

# East Bay Greenway Multimodal Project

## Bayfair to 162nd Ave

Public Works Agency  
— Alameda County —

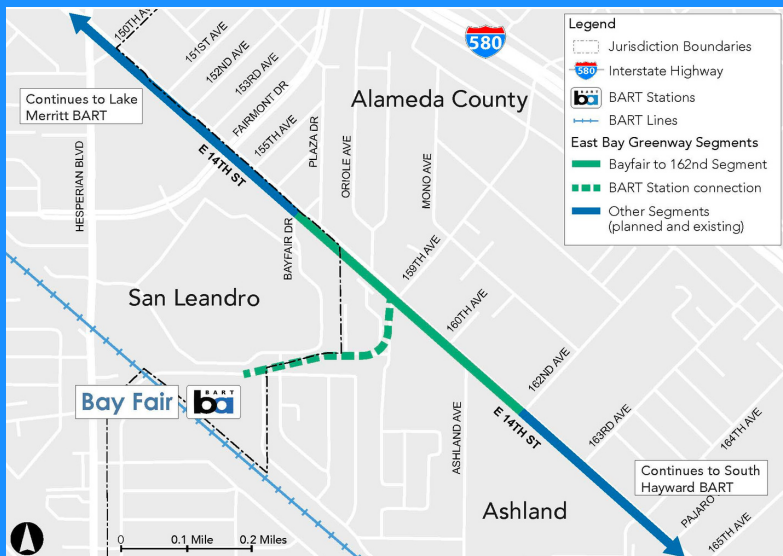

## Enhancing safety and connecting communities

### Project Need and Benefits:

- East 14th is on the Countywide **High Injury Network**.
- Provides walking and biking **connections to seven BART stations** from Lake Merritt to South Hayward.
- Improves multimodal access to **regional transit, shopping, parks, and schools**.
- Closes gap in regional bike network with **“all ages and abilities” cycling facility**.
- **Forms segment** of larger East Bay Greenway corridor.
- **Reduces** greenhouse gas emissions.

### Project Map

### Project Features

- **Protected** bike lanes and intersections.
- Curb **ramp upgrades**.
- **High-visibility** crosswalks.
- Bus **stop enhancements**.
- Rain **gardens** or **bioswales**.
- Pedestrian-scale **lighting**.
- Sidewalk **repair**.
- Opportunities for **public art, bike racks, and street furnishings**.

# East Bay Greenway Multimodal Project

## Bayfair to 162nd Ave
