FOR IMMEDIATE RELEASE

UPDATE: Northbound I-680 Overnight Closures Between State Route 84 and Sunol Boulevard in Sunol December 12, 2022-April 2023

ALAMEDA AND CONTRA COSTA COUNTIES – Caltrans has scheduled to close northbound Interstate 680 overnight from the I-680/State Route 84 junction to the Sunol Boulevard exit starting December 12, 2022 and anticipated to complete in April 2023.

All lanes of northbound I-680 will be closed from 10 p.m. to 5 a.m. Monday through Friday. Weekend closures are not anticipated, barring unforeseen circumstances. The work is scheduled to begin Monday, December 12, barring unforeseen developments such as weather. All work is weather-dependent.

The work is part of a major improvement project that will repave I-680 and replace entire sections of the roadway to enhance safety and provide a smoother ride to motorists.

Caltrans is aware that the closures will impact the motoring public and every step is being taken to minimize inconvenience.

California Highway Patrol officers and message signs will be on hand to guide motorists. Detours for the December closures are as follows:

Detours

- Regional detours will be activated to advise motorists coming from the South Bay to take I-880/SR-238/I-580 instead of I-680.
- For closures between the Koopman Road and Sunol Boulevard interchanges: Exit I-680 at Paloma Way, take Pleasanton Sunol Road and re-enter northbound I-680 at Sunol Boulevard.

- For closures between Sunol Boulevard and Bernal Avenue: Exit I-680 at Sunol Boulevard, take Valley Avenue to Bernal Avenue and re-enter the freeway at Bernal Avenue.
- Take eastbound SR-84 to I-580.

The work is part of a major improvement project that will take place on I-680 between Koopman Road in Sunol and Acosta Boulevard in San Ramon. Caltrans will be repaving I-680 and replacing entire sections of the freeway to enhance safety and provide a smoother ride to motorists.

Caltrans will need to close freeway lanes and entire sections of the freeway to do the work. The work is scheduled to begin in December, starting in the Sunol area and working northward, and will last about a year and a half.

Additionally, in 2023, work will necessitate closing I-680 for 72 hours on the following holidays:

1. Martin Luther King holiday (mid-January 2023)
2. President's Day (mid-February 2023)
3. Memorial Day (late May 2023)
4. Labor Day – (September 2023)

Caltrans will provide additional holiday closure information as soon it becomes available. The public will be notified in advance via traffic advisories, a webpage and social media. Caltrans thanks the motoring public in advance for your patience as we work to improve I-680.
