INTRODUCTION

The Alameda County Transportation Commission (Alameda CTC) is a joint powers agency which plans, funds and delivers a broad spectrum of transportation projects and programs to enhance mobility throughout Alameda County, as the successor to three previous agencies: Alameda County Transportation Authority (ACTA), Alameda County Transportation Improvement Authority (ACTIA) and Alameda County Congestion Management Agency (ACCMA).

ACTA was created by the approval of Measure B by Alameda County voters in November 1986. Measure B authorized the imposition of a half-cent sales and use tax in the County for a period of 15 years, the proceeds of which were principally reserved for highway improvements, local transportation improvements, and transit funding in the County.

In November 2000, prior to the expiration of the first Measure B, the Alameda County Board of Supervisors placed a new Measure B on the ballot and Alameda County voters approved the measure with 81.5% support. The 2000 Measure B authorized the extension of the collection and expenditure of a half-cent sales tax for a period of 20 years, in order to address major transportation needs and congestion in Alameda County. ACTIA was instituted to administer the new Measure B funds, as detailed in the 2000 Transportation Expenditure Plan, including contract oversight, policy direction, financing, investment management, and coordinating projects with regional transit and transportation agencies and other Project Sponsors.

Although ACTA stopped collecting sales taxes in 2002, the agency continued its function to complete certain unfinished projects. On June 24, 2010, the ACTA Board adopted a resolution to transfer all of ACTA's assets, responsibilities, functions and liabilities to ACTIA, effective on July 1, 2010, and to terminate ACTA following the completion of the transfer process.

ACCMA was created in 1991 by a joint powers agreement between Alameda County and all its incorporated cities. ACCMA's goals, duties and composition enabled the local government to better address the complex problem of traffic congestion. ACCMA was responsible for planning, programming, and coordinating Federal, State, and Regional funds for transportation projects within Alameda County.

One such planning effort by the ACCMA evolved into a capital project, the Sunol Smart Carpool Lane Project. The Sunol Smart Carpool Lane Joint Powers Authority (Sunol JPA) was created in February 2006, pursuant to a Joint Exercise of Powers Agreement between ACCMA, ACTIA and the Santa Clara Valley Transportation Authority. The Sunol JPA was formed to plan, design and construct, and then administer the operation of a value pricing HOV program on the Sunol Grade segment of Interstate 680 in Alameda and Santa Clara Counties. The Sunol JPA began project operations when the I-680 Southbound Express Lane was opened to traffic on September 20, 2010. The Sunol JPA will also operate the I-680 Northbound Express Lane when the facility is opened to the general public in the near future. Alameda CTC serves as the Managing Agency for the Sunol JPA.

In early 2010, ACTIA, ACCMA, the County of Alameda, the fourteen incorporated cities within Alameda County, the Bay Area Rapid Transit District (BART), and the Alameda-Contra Costa Transit District each took actions required to create a new joint powers agency known as Alameda CTC, which combined the roles of ACCMA and ACTIA.

On June 24, 2010, the Boards of ACTIA and ACCMA gave the final approval required to create Alameda CTC. After a transition period required to accomplish certain administrative matters, at the close of business on February 29, 2012, ACTIA and ACCMA were both terminated, and Alameda CTC was designated as the successor to both agencies. Alameda CTC is responsible for all of the

functions and responsibilities previously held by ACTA, ACTIA and ACCMA along with certain additional powers as described in the joint powers agreement establishing Alameda CTC. Combining forces as Alameda CTC allowed ACTIA and ACCMA to eliminate redundancies and create efficiencies in planning, programs and project delivery and streamlined legislative, policy and funding efforts.

On November 2, 2010, Alameda County voters approved Measure F, authorizing ACCMA to administer the proceeds from a Vehicle Registration Fee (“VRF”), starting with registrations effective July 2011 with collection beginning in May 2011.

On January 23, 2014, Alameda CTC approved the 2014 Transportation Expenditure Plan. The 30-year Expenditure Plan expands BART, bus and rail services within Alameda County, keep transit fares affordable for youth, seniors, and people with disabilities, provide traffic relief on city streets and highways using new technology, improve air quality, and create good quality, local jobs. On November 4, 2014, Alameda County voters approved Measure BB (supported by the 2014 Transportation Expenditure Plan), which augments and extends the existing transportation sales tax (Measure B) and provides nearly \$8 billion to fund implementation of the 30-year Expenditure Plan. Alameda CTC is responsible for administering the 2014 Transportation Expenditure Plan, including contract oversight, policy direction, financing, investment management, and coordinating projects with regional transit and transportation agencies and other project sponsors.

SECTION I

1. GENERAL CONDITIONS

Governing Law

This RFP summarizes the applicable laws and governance; when in conflict, applicable State/Federal requirements shall apply. The contract and legal relations between the parties hereto shall be governed and construed in accordance with the laws of the State of California.

Examination of Proposal Documents

By submitting a proposal, the proposer represents that it has thoroughly examined and become familiar with the work required under this RFP, and that it is capable of performing the work identified in [Appendix A](#) (Required Scope of Work, Deliverables, and Staffing).

Rights of Alameda CTC

This RFP does not commit Alameda CTC to enter into a contract, nor does it obligate Alameda CTC to pay for any costs incurred in preparation and submission of the proposal in anticipation of a contract. Alameda CTC also reserves the right to transfer certain services covered by this RFP in-house, to be performed by staff.

Alameda CTC may investigate the qualifications of any proposer, require confirmation of information furnished by the proposer, and/or require additional evidence or qualifications to perform the work described in this RFP from any proposer.

Further, Alameda CTC reserves the right to do each of the following, in any manner necessary to serve the best interests of Alameda CTC and the citizens of Alameda County:

1. Reject any or all proposal submittals.
2. Cancel this RFP in whole or in part.
3. Issue one or more subsequent Requests for Qualifications and/or RFPs.
4. Postpone opening of proposals for its own convenience.
5. Remedy technical errors in the RFP process.
6. Negotiate with any, all, or none of the proposers responding to this RFP.
7. Waive informalities and irregularities in any proposal.
8. Request additional information from proposer.
9. Issue Addenda to this RFP.

Work Scope Modifications

Alameda CTC reserves the right to request changes to staff and/or scope of work proposed in any of the proposals and to enter negotiations with any of the proposers regarding their submittal.

Pre-Award/Post-Award Audit

Alameda CTC reserves the right to perform pre-award and/or post-award audits.

The proposer shall be aware that if a pre-award audit is to be performed, full cooperation with the auditors is expected. The pre-award audit recommendations shall be incorporated into the contract.

If Alameda CTC permits the contract to be awarded based on a post-award audit requirement, the proposer shall agree to the following contract language below:

Consultant acknowledges that this Agreement and the cost proposal are subject to a post award audit. Based on any post award audit recommendations, the cost proposal and/or the total compensation figure shall be adjusted to conform to the audit recommendations. Consultant acknowledges and agrees that individual cost items identified in the audit report may be incorporated into this Agreement. Refusal by Consultant to incorporate interim audit or post award recommendations will be considered a breach of the Agreement and cause for termination of the Agreement.

Conflict of Interest

By submitting a proposal, proposer represents and warrants that, for the term of the resulting contract, no member, officer or employee of Alameda CTC, or of a public body within Alameda County or member or delegate to the Congress of the United States, during their tenure or for one year thereafter, shall have any direct interest in any such contract or any direct or material benefit arising therefrom, as defined in California Government Code Sections 1090 *et seq.* and 87100 *et seq.* Prohibited interests include interests of immediate family members, domestic partners, and their respective employers or prospective employers.

The proposer further warrants and represents that it presently has no interest and agrees that it will not acquire any interest that would present a conflict of interest under California Government Code Sections 1090 *et seq.* or 87100 *et seq.* during the performance of services under any contract resulting from this RFP and that it will not knowingly employ any person having such an interest. Violation of this provision may result in the contract being deemed void and unenforceable.

Proposers must provide a list of any potential conflicts of interest in working for Alameda CTC. This must include, but is not limited to, a list of your firm's clients who are cities in Alameda County, the County of Alameda, and/or transit or transportation agencies that operate and/or have projects in Alameda County, and a brief description of work for these clients. Identify any other clients that would pose a potential conflict of interest as well as a brief description of work you provide to these clients. This list must include all potential conflicts of interest within the year prior to the release of this RFP as well as current and future commitments to other projects.

On the contract resulting from this RFP, consultant key team members may be required to submit a California Fair Political Practices Commission (FPPC) Form 700: Statement of Economic Interests documenting potential financial conflicts of interest. For additional information, proposers should refer to the FPPC website at www.fppc.ca.gov/Form700.html.

After award, the successful proposer shall take all reasonable measures to preclude the existence or development of an organizational conflict of interest in connection with work performed under the agreement resulting from this and other Alameda CTC solicitations. An organizational conflict of interest occurs when, due to other activities, relationships, or contracts, a firm or person is unable, or potentially unable, to render impartial assistance or advice to Alameda CTC; a firm or person's objectivity in performing the contract work is or might be impaired; or a firm or person has an unfair competitive advantage in proposing for award of a contract as a result of information gained in performance of this or some other project.

Proposer shall not engage the services of any subconsultant or vendor on any work related to this RFP if the subconsultant or vendor, or any employee of the subconsultant or vendor, has an actual or apparent organizational conflict of interest related to work or services contemplated under this RFP.

If, at any time during the term of the contract resulting from this RFP, the consultant becomes aware of an organizational conflict of interest in connection with the work performed under such contract, the consultant shall immediately provide Alameda CTC with written notice of the facts and circumstances giving rise to this organizational conflict of interest. The consultant shall immediately notify Alameda CTC of any organizational conflict of interest, whether actual or apparent, in connection with any political campaign activities engaged by or involving its firm that is, or may be, related to and/or otherwise impact: Alameda CTC, its governing body, its projects and programs and/or its delivery of such project and programs. The consultant's written notice will also propose alternatives for addressing or eliminating the organizational conflict of interest.

Levine Act – Government Code Section 84308

As part of the Fair Political Practices Act that applies to elected officials who serve on appointed bodies such as the Alameda CTC Commission, the Levine Act prohibits any Alameda CTC Commissioners or Alternates who have received more than \$250 within the previous twelve (12) months from a contributor from participating in or influencing the decision on awarding a contract with Alameda CTC. The Levine Act also requires a Commissioner or Alternate who has received such a contribution to disclose the contribution on the record of the proceeding. In addition, Commissioners are prohibited from soliciting or accepting a contribution from a party applying for a contract while the matter of awarding the contract is pending before Alameda CTC or for three months following the date of a final decision concerning the contract.

Applicants must disclose on the record any contribution of more than \$250 which they have made to any Alameda CTC Commissioner or Alternate within the twelve-month period preceding submission of their proposal. This duty applies to your company, any member of your team, any agents for you or other team members, and the major shareholders of any closed corporation, which are part of your team.

If you have made a contribution which needs to be disclosed, you must provide written notice of the date, amount and receipt of the contribution(s) to Alameda CTC's Executive Director. This information must be included in the Levine Act Statement ([Appendix C](#)) in the submitted proposal.

Public Records

The RFP and any material submitted by a proposer in response to this RFP are subject to public inspection under the California Public Records Act (Government Code 6250 *et seq.*) unless exempt by law. The proposals will remain confidential until any resulting contract has been awarded and executed. Each proposer should give specific attention to the identification of those portions of its proposal that it considers to be confidential, proprietary commercial information or trade secrets, and provide justification as to why such materials, upon request, should not be disclosed by Alameda CTC under the Act.

If Alameda CTC receives a request pursuant to the Public Records Act for information marked by the proposer as "Trade Secret" or "Business Secret," and the requester takes legal action seeking release of the materials it believes do not constitute trade secret information, by submitting a proposal, proposer agrees to indemnify, defend and hold harmless Alameda CTC, its officers, agents and employees, from any judgment, fines, penalties, and award of attorney's fees awarded against Alameda CTC in favor of the party requesting the information, and any and all costs connected with that defense. This obligation to indemnify survives Alameda CTC's award of the contract. Proposer agrees that this indemnification survives as long as the trade secret information is in Alameda CTC's possession, which includes a minimum retention period for such documents.

Any language purporting to render the entire proposal or the cost proposal confidential or proprietary will be regarded as ineffective and will be deemed non-responsive.

Withdrawal of Proposal Submittal

A proposer may withdraw its proposal at any time before the expiration of the time for submission of proposal submittals as provided in this RFP by delivering to the Sole Point of Contact identified in [Section II.1.D](#) (Sole Point of Contact) a written request for withdrawal signed by, or on behalf of, the proposer's binding official as identified in the [Section II.2.B](#) (Letter of Transmittal) included within the proposal.

Proposal Protest Procedure

A proposer who submits, or who plans to submit, a proposal may protest pursuant to the protest procedures applicable to this RFP in accordance with this **Section I.1.J**. Any attempted protest which fails to comply with this section shall be deemed to be an invalid protest and automatically denied.

1. Protests based on the content of the RFP shall be filed with the Sole Point of Contact within five (5) calendar days after the RFP is issued. Alameda CTC shall issue a written decision on the protest prior to opening the proposals.
2. Protests alleging a denial of due process or fundamental unfairness in the determination of the short list of most qualified firms shall be filed with the Sole Point of Contact within five (5) calendar days after such determination has been made available to the proposer.
3. Protests alleging a denial of due process or fundamental unfairness in the determination of the top-ranked firm for contract award shall be filed with the Sole Point of Contact within five (5) calendar days after such determination has been made available to the proposer.
4. Any protest shall contain a full and complete written statement specifying in detail the grounds of the protest and the facts supporting the protest.
5. If a protest is timely filed with the Sole Point of Contact, Alameda CTC staff (potentially including consultants to Alameda CTC) will promptly initiate an investigation of the grounds of the protest. All proposers shall cooperate with any inquiries from Alameda CTC's staff and consultants relating to the protest.
6. At the conclusion of its investigation, Alameda CTC staff shall prepare a written report, including a decision regarding the disposition of the protest, and provide a copy of such report to the protestor. The staff decision shall be final and conclusive unless the protestor requests a hearing pursuant to Item 7 below within five (5) calendar days after issuance of the report.
7. In the case of protests based on the content of the RFP (Item 1 above), protesters may request to appear and be heard before the Planning, Policy and Legislative Committee (PPLC) and/or the Commission prior to the opening of proposals. In the case of protests alleging a denial of due process or fundamental unfairness in the selection process (Items 2 and 3 above), protesters may request to appear and be heard before one or more of the following, as determined by the Chair of the Commission at their discretion: (i) the Chair and/or Vice-Chair of the Commission, (ii) the PPLC and/or the Commission, or (iii) a committee appointed by the Chair of the Commission. The individual or body conducting the hearing shall make a determination and take final action on the protest.

Equal Employment Opportunity

Proposer and its subconsultants shall not, on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status deny benefits to any person nor unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment in any manner prohibited by Federal, State or local laws. In the event of non-compliance, Alameda CTC may cancel, terminate or suspend the contract in whole or in part. The proposer may also be declared ineligible for further contracts with Alameda CTC.

Proposer and its subconsultants shall take affirmative action to ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination. Proposer and its subconsultants shall post in conspicuous places, available to all employees and applicants for employment, a notice setting forth the following provisions [29 USC § 623, 42 USC § 2000, 42 USC § 6102, 42 USC § 12112, 42 USC § 12132, 49 USC § 5332, 29 CFR Part 1630, 41 CFR Parts 60 *et seq.*].

Subconsultants

1. For the purposes of this RFP, “subconsultants” also refers to all firms, other than the prime consultant, proposed for performing work or incurring costs on the resulting contract; this includes all subconsultants, subcontractors and/or vendors, of any tier.
2. Nothing contained in this RFP and the resulting contract or otherwise, shall create any contractual relation between Alameda CTC and any subconsultants, and no subcontract shall relieve the proposer of their responsibilities and obligations hereunder. The proposer agrees to be as fully responsible to Alameda CTC for the acts and omissions of its subconsultants and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the proposer. The proposer’s obligation to pay its subconsultants is an independent obligation from Alameda CTC’s obligation to make payments to the proposer.
3. Any subcontract entered into as a result of this RFP shall contain all the provisions stipulated in this RFP and resulting contract to be applicable to subconsultants.
4. Proposer shall pay its subconsultants within ten (10) calendar days from receipt of each payment made to the proposer by Alameda CTC.
5. Any substitution of subconsultants must be approved in writing by the Alameda CTC Project Manager in advance of assigning work to a substitute subconsultant.

Public Contract Code

In accordance with Public Contract Code Sections 10162, 10232, 10285, and 2202-2208, the proposer shall include a Public Contract Code Statement in its Letter of Transmittal as identified in the Section II.2.B.

2. CONTRACT REQUIREMENTS

The selected proposer will be required to sign Alameda CTC’s standard form professional services contract. The Alameda CTC Sample Professional Services Contract is available on the Alameda CTC website at www.alamedactc.org/contracting-forms and is incorporated herein as if attached. Alameda

CTC reserves the right to substitute and/or modify the Alameda CTC Sample Professional Services Contract prior to contract execution with acceptance by both parties.

- **Exceptions to the Alameda CTC Sample Professional Services Contract**

As noted above, proposers shall be prepared to accept the terms and conditions of Alameda CTC's standard form contract. If a proposer desires to take exception to the terms of the standard form contract, the proposer shall provide the following information as a section of the proposal identified as Exceptions to the Alameda CTC Sample Professional Services Contract Form ([Appendix C](#)):

1. Proposer shall clearly identify each proposed change to the contract, including all relevant Exhibits and Attachments.
2. Proposer shall furnish the reasons therefore as well as specific recommendations for alternative language.

Only exceptions that are included in the submitted proposals will be considered. No additional exceptions after proposal submissions will be considered during contract negotiations. Substantial exceptions to the contract may be determined by Alameda CTC, at its sole discretion, to be unacceptable and Alameda CTC will proceed with negotiations with the next highest ranked firm. See [Section II.3.F](#) (Award).

- **Invoicing Requirements**

The selected proposer will be required to submit invoice forms as specified in Alameda CTC's standard professional services contract including any revisions.

Proposer agrees to provide the required certificates of insurance providing verification of the minimum insurance requirements listed in [Appendix E](#), within ten (10) calendar days of the execution of the contract arising from this RFP. Requests for waivers to Alameda CTC's insurance requirements should be submitted with the proposal using the form provided in [Appendix E](#). Alameda CTC will review any insurance exception requests from the selected proposer, and issue waivers at its discretion if the changes requested are determined to be acceptable. Compliance with all material insurance requirements will be assumed.

Cooperation

After contract award, the selected consultant shall carry out the instructions as received from Alameda CTC, which may include cooperation with Alameda CTC staff and members of its governing body (the Commission).

Identification of Documents

All reports and other documents completed as part of the resulting contract shall recognize the appropriate participating funds. Specific details will be provided to the successful proposer.

3. LOCAL BUSINESS CONTRACT EQUITY PROGRAM

This contract will be funded in whole or in part by Alameda CTC VRF, Measure B and/or Measure BB funds, or such funds in combination with other local funds, so consequently Alameda CTC's Local

Business Contract Equity (LBCE) Program will apply. The LBCE Program establishes goals for award of professional service contracts to firms located within Alameda County. For professional services, the LBCE Program has a Local Business Enterprise (LBE) goal of 70.0% and a Small Local Business Enterprise (SLBE) goal of 30.0%. Further details regarding this program, including requirements and forms, can be found on the Alameda CTC website at www.alamedactc.org/contract-equity, as well as lists of all currently certified LBE, SLBE, and Very Small Local Business Enterprise (VSLBE) firms. It is the responsibility of qualified firms which desire to work on contracts subject to the LBCE Program to ensure that they are appropriately certified by Alameda CTC on a timely basis. The prime contractor will be required to report LBE, SLBE, and VSLBE utilization with each invoice for payment.

All firms utilized to meet an LBE and/or SLBE goal must be certified by the time of proposal submission, and proof of certification must be submitted with the proposal. - **Table of Contents**

Provide a table of contents that includes a clear identification of the material by section and page number.

- **Proposal Content**

Proposals must contain the following sections:

1. **Understanding the Required Scope of Work.** By presentation of a well-conceived work plan, this section of the proposal shall (i) establish that the proposer understands Alameda CTC’s objectives and work requirements and (ii) describe the proposer’s ability to satisfy those objectives and requirements. Additional items included that are not specifically requested in the RFP must be clearly described as “optional tasks” in this section and should also be included as separate line items in the cost proposal.

Outline the activities that would be undertaken in completing the various tasks (including subtasks) and specify who would perform them. Include any underlying assumptions.
 - b. Provide a timetable for completing all work specified in [Appendix A](#) (Required Scope of Work, Deliverables and Staffing). Include, as a proposal appendix, a Detailed Schedule to support each task contained in the Scope of Work and to demonstrate your firm’s ability to provide services in an effective manner. The Detailed Schedule should show the expected sequence of tasks and subtasks, including durations for the

- performance of each task, subtask, milestones, submittal dates and review periods for each submittal.
- c. Demonstrate understanding of, and identify, the key risks and challenges, and discuss risk mitigation measures for the aforementioned.
 - d. List all applicable standards required for the proposed services.
2. **Expertise.** This section shall describe how your firm’s expertise will be practically applied to fulfill the Scope of Work, including areas of consideration and how your firm will implement the contract.

 - b. Describe how management of the team members and subconsultants will be handled. Discuss management of budgetary controls and avoiding exceeding resources allocated for specific tasks.

3. PROPOSAL EVALUATION/CRITERIA

- **Review for General Responsiveness**

Alameda CTC staff, in consultation with Alameda CTC legal counsel if deemed necessary, will conduct an initial review of the proposals for general responsiveness and compliance with requirements of this RFP. Proposals failing to satisfy the requirements in this RFP will not be considered.

Any proposal that does not include enough information to permit the Selection Review Panel to rate the proposals in any one of the evaluation factors listed below will be considered non-responsive. A proposal that fails to include one or more items requested in [Section II.2](#) (Proposal Content and Format), may be considered complete and generally responsive, if evaluation in every criterion is possible.

Alameda CTC reserves the right to request additional information from **responsible and responsive** proposers prior to evaluation.

- **Proposal Evaluation**

A Selection Review Panel, which may be comprised of staff from Alameda CTC and representatives from outside agencies, will evaluate responsive proposals. The Selection Review Panel will then establish a short list of the most qualified firms based on the following Proposal Criteria, and the Sole Point of Contact shall schedule interviews with the firms on the short list, if deemed necessary.

- **Proposal Criteria – 100 Points Possible**

The result of the selection process will be a recommendation that Alameda CTC award the contract to the top-ranked proposer, as determined by the Selection Review Panel. The following criteria and point system will be used to evaluate and rank the proposals:

TABLE 4: PROPOSAL CRITERIA

If the Selection Review Panel determines that interviews are not necessary, proposers will be ranked based on the Selection Review Panel’s evaluation of the technical proposals. Otherwise,

the Selection Review Panel will establish a short list of proposers based on the evaluation and ranking of the proposals, and Alameda CTC will select proposers from the short list for an interview. The final evaluation to select the top-ranked proposer will be based solely on the interview criteria below and will not include the initial evaluation or ranking based on the proposal criteria above. The principal-in-charge, project manager and key team members should plan to attend the interview.

Proposers will be evaluated based on the accuracy and completeness of their submittal and against the qualifications and other requirements listed in this RFP.

The Selection Review Panel will recommend award to the proposer with the highest average ranking based on the Selection Review Panel’s evaluation using the Proposer Interview Criteria in [Section II.3.E](#) and will not include the initial evaluation or ranking of the technical proposals. If the Selection Review Panel determines that interviews are not necessary, proposers will be ranked based on the technical proposals. The top-ranked firm may be required to submit a revised cost proposal and/or technical or other revisions to its proposal as a result of negotiations with Alameda CTC. If negotiations with the top-ranked proposer are ultimately unsuccessful, or if the proposer declines the work offered, then negotiations will proceed with the second highest ranked proposer from the proposal list, and so forth until a contract is executed.

The insurance requirements for this AGREEMENT, including for coverage limits and additional insured, are described herein. CONSULTANT and its subconsultants, vendors, and subcontractors of all tiers (excluding providers of products or services classified as direct expenses in this AGREEMENT) (collectively referenced as “subconsultants” herein) shall carry and maintain all such insurance coverage throughout the entire term of this AGREEMENT, except as may be specified elsewhere in this appendix. Requests for waivers to any of the insurance requirements set forth in this AGREEMENT with respect to the CONSULTANT or any subconsultant shall be submitted in writing to ALAMEDA CTC prior to the start of work or costs incurred by the CONSULTANT or such subconsultant. ALAMEDA CTC will review any insurance exception requests and may issue written approval of such waivers at its discretion. All policies will be issued by insurers with a current A.M. Best’s rating of A or better, with a Financial Size Category of VIII or better. The insurance requirements as to the types of limits of insurance coverage, to be maintained by CONSULTANT and its subconsultants, are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by CONSULTANT pursuant hereto, including, but not limited to, liability assumed pursuant to indemnification.

1. Commercial General Liability Insurance. CONSULTANT and each subconsultant shall carry and maintain occurrence-based Commercial General Liability Insurance and maintain aggregate limits of liability equal to or greater than the minimum coverage for such insurance shown in this appendix. Such insurance shall name ALAMEDA CTC (and, if so directed by ALAMEDA CTC, the SUNOL JPA, CALTRANS, or other permitting or responsible agencies as identified by ALAMEDA CTC), and their respective officers, employees and agents, as additional insureds. The policy shall include an endorsement providing that such insurance is primary and non-contributory with respect to any insurance or self-insurance that is carried and maintained by ALAMEDA CTC or additional insured. Such insurance shall include, but shall not be limited to, (a) protection against claims arising from bodily and personal injury (including death resulting therefrom) and damage to property arising from work under this AGREEMENT performed by CONSULTANT or subconsultant, its agents, representatives, or employees, and (b) blanket contractual liability on all written contracts, including this AGREEMENT or the subcontract, as applicable.

2. Automobile Liability Insurance. CONSULTANT and each subconsultant shall carry and maintain occurrence-based Automobile Liability Insurance with limits equal to or greater than the minimum coverage for such insurance shown in this appendix for all automobiles owned, used or maintained by the CONSULTANT or subconsultant and its officers, agents and employees, including but not limited to owned, leased, non-owned and hired automobiles (ISO form CA 0001 covering any auto, code 1). Such insurance shall name ALAMEDA CTC (and, if so directed by ALAMEDA CTC, the SUNOL JPA, CALTRANS, or other permitting or responsible agencies as identified by ALAMEDA CTC), and their respective officers, employees and agents, as additional insureds. The policy shall include an endorsement providing that such insurance is primary and non-contributory with respect to any insurance or self-insurance that is carried and maintained by ALAMEDA CTC or additional insured. Such automobile liability coverage may be, but is not required to be, provided as part of the liability insurance described above.

3. Umbrella Insurance. CONSULTANT and each subconsultant shall carry and maintain Umbrella Insurance with limits equal to or greater than the minimum coverage for such insurance shown in this appendix, providing excess limits over Employer’s Liability, Automobile Liability, Commercial General Liability, and Unmanned Aerial Vehicle (UAV) Insurance (if applicable).

4. Professional Liability Insurance. CONSULTANT and each subconsultant performing professional services under this AGREEMENT shall carry and maintain Professional Liability Insurance for errors and omissions in an amount equal to or greater than the minimum coverage shown in this appendix. If such policy is written on a “Claims-Made” (rather than an “occurrence”) basis, the insuring party shall maintain continuous coverage in effect for the term of this AGREEMENT and for at least three (3) years beyond the termination or completion of services or until expiration of any applicable statute of limitations, whichever is longer. As used in this Paragraph 4, “professional services” means design, engineering, planning, legal, information technology, and similar services requiring specialized skills, knowledge, or a professional license. Upon request, ALAMEDA CTC will advise as to whether any particular service hereunder represents professional services requiring such coverage.

5. Workers’ Compensation Insurance. CONSULTANT and each subconsultant shall carry and maintain Workers’ Compensation Insurance as required by California law, covering all work performed by CONSULTANT under the AGREEMENT, and all personnel performing services under the AGREEMENT. CONSULTANT and each subconsultant shall carry and maintain Employer’s Liability Insurance in an amount equal to or greater than the minimum coverage shown in this appendix, and any and all other coverage of its employees as may be required by applicable law. Such policy shall contain a Waiver of Subrogation endorsement in favor of ALAMEDA CTC. Such Workers’ Compensation Insurance and Employer’s Liability Insurance may be waived, if, and only for as long as, CONSULTANT or subconsultant, as applicable is a sole proprietor with no employees.

6. Unmanned Aerial Vehicle (UAV) Insurance. If CONSULTANT or any subcontractor, or anyone working on their behalf, utilizes any unmanned aircraft, aerial vehicle or drone (each a “UAV”) as part of the services performed under this AGREEMENT, CONSULTANT or the applicable subcontractor shall carry and maintain, or cause the operator of the UAV to carry and maintain, occurrence-based UAV Insurance and maintain aggregate limits of liability equal to or greater than the minimum coverage for such insurance shown in this appendix. Such insurance shall name ALAMEDA CTC (and, if so directed by ALAMEDA CTC, the SUNOL JPA, CALTRANS, or other permitting or responsible agencies as identified by ALAMEDA CTC), and their respective officers, employees and agents, as additional insureds. The policy shall include an endorsement providing that

such insurance is primary and non-contributory with respect to any insurance or self-insurance that is carried and maintained by ALAMEDA CTC or other additional insured. Such insurance shall include, but shall not be limited to, (a) protection against claims arising from bodily and personal injury (including death resulting therefrom) and damage to property arising from use of UAVs under this AGREEMENT, (b) protection against claims arising from violation of privacy injury arising from use of UAVs under this AGREEMENT, and (c) blanket contractual liability on all written contracts, including this AGREEMENT or the applicable subcontract. UAV Insurance may be provided under Commercial General Liability Insurance if such policy contains a separate endorsement for such UAV coverage. Any entity or individual who operates a UAV as part of performing services under this AGREEMENT must be properly certified and registered with the Federal Aviation Administration (“FAA”) and follow all applicable FAA rules and regulations.

7. Cyber and Privacy Insurance. If the applicable box is checked in the above table hereof, this **Paragraph 7** shall apply to this AGREEMENT. CONSULTANT and any subconsultant handling Personally Identifiable Information (as defined herein) under this AGREEMENT shall maintain cyber risk coverages including network and internet security liability coverage, privacy liability coverage, first party privacy coverage, and media coverage. Such insurance shall include coverage for liability arising from theft, dissemination, and/or use of confidential information or information that can be linked to a specific individual, including but not limited to, bank and credit card account information or personal information, such as name, address, social security numbers, protected health information or other similar information (collectively, “Personally Identifiable Information”), stored or transmitted in electronic form. If such policy is written on a claims-made (rather than an occurrence) basis, CONSULTANT and such subconsultant shall maintain continuous coverage in effect for the term of this AGREEMENT and for at least one (1) year beyond the termination or completion of services.

8. Deductible. A deductible or self-insured retention is permissible on all policies, provided that such deductible shall not exceed the amount shown in this appendix. Further, if any insurance policy includes a self-insured retention, nothing shall prevent any of the parties to this AGREEMENT from satisfying or paying the self-insured retention. If any insurance policy states that the self-insured retention must be paid by a named insured as a precondition of the insurer’s liability (or which has the effect of providing that payments of the self-insured retention by others, including additional insureds or insurers, do not serve to satisfy the self-insured retention), such provisions must be modified by special endorsement so as to not apply to the additional insured coverage required by this AGREEMENT.

9. Proof of Insurance.

(a) CONSULTANT’s Insurance. CONSULTANT shall provide insurance certificates and policy endorsements (collectively, “PROOF OF INSURANCE”) evidencing CONSULTANT’s policies described in this **Article I, Section E** to ALAMEDA CTC within ten (10) calendar days of the execution of this AGREEMENT. Neither CONSULTANT nor any of its subconsultants shall perform any work under this AGREEMENT prior to ALAMEDA CTC’s receipt of all required proof of insurance for CONSULTANT.

(b) Subconsultants’ Insurance. CONSULTANT shall provide PROOF OF INSURANCE with respect to professional liability coverage for each subconsultant required to carry such insurance under this AGREEMENT not less than ten (10) calendar days prior to any work being performed by such subconsultant. Notwithstanding the foregoing, CONSULTANT need not provide PROOF OF INSURANCE for any subconsultant(s) whose aggregate anticipated compensation under

this AGREEMENT is less than the greater of (i) fifty thousand dollars (\$50,000) or (ii) five percent (5%) of the aggregate compensation payable hereunder.

(c) PROOF OF INSURANCE Standards. All PROOF OF INSURANCE shall provide for not less than thirty (30) calendar days' prior written notice to ALAMEDA CTC of any cancellation, non-renewal or material change of coverage in the policy or policies, and shall further provide that ALAMEDA CTC will not be responsible for any premiums or assessments on any policy. At least five (5) business days prior to the expiration date of any policy of insurance carried by CONSULTANT or any subconsultant for which CONSULTANT must provide PROOF OF INSURANCE hereunder, CONSULTANT shall provide PROOF OF INSURANCE confirming that the policy has been extended or a replacement policy has been obtained. If any PROOF OF INSURANCE is not provided in a timely manner as provided in this **Paragraph 9**, ALAMEDA CTC shall withhold twenty-five percent (25%) of all payments made to CONSULTANT until such document(s) are provided to ALAMEDA CTC.

10. Maintenance of Insurance. If CONSULTANT fails to maintain all insurance required by this AGREEMENT, ALAMEDA CTC, at its option, may order the CONSULTANT to suspend work at CONSULTANT's expense until such time as CONSULTANT provides PROOF OF INSURANCE to ALAMEDA CTC confirming that all required insurance policies are in effect. If any subconsultant fails to maintain the professional liability insurance required by this AGREEMENT, ALAMEDA CTC, at its option, may order the CONSULTANT to suspend work by said subconsultant at CONSULTANT's expense until such time as CONSULTANT provides PROOF OF INSURANCE to ALAMEDA CTC as evidence that the subconsultant's professional liability insurance policy is in effect.

11. Subconsultants' Insurance Requirements. The provisions of this appendix are applicable to all subconsultants hereunder, regardless of tier and subcontract amount. Except as provided in **Paragraph 9** above, CONSULTANT is solely responsible for ensuring that each subconsultant carries and maintains insurance which meets the above specifications, or confirming that each subconsultant has been added to the CONSULTANT's applicable policy as an additional name insured if said policy allows such addition, prior to such subconsultant performing any work under this AGREEMENT, and thereafter so long as such subconsultant is performing work under this AGREEMENT. Any failure to properly monitor all subconsultants' insurance coverage will constitute negligence on the part of CONSULTANT and subject to CONSULTANT's indemnity obligations pursuant to **Article I, Section D** of the AGREEMENT.
