Overnight Closures of Webster Tube (SR-61) For Maintenance Work August 29, 30 and 31, 2022

Alameda County — Caltrans has scheduled overnight closures of the Webster Tube (State Route 61) connecting the cities of Alameda and Oakland for maintenance work August 29, 30 and 31, 2022.

The tube will remain open in the daytime. **The closures are overnight only.**

During the closures, the tube will close at 10 p.m. and reopen at 4:30 a.m. the next morning. The purpose of the closures is for tunnel washing and maintenance work.

Detours will be in place and California Highway Patrol officers will be in place to assist motorists.

Please drive with caution. Slow for the Cone Zone and Be Work Zone Alert. Caltrans thanks motorists for their patience while we work to maintain our state's highways, bridges, and tunnels.
