FOR IMMEDIATE RELEASE

Closures of Second Street Between Gilman and Page Streets Near the I-80 Gilman Interchange Sept. 14-16 and Sept. 17-end of January 2023

BERKELEY – Caltrans will close Second Street between Gilman and Page streets in the vicinity of the Interstate 80 Gilman interchange overnight September 14-16 and then at various times from September 17 until the end of January.

The closure of these two blocks will be overnight only between the hours of 8 p.m. and 5 a.m. from September 14 to September 16.

Starting September 17, Second Street will be closed between Gilman and Page between the hours of 8 a.m. to 5 p.m. through the end of January 2023. There will be occasional nighttime and weekend closures as well. The public will be informed in advance.

Second Street will remain open to access to business only. Only the two-block area between Gilman and Page streets will be closed each time.

The purpose of the closure is to accommodate work on the I-80 Gilman Interchange Improvement Project, which will simplify and improve navigation, mobility, and traffic operations on Gilman Street between the West Frontage Road and 5th Street through the I-80 interchange.

The project will build a double roundabout that will reduce congestion, vehicle queues, and traffic, bicycle, and pedestrian conflicts

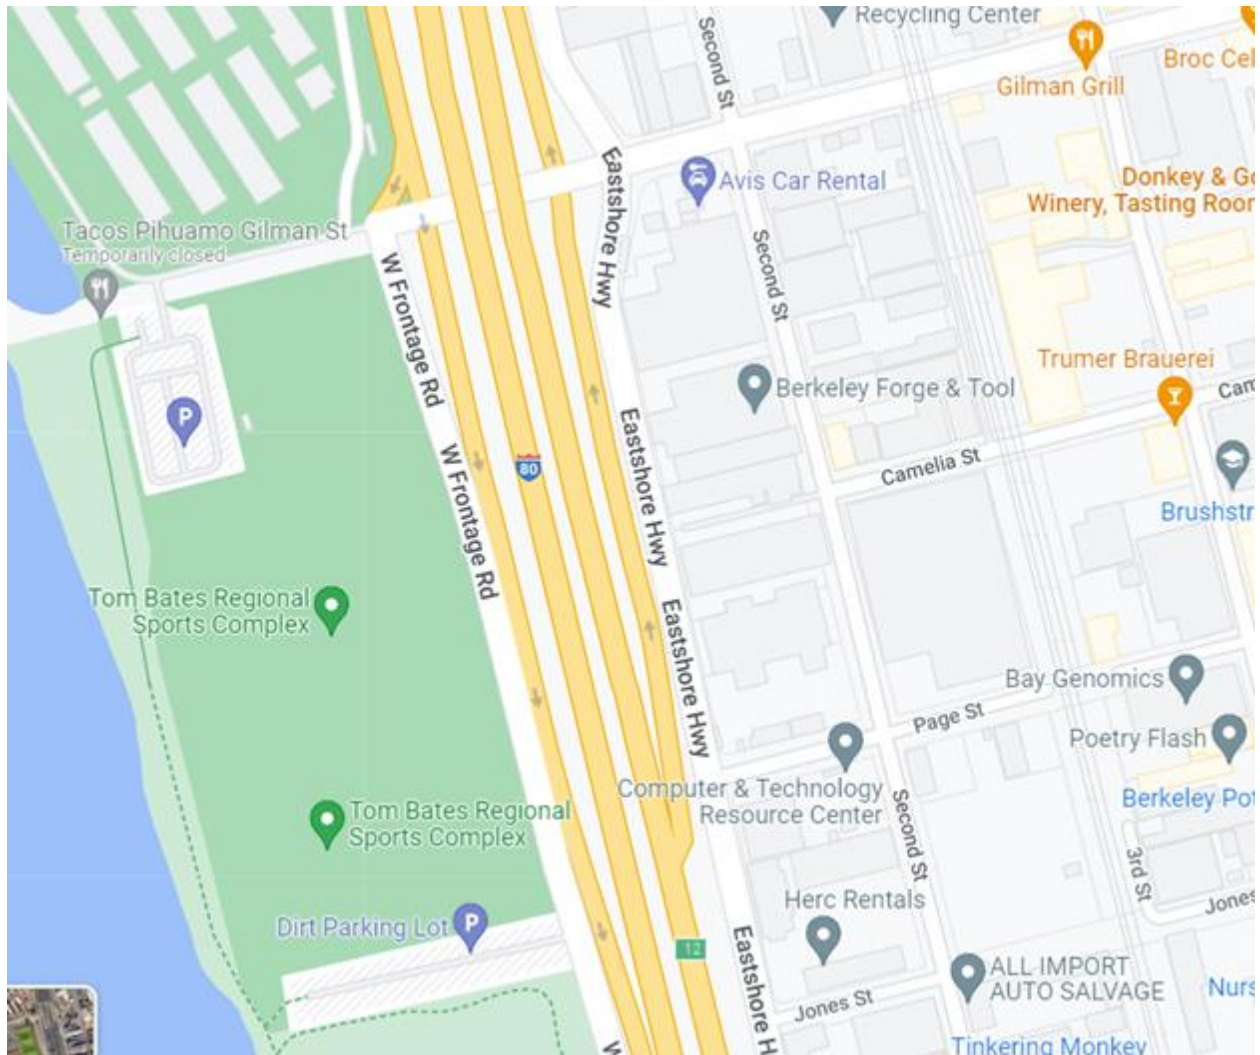

The closure will not affect Interstate 80.
