One Bay Area Grant Cycle 3 and 2024 Comprehensive Investment Plan Update

A presentation to the Alameda County Technical Advisory Committee
Alameda CTC Staff
February 2022

One Bay Area Grant Program

Established in 2012, the OBAG program serves as MTC's policy and programming framework for investing federal discretionary funding throughout the region to:

- Strengthen the connection between transportation investments and the goals of Plan Bay Area,
- Focus transportation investments within Priority Development Areas (PDAs)* and
- Require jurisdictions to comply with certain state and regional policies.

* *Minimum 70% of OBAG funds to PDAs*

One Bay Area Grant Program

Two prior OBAG cycles programmed to date:

- OBAG 1 (MTC Resolution 4035):
 - Alameda County: \$60M programmed
 - 88% of funds invested in PDAs
 - Sample Investments:
 - Countywide Safe Routes to School Program
 - Downtown Berkeley BART Plaza/Transit Access
 - Fremont City Center Multi-Modal Improvements
 - Oakland Lakeside Complete Streets and Road Diet

One Bay Area Grant Program

- OBAG 2 (MTC Resolution 4202):
 - Alameda County: \$76M programmed
 - Over 90% of funds invested in PDAs
 - 2021 Safe and Seamless Quick-strike Mobility Program: Additional \$12M
 - Sample Investments*

**Most projects still active or funds programmed in FYs 2021-22 & 2022-23*

One Bay Area Grant Cycle 3 (OBAG 3)

Framework adopted by MTC January 2022:

- Aligns principles and categories with regional strategies, goals, and federal programming requirements.
- Four-year cycle (FYs 2022-23 through 2025-26)
- Bay Area Fund Estimate \$750M
 - 50% Regional Program
 - 50% County Programs
- MTC will have a larger role in development of County Programs

One Bay Area Grant Cycle 3 (OBAG 3)

Key Provisions:

- Projects must be consistent with Plan Bay Area 2050
- Continued focus on PDA-supportive projects, with emphasis on:
 - Bicycle/pedestrian, Safe Routes to School, and other safety efforts, including projects on designated High injury Networks (HINs);
 - Projects within Equity Priority Areas or that otherwise benefit equity;
 - Transit access or other improvements to accelerate transit-oriented development.
- Existing policy compliance requirements maintained with updates to align with current state housing laws and various MTC regional policies.
 - New requirement for jurisdictions to complete a Local Road Safety Plan

One Bay Area Grant Cycle 3 (OBAG 3)

OBAG 3 County Program:

- Eligible applicants:
 - Local jurisdictions, transit agencies, and CTAs
- Eligible project types include:
 - Capital projects that encourage walking, biking, and transit:
 - Bike/pedestrian improvements (bike lanes, streetscape, safety)
 - Transit capital and station improvements
 - Complete streets
 - Programs - SR2S, TDM
- Minimum of 70% of funds to PDAs (Alameda County has 48)

County-level Programming Approach

OBAG 3 programming process will be coordinated with the development of the Alameda CTC's 2024 Comprehensive Investment Plan (CIP):

	FY	21-22	22-23	23-24	24-25	25-26	26-27	27-28
2022 CIP		A	A	P	P	P		
OBAG 3			P	P	P	P		
2024 CIP*				A	A	P	P	P

A - Allocated
P - Programmed

*The 2024 CIP Fund Estimate is anticipated to be over \$100M.
(OBAG, MBB, VRF and TFCA)
