

City Project No. 18-04, Quarry Lakes Parkway & Decoto Road Multimodal Corridor

SUMMARY OF PROJECT COORDINATION MEETINGS (Updated 11/17/2020)

In late 2018 when Union City became project sponsor for the East West Connector project in Union City and Fremont, review of 2011 project plans, environmental technical studies, regulatory agencies permit requirements, BART and Union Pacific conditions & permit requirements and construction complexity was required to better understand the design. To better understand the current local, county and regional trails, transit and rail projects since 2009 EWC EIR required for updating and evaluating the traffic study, a series of meetings were held as noted below:

Meeting Date	Transit-Local Agencies	BPACs & Complete Streets	Agencies, Consultants, Interest Groups and Attendees	Meeting Purpose
3/26/19	X		Union City-Marilou Ayupan Fremont- Hans Larsen, Noe Veloso, Primo de Guzman Mark Thomas- Shawn O'Keefe & Sasha Dansky	QLP Kick Off Meeting with Fremont to discuss overview of East West Connector with focus on Quarry Lakes Parkway as a multimodal corridor in Union City and Fremont connecting to BART and the local and regional trails.
4/17/19	X	X	Union City-Mark Evanoff, Joan Malloy and Marilou Fremont-Noe and Primo East Bay Regional Park District - Brian Holt, Chief of Planning, Sean Dougan, Trails Development Manager MTCO – Shawn	QLP Kick Off Meeting with East Bay Regional Park District for Quarry Lakes Parkway, renamed for new gateway to Quarry Lakes Regional Park. Discussed QLP trail system with future trail connections to Garin-Dry Creek Regional Park to

				the east and Coyote Hills Regional Park to the west via Alameda Creek Trail or Fremont’s Dumbarton Bridge Trail.
5/1/19	X		Union City- Mark, Joan, Marilou and Carmela Campbell Fremont-Han Larsen and Primo AC Transit – Jim Cunradi & John Urgo ACTC-Saravana Suthanthira, James O’Brien BART – Charlie Ream Cross Bay Transit Team - Tim Cobb, HNTB & Audrey Zagazeta, Circlepoint MTCO- Shawn Kittelson-Damien Stefanakis	QLP Kick Off Meeting with Transit Agencies. General QLP overview and how the project compliments future transit & rail projects along Decoto Road and provides new access to Union City BART Station.
7/15/19		X	Union City BPAC – Jo Ann Lew (PC), Marty Ankenbauer (Bike Community), Steve Nichols (PRC), Mandeep Gill (At-Large) and Tim Swenson (At-Large) Public- Glen K., Andreas UC & MTCO	QLP Kick Off Meeting with Union City BPAC. Provided a general overview, high-level design elements and land-use connections with large corridor exhibit.
7/17/19		X	Fremont BPAC Members Bike Fremont- Flavio, Andreas Fremont Staff-Matt and Noe	QLP Kick Off Meeting with Fremont BPAC. Provided a general overview, high-level design elements and land-use connections.
8/7/19	X		Cross Bay Transit/FB- Winsome Bowen, Kristi Loui HNTB- John Litizenger & Circlepoint- Audrey Zagazeta Fremont- Noe Veloso	Cross Bay Transit Kick Off Meeting -Initial Dumbarton Transportation Corridor (Pink)

CITY OF UNION CITY

			Newark- Soren Fajeau UC – Mark & Marilou	Alignment on Decoto Road and QLP presentation to Fremont and Union City
8/22/19		X	Bike East Bay – Dave Campbell & Susie Hufstader MTCO-Shawn & UC-Marilou	QLP Kick Off Meeting with Bike East Bay at their office in Oakland. Presented similar presentation as Union City and Fremont’s BPAC meetings
9/5/19		X	Alameda CTC BPAC Members – Matt Turner, Kristi Marleau, Feliz Hill, Jeremy Johansen & Ben Schweng Bike East Bay- Dave Campbell Fremont (Hans) UC (Marilou) & MTCO (Shawn) Public – Glenn, Andreas, Mandeep, Flavio & Maria	QLP Kick Off Meeting with Alameda BPAC Meeting. Provided a general overview, high-level design and identified land-use connections using large corridor exhibit. Letters- Jo Ann Lew, Letter of Support, Bike East Bay, Support Bike Highway & waiting for Traffic Study Update and Andreas, Strong Comment for Complete Streets Designs
10/4/19	X		Union City-Mayor Carol Dutra-Vernaci, Joan, Mark and Marilou MTC-Therese McMillan, Alix Bockelman SamTrans/Caltrain- Carter Mau, April Chan Kimley-Horn – Melissa D.	Update of Station Area Projects, Future Rail Projects (Dumbarton Rail & Capitol Corridor SB Connect), including QLP and economic development opportunities (affordable housing and jobs) on privately owned properties and public owned properties (Union City, Caltrans, and BART) per 2019 CASA Compact Report

11/26/19	X		Union City-Marilou & UC Transit-Steve Adams AC Transit- Robert del Rosario, Jim Cunradi & John Urgo Kittelson & MTCO	QLP Coordination and discuss how the project benefits all Regional Transit Projects (Dumbarton Forward, DB Rail, & 14 th /Mission-Fremont) with AC Transit Staff
1/30/20	X		Cross Bay Transit/FB- Winsome Bowen, Kristi Loui HNTB- John Litizenger & Design Team Fremont-Noe Veloso Newark- Soren Fajeau UC – Mark, Joan & Marilou UC Transit-Steve	CBT Team presented initial presentation of two DB Rail alignment concepts, one within the Decoto Road Corridor in the median and connecting on west side of UC BART Station and another option with DB Rail alignment within Fremont School District property -QLP right of way.
1/25/20	X		Dan Levitt, ACE & Corrine Winters Fremont-Hans Union City-Mark and Marilou	ACE Coordination Meeting – Fremont-Union City’s request for advancing planned commuter rail station at Union City BART Station with early train service & transferring at Union City to Warm Springs BART Station to serve Tesla employees and other San Jose bound employers from San Joaquin valley. Warm Springs BART Station, West Access Bridge to Tesla opens late 2020 and Union City BART Pedestrian At-Grade Ped Crossing opens 2022.

1/28/20	X		Cross Bay Transit/FB- Kristi Loui HNTB- John Litzenger & Design Team Fremont-Hans Larson & Noe Veloso Newark- Soren Fajeau UC – Marilou	CBT Team presented refined DB Rail alignment option from Newark along Route 84, through Fremont within Fremont School District property and through Union City within QLP right of way.
3/18/20 3/27/20 (Virtual)	X		Cross Bay Transit/Dumbarton Corridor Team- Kristi Loui (FB), Bernard Z & Boris Dramov (Urban Planners) UC- Mark, Marilou and Shawn (Mark Thomas)	CBT Team presenting concepts for integrating DB Rail within QLP right of way in UC and School District property in Fremont along with adjacent land-use opportunities as part of their Build Alternative B&C. Concepts included DB Rail connection on east side of UC BART Station and a proposed DB transit station on Caltrans property at QLP/Alvarado-Niles intersection in UC.
8/24/20 (Virtual)	X	X	Fremont- Matt Bomberg, Connie Wong and Sheila Marquises Mark Thomas-Sasha and Shawn Kimley-Horn- Adam Dankberg, Jake Hemle Apex Strategies- Eileen Goodwin AC Transit-Robert del Rosario, Alameda CTC- Cathy Sullivan MTC- E. Huang Caltrans- Erik Alm, Ron Kiaaina Union City Transit-Steve Adams	Decoto Road Multimodal Corridor Kick Off Meeting from I-880 in Fremont to Mission Blvd in Union City for modifying Decoto Road with transit priority and Complete Streets designs

CITY OF UNION CITY

			UC-Marilou	
10/07/20 (Virtual)	X	X	Fremont- Matt Bomberg, Connie Wong, Sheila Marquises and Hans Larsen Mark Thomas-Sasha and Shawn Kimley-Horn- Adam Dankberg, Jake Hemle Apex Strategies- Eileen Goodwin AC Transit-Robert del Rosario, Mika Miyasato, Jim Curandi Alameda CTC- Cathy Sullivan, Aleida Andrino-Chavez MTC- Elliot Huang, Linda Lee Caltrans- Erik Alm, Ron Kiaaina. Stephen Yokoi, Zhong Xu Union City Transit-Steve Adams UC-Marilou	Decoto Road Multimodal Corridor Meeting #2- Review Concept designs of Decoto Road in Fremont and Union City including the I-880/SR-84/Decoto Interchange.
10/09/20 (Virtual)		X	Bike East Bay (Dave and Susie) UC-Marilou & Shawn	Update Bike East Bay (BEB). Presented QLP presentation with a focus on safety design for bike/peds with “protected intersections” concepts and provided BEB status of other projects.
10/20/20 (Virtual)		X	Union City BPAC (Jo Ann, Mandeep & Tim) Public (Susie, Andreas, Liz Ames, Glenn Kirby) UC -Marilou & Shawn (MTCO)	Provided Union City BPAC with same Bike East Bay QLP presentation.

11/17/20 (Virtual)		X	Union City-Joan, Mark, Carmela and Marilou Kittelson- Erin Ferguson, Brian Ray and Damien ICF- Rich Walters Alameda CTC- Tess, Vivek and James Fremont-Hans Larsen Bike East Bay- Dave Campbell Bike Fremont- Andreas and Flavio Save the Hills- Liz Ames General public- Glenn Kirby, Winsome Bowman (FB), Kristi Loui (FB), Bonnie Moss	Presented approach and methodology of the Transportation Memo for East West Connector (Quarry Lakes Parkway-Decoto Multimodal Corridor) and its connection to Traffic Report in the 2009 approved CEQA EIR. Provided opportunity to clarify responses in Nov. 19 th Commission packet and to clarify any additional questions from the general public.
-----------------------	--	---	--	--

Note: Meeting list does not include the all the 14th Street/Mission-Fremont Multimodal TAC meetings and Union City coordination meetings from Jan 2019 -present. This Alameda CTC project along Decoto Road proposes both transit and complete streets improvements and identifies Union City's East Bay Greenway alignment (2) options.
