toll Enforcement Ordinance

Recommendation

It is recommended that the Commission waive the reading and introduce an ordinance repealing the existing I-580 Express Lanes Toll Enforcement Ordinance and replacing it with an ordinance for the administration of tolls and enforcement of toll violations for Alameda County Transportation Commission (Alameda CTC) Express Lanes and incorporation of Article 4, Chapter 1, Division 17 of the Vehicle Code by reference.

Summary

Alameda CTC is authorized pursuant to California Streets and Highways Code section 149.5 to conduct, administer, and operate a value pricing high-occupancy vehicle program (also known as express lanes) on one transportation corridor in Alameda County. Alameda CTC's Express Lanes Program includes Express Lanes implemented on Interstate 580 (I-580) in Alameda County.

In July 2015, Alameda CTC adopted the I-580 Express Lanes Toll Enforcement Ordinance pursuant to, and consistent with, Vehicle Code Section 40250, to establish usage requirements for the I-580 Express Lanes and to establish civil penalties for the evasion of those tolls or noncompliance with other policies set forth in the ordinance.

The Ordinance for the Administration of Tolls and Enforcement of Toll Violations for Alameda CTC Express Lanes and Incorporation of Article 4, Chapter 1, Division 17 of the Vehicle Code by Reference, also to be known as the Alameda CTC Express Lanes Toll Ordinance, is proposed to replace the I-580 Express Lanes Toll Enforcement Ordinance in order to update certain user rules and other policies set forth in that ordinance.

As the ordinance is incorporating the relevant provisions of the Vehicle Code by reference, the ordinance must be introduced, noticed, and adopted pursuant to specific procedures under state law. Introduction and adoption of the ordinance must take place

at two separate meetings. A public hearing will be held at the second meeting. Prior to the second meeting, a notice of public hearing will be published along with a summary of the toll ordinance. The Public Hearing is expected to be held at the Commission meeting currently scheduled for September 14, 2020. The ordinance would be put forth for adoption subsequent to the public hearing.

Background

Supported by state law, Alameda CTC's currently adopted toll policies and business rules require that all motorists traveling in Alameda CTC's Express Lanes facilities are required to be in a vehicle with either (1) a properly-mounted and properly-functioning valid transponder on board, or (2) valid vehicle license plates properly attached pursuant to Vehicle Code Section 4850.5 or 5200, and, in either case, being associated with a valid FasTrak® account having a balance sufficient to pay the toll. Every motorist traveling in the facilities during its hours of operation is required to pay the applicable toll using a FasTrak® account. For the purposes of this ordinance, FasTrak accounts are those established with the Bay Area Toll Authority (BATA) or any other members of the California Toll Operator's Commission to administer the payment of tolls, including accounts established to administer the payment of tolls without the use of a transponder that are also known as License Plate Accounts.

All motorists seeking toll discounts, including toll-free use of the express lanes, are required to self-declare eligibility for these discounts by using an appropriate FasTrak transponder, properly mounted and linked to a valid FasTrak account. For qualifying high occupancy vehicles (HOVs) and motorcycles, this is a FasTrak Flex® transponder, also known as "switchable", which allows motorists to declare the occupancy of the vehicle as "1", "2", or "3+". For qualifying clean air vehicles (CAVs), this is a FasTrak transponder marked for use by CAVs; occupancy for these users must also be self-declared via a switchable transponder so that the maximum toll discount for which the vehicle is eligible may be applied.

Motorists traveling in Alameda CTC's express lanes with either a valid FasTrak transponder or a license plate linked to a valid FasTrak account will be charged the applicable toll via the associated FasTrak account. All other motorists are deemed violators.

Toll policy changes adopted in June 2020 necessitate amending the I-580 Express Lanes Toll Enforcement Ordinance for consistency. Attachment A is a toll enforcement ordinance, prepared by legal counsel and Alameda CTC staff, which conforms to the legal requirements. Key differences include the following.

Item	I-580 Express Lanes Toll Enforcement Ordinance (July 2015)	Alameda CTC Express Lanes Toll Enforcement Ordinance
User Requirement	All users must carry a valid FasTrak transponder associated with a valid FasTrak account	All users must have either a valid FasTrak transponder or a license plate associated with a valid FasTrak account; license plate accounts are acceptable

HOV3+	Not addressed	Provides for HOV2 discounts for motorists traveling in an HOV3+ facility; simplifies future amendments as may be needed should the occupancy policy change
CAV	Not addressed	Specifies user requirement to carry a special CAV transponder to receive discount
Noticing Process	Outlined in detail	Incorporates by reference the statutory requirements and administrative procedures provided in Article 4, Chapter 1 of Division 17 of the Vehicle Code and the procedures adopted by BATA

In addition, provisions have been made within this ordinance to simplify future amendments, such as modifications or expansion of the Alameda CTC Express Lanes toll system. In addition, staff was requested to clarify that first-time violators can get a violation penalty waived if they sign up for FasTrak, which the Commission has authorized under the Executive Director's authority and as is in practice with BATA violation notices.

Staff recommends that the Commission waive reading and introduce the ordinance and approve noticing of a public hearing for the ordinance. The ordinance would be put forth for adoption subsequent to the public hearing.

Fiscal Impact: There is no fiscal impact associated with this action.

While traveling in Alameda CTC’s Express Lanes facilities, motorists are required to be in a vehicle with either (1) a properly-mounted and properly-functioning valid transponder on board, or (2) valid vehicle license plates properly attached pursuant to Vehicle Code Section 4850.5 or 5200, and, in either case, being associated with a valid FasTrak® account having a balance sufficient to pay the toll. Every motorist traveling in the facilities during its hours of operation is required to pay the applicable toll using a FasTrak® account. Vehicle Code Section 23302.5 provides that it is unlawful for a person to evade or attempt to evade the payment of tolls or other charges on any vehicular crossing or toll highway, and further provides that such acts are subject to civil penalties. Vehicle Code Division 17, Chapter 1, Article 4, commencing with Section 40250, provides for enforcement of civil penalties for violation of Vehicle Code Section 23302.5 and any ordinance enacted by local authorities, including joint powers authorities, pursuant to civil administrative procedures set forth in Article 4. This Ordinance establishes the usage requirements for the Alameda CTC Express Lanes, as well as administrative procedures and penalties, enacted pursuant to Article 4, to ensure that motorists who evade the payment of tolls are subject to civil penalties, while also ensuring fairness in the treatment of violators.
