Application Questions *top*

Section 1 - General Project Information

1. Lead/Implementing Agency
-no answer-

2. Brief Project Description
(limit 255 characters)
-no answer-

3. Expanded Project Description/Detailed Scope
Include project scope details such as location, limits, segments, lengths, quantities, days of operation, frequency, etc.
-no answer-

4. Planning Area(s)
(select all that apply)

☐ North

☐ Central

☐ East

☐ South

☐ Countywide

5. If awarded Alameda CTC funding, applicant agrees to abide by Alameda CTC's funding requirements outlined in the sample Project Funding Agreement, including Alameda CTC's Local Contract Business Equity (LBCE) Program, procurement, logo usage and reporting requirements.
See Resources tab of application for link to access the sample agreement.

☐ Yes

6. If awarded Alameda CTC funding, applicant agrees to provide a governing body resolution that accepts awarded Alameda CTC funds, confirms local support and funding contributions, and accepts Alameda CTC's funding requirements.
A resolution is not required at the time of the application, but will be requested at a later date for projects recommended for funding.

☐ Yes

7. What priority for funding does the sponsor assign to this project?
Example: If a sponsor submits a total of 3 project applications for the 2022 CIP, each project must be assigned a unique number 1-3, based on the sponsor's priority for funding: "1 of 3", "2 of 3", "3 of 3".
-no answer-

8. Project Category
Select one of the following 2022 CIP eligible project categories:

☐ Bike/Pedestrian Capital Project

☐ Bike/Pedestrian Program

☐ Transit-related Capital Project

☐ Shuttle Operations

☐ Plan/Study

Section 2 - Countywide Significance and Priority

9. If this project was awarded Alameda CTC-administered funds through a prior CIP cycle, provide the CIP ID number.
See Resources tab of application for link to access the CIP ID numbers, as identified in the 2020 CIP Update, approved May 2020.
-no answer-

10. Identify how the proposed project is listed in the 2020 Countywide Transportation Plan (CTP), by selecting one of the following:
See Resources tab of application for link to access the final 2020 CTP projects list. If project cannot be located on the list, prior to submitting an application contact Alameda CTC for assistance in determining project eligibility.

- ☐ 10-year priority project
- ☐ 10-year priority program
- ☐ 30-year project/program
- ☐ Programmatic project/program

11. What is the project's 2020 CTP ID Number?
Enter the project's ID number from the 10-year, 30-year or Programmatic project lists.
-no answer-

12. Is the Project located within or does it provide benefits to any of the following priority areas? Select all that apply.
See Resources tab for a link to access maps of these areas. The two "High Injury Networks/HINs" are from the 2019 Countywide Active Transportation Plan. The "Three Major Trails" are defined as: Iron Horse Trail, Bay Trail and East Bay Greenway

- ☐ Community of Concern (COC)
- ☐ Bicycle High Injury Network
- ☐ Pedestrian High Injury Network
- ☐ Priority Development Area (PDA)
- ☐ Transit Priority Area (TPA)
- ☐ Priority Production Area (PPA)
- ☐ Three Major Trails

Section 3 - Project Need/Benefit and Access Improvements I 2020 CTP Goal Advancement

13. Describe how the project addresses identified transportation issues and needs. Reference the local plans, studies and/or needs assessments that identify the project's priority and/or justifies its need.
Provide documentation of the project's priority in the identified local planning efforts.
-no answer-

14. Describe how the project will advance the 2020 CTP Goal: Affordable, Accessible and Equitable and identify any Communities of Concern (COCs) that benefit from project (either by directly connecting to or otherwise increasing access).
If the project benefits a COC, also explain how the project addresses the recommendations in Chapter 7 of the Community-Based Transportation Plan and other local needs of the community. See Resources tab for a link to access a COC map and the CBTP.
-no answer-

15. Describe how the project will advance the 2020 CTP Goal: Safe, Healthy and Sustainable.
Explain how the project will improve safety and mobility, increase multimodal access, reduce emissions, and address/close gaps in existing facilities or other barriers to access.
-no answer-

16. Describe how the project will advance the 2020 CTP Goal: High Quality and Modern Infrastructure.
Explain how the project upgrades existing infrastructure and whether it deploys innovative/new technologies.
-no answer-

17. Describe how the project will advance the 2020 CTP Goal: Economic Vitality. Explain how the project supports housing and/or development near transit by connecting high density housing, jobs, or mixed land use to transit and how the project will provide congestion relief through multimodal travel options.
Identify PDAs, TPAs, PPAs, central business districts, and major employment/activity centers within 1-mile of the project and describe how these areas will directly benefit from project. See Resources tab for a link to access PDA, TPA, PPA maps.
-no answer-

Section 4 - Project Readiness

18. Describe the level of demand/support from the local community, stakeholders, and any partnering agencies and for each describe the level of involvement in the project.
Provide documentation of community and partner agency support through letters of support, etc.
-no answer-

19. 2022 CIP funding is requested for which phase(s)?
Select all that apply.

☐ Environmental

☐ Design/PSE

☐ Right of Way

☐ Construction

☐ Shuttle Operations

☐ Program Operations

☐ Plan/Study

20. What is the project's current phase? Provide the percent complete and the estimated completion date.

Entries are limited to 10 characters each. When entering the current phase's % complete, include the % symbol in your response, e.g., "35%". For the current phase's estimated completion date, enter month/year (MM/YY).

	Current phase
	Current phase's % complete
	Current phase's estimated completion date (MM/YY)
0.00	**TOTAL**

21. Has a Project Study Report (PSR) or other scoping document been completed?

If yes, provide type of document and date approved.
-no answer-

22. What level of Environmental Clearance is required/expected?

Indicate the required/expected document type for CEQA and NEPA (e.g., EIR for CEQA; EIS for NEPA). Limit 10 characters.

	for CEQA
	for NEPA
0.00	**TOTAL**

23. Is the project entirely within the Sponsor's right-of-way? Describe any new right-of-way permits or easements required and the status of each.

Also identify any known utility relocations, conflicts, or other conditions within the project right-of-way that may require third party agreements or conflict resolution.
-no answer-

24. Identify any known or anticipated issues that may affect the timely delivery of the project, and how these issues will be addressed.

Examples: inter-agency or community coordination and/or conflicts, lawsuits, unsecured funding, the project's dependency upon completion of another major capital project, etc.
-no answer-

25. If a usable segment of the proposed project scope can be implemented with partial funding through project segmentation/phasing, describe how.

-no answer-

26. Describe how the project fosters a State of Good Repair, including how the project extends the useful life of an asset, replaces an asset that's beyond its useful life or reduces operations and maintenance costs.

Also, explain how the project will be operated/maintained once completed and for how long (at minimum). Confirm the responsible agency(s) for maintaining the improvement and whether new maintenance and/or operations agreements are required.

-no answer-

27. For new and/or expanded programs or shuttle services, explain the phasing or steps needed to implement the new/expanded components and the timing of each.

-no answer-

Section 5 - Leveraging/Matching Funding

28. Does the amount of matching funding identified in the application either meet or exceed the minimum match requirements?

The minimum match requirements vary by project type. For Capital projects, the minimum match requirement is applied to each phase for which funding is requested.

☐ Yes

29. For any unsecured/unprogrammed matching funding identified in the application, explain the status and timeline for securing the funding needed for a complete funding plan.

-no answer-
