If a matter is presented to a Standing Committee but no action is taken due to lack of quorum, the

matter may be included as a consent item before the Commission if no Committee members object to the staff recommendation.

BPAC members advise Alameda CTC and staff on the development and implementation of bicycle and pedestrian programs, including a countywide grant program. The BPAC shall have the membership composition as established by the Commission from time to time, and shall have the specific role(s) set by the Commission and Alameda CTC staff from time to time.

5.4 Independent Watchdog Committee. The CWC defined in and required by the 2000 Transportation Expenditure Plan shall continue as the IWC effective as of July 1, 2015. The IWC shall have all duties and obligations of the CWC as described in the 2000 Transportation Expenditure Plan with respect thereto, shall have all duties and obligations of the IWC with respect to the 2014 Transportation Expenditure Plan keeping within the budget adopted by the Commission, and shall have the membership required by such Expenditure Plans.

PAPCO members advise Alameda CTC on the development and implementation of paratransit programs, including a grant program. The PAPCO shall have the membership composition as established by the Commission from time to time, and shall have the specific role(s) set by the Commission and Alameda CTC staff from time to time.

5.6 Other Advisory Committees. The Commission shall establish and appoint such Advisory Committees as it deems necessary, and as may be required by the Expenditure Plans or applicable statutes.

5.7 Compensation of Advisory Committee and Independent Watchdog Committee Members. Any person appointed as a member, and participating as a voting representative at a meeting of, any Advisory Committee or the Independent Watchdog Committee or any required outreach meeting of said Committees shall have the right to be compensated at the rate of \$50 for each such meeting. Notwithstanding the foregoing, no compensation shall be payable hereunder to any representative of ACTAC.

5.8 Geographic Area Meetings. Meetings of representatives (including Commission Members, Alternates and ACTAC members) from a Geographic Area may be called on an as-needed basis by the Chair, the Executive Director, or by two or more Commission Members from a Geographic Area. Such meetings are intended to provide an opportunity to discuss matters of common interest and to advise the Commission on matters affecting the Geographic Area.

Such appointments shall include provisions for the designation of alternates and of term of the appointment where appropriate. Attendance at conferences or social gatherings does not constitute an external or outside committee or external agency for purposes of this subsection.

ARTICLE 6 PARTICIPATION IN TELECONFERENCE MEETINGS

6.1 Brown Act. Due to the COVID-19 pandemic, the Brown Act has been amended to facilitate remote and hybrid meetings using teleconference and/or video facilities, and further Brown Act amendments regarding such meetings may be adopted by the Legislature in the future. The provisions in this Article 6 are intended to guide participation by members in Commission, Standing Committee, Advisory Committee, and Independent Watchdog Committee meetings. The provisions of the Brown Act as it may be amended from time to time shall control over any contrary provision of this Article 6.

6.2 Commissioners and Committee Members' Participation Should Reflect Presence. To the extent practical, Commissioners, Alternates, and members of Advisory Committees and the Independent Watchdog Committee participating in meetings remotely should appear both by video and audio, to ensure that the Clerk (or other staff facilitating the

meeting) and members of the public watching the meeting can fully identify the participants in each meeting. This is especially important while speaking, making or seconding a motion, or casting a vote. If a Commissioner or committee member is participating through Zoom or other remote meeting platform but unable to use the camera for technical or practical reasons, the Clerk (or other staff facilitating the meeting) shall verify the participant's identity and ensure that the participant's name is displayed. If a Commissioner or committee member is participating only by phone, the Clerk (or other staff facilitating the meeting) shall verify the participant's identity when admitting the member into the meeting. All participants on video or otherwise identified by the Clerk (or other staff facilitating the meeting) shall count towards the quorum and are eligible to vote.

6.3 Making or Seconding Motions. To facilitate the taking of minutes, meeting participants should say their last name after making or seconding a motion, but the motion or second shall count and be valid even if the participant does not so identify themselves if the Clerk (or other staff facilitating the meeting) is able to discern the identity of the maker or seconder.

6.4 Casting Votes. All teleconference votes must be taken by roll call, as required by the Brown Act. If a Commissioner or committee member is participating on video by Zoom or other remote meeting platform and a participant's audio is not working, the participant may vote by a physical "thumbs up" or "thumbs down" gesture visible to the camera. Votes may not be cast by email, text message, or through the use of the remote meeting platform chat function.
