DATE: November 24, 2021

TO: Alameda County Transportation Commission

FROM: Patricia Reavey, Deputy Executive Director of Finance and Administration

SUBJECT: Approve an Amendment to Agreement with the California Department of Tax and Fee Administration for State Administration of District Transactions and Use Taxes for Measure BB, an Agreement for Preparation to Administer and Operate Alameda CTC's Transaction and Use Tax Ordinance, and an Agreement for State Administration of District Transaction and Use Taxes, and adopt related resolutions

Recommendation

It is recommended that the Commission approve agreements and an amendment with the California Department of Tax and Fee Administration (CDTFA) related to the administration of Measure BB transaction and use taxes for the period from April 1, 2022 through March 31, 2045, and adopt resolutions authorizing the Executive Director to execute the amendment and these agreements as follows:

- An Amendment to the Agreement for State Administration of District Transactions and Use Taxes with the California Department of Tax and Fee Administration, originally entered into with the State Board of Equalization (BOE)
- A Resolution Authorizing the Executive Director to Execute an Amendment to the Agreement with the CDTFA for Implementation of a Local Transaction and Use Tax
- An Agreement for Preparation to Administer and Operate Alameda CTC's Transaction and Use Tax Ordinance
- An Agreement for State Administration of District Transaction and use Taxes
- A Resolution Authorizing the Executive Director to Execute Agreements with the CDTFA for Implementation of a Local Transaction and Use Tax
- A Resolution Authorizing Examination of Sales or Transaction and Use Tax Records

Summary

Following the voters' approval of Measure BB in 2014, Alameda CTC entered into an agreement with the Board of Equalization (BOE) so that the BOE could administer the

Measure BB sales tax. The original Measure BB agreement covered the BOE's administration of both the initial ½ cent sales tax to be collected through March 31, 2045, as well as the additional ½ cent augmentation to be collected from April 1, 2022 through March 31, 2045. This additional ½ cent tax will take effect immediately after the expiration of the current Measure B sales tax, so that the rate paid by Alameda County taxpayers will remain at one percent. The CDTFA, as successor to the BOE, disagreed with the BOE's interpretation and application of the Measure BB ordinance, and does not believe it is legally possible to collect the current Measure BB ½ cent sales tax and the Measure BB ½ cent augmentation starting next year in a single account. They are instead requiring that these ½ cent sales tax segments be collected in two separate accounts. Finance staff, with assistance from legal counsel, held multiple meetings and held follow-up discussions to determine the most efficient means to address CDTFA's concerns without overly complicating either agency's procedures.

To meet CDTFA's requirements while ensuring that revenues are properly tracked and accounted for under two separate accounts, Alameda CTC must first amend the original BOE agreement to remove references to the ½ cent sales tax augmentation, as well as to update the contact information to show the CDTFA rather than the BOE for all communications related to this agreement. The Commission must also adopt a resolution authorizing the Executive Director to execute this amendment, to comply with CDTFA requirements.

Alameda CTC must then enter into new agreements with the CDTFA in order to implement the collection of the additional ½ cent sales tax, including one for preparation to administer and operate the transaction and use tax ordinance and one for State administration of the transaction and use tax. The Commission also is required to adopt a resolution authorizing the Executive Director to execute these agreements.

In addition, the Commission must adopt a resolution which authorizes the examination of sales or transaction and use tax records for the additional ½ cent sales tax in order to be able to receive and review the data related to the sales tax revenues on a monthly basis as the agency currently does for current active sales tax collections for both Measure B and Measure BB.

Background

On November 4, 2014, more than 70 percent of Alameda County voters responded positively in support of Alameda CTC's Measure BB, an extension and augmentation by one-half of one percent of the existing Alameda County transaction and use tax through March 31, 2045. The tax authorized by Measure BB, both the initial ½ cent sales tax collected beginning in 2015 along with the additional ½ cent sales tax to be collected starting in April of 2022, was designed to fund the 2014 Transportation Expenditure Plan (TEP). The program authorized by the 2014 TEP and funded by Measure BB is well on its way in its efforts to increase mobility, create jobs, reduce congestion, protect the environment, restore and expand transit services, fix potholes, reduce highway

congestion, expand bicycle and pedestrian access and connect transit with housing and jobs and will continue to do so through March 31, 2045.

Fiscal Impact: Approval of the amendment and agreements with the CDTFB and adoption of the resolutions recommended in this report will allow Alameda CTC to continue to receive Measure BB transaction and use tax revenues, including the additional ½ cent sales tax to be collected under Measure BB beginning April 1, 2022.
