| Notes                                      |                         |                       |                                                                                                |

#### **B. TIMELY USE OF FUNDS MONITORING**

**Policy:** RECIPIENT may not hold an end of fiscal year fund balance of greater than four-times their annual DLD revenue received for that same fiscal year. The Cities of Albany, Emeryville, and Piedmont are excluded from this requirement.

RECIPIENT found to be non-compliant with this requirement (over the allowable maximum balance) must return the equal amount of DLD funds that exceeds the maximum allowable end of fiscal year fund balance to Alameda CTC, as approved by the Commission.

This section provides a tool to monitor a RECIPIENT's compliance to this policy.

|             |                     | <b>Maximum Allowed</b> |             | <b>Current Balance</b> |
|-------------|---------------------|------------------------|-------------|------------------------|
|             | <b>Total Annual</b> | Balance                | Current DLD | Over / Under           |
|             | Revenue             | (4x Annual)            | Balance     | <b>Maximum Allowed</b> |
|             | (A)                 | (B) = (A) * 4          | (C)         | (D) = (C) - (B)        |
| VRF Program | \$ 50,755           | \$ 203,020             | \$ 107,204  | \$ (95,816)            |

**Exemption Requests:** RECIPIENT must demonstrate that extraordinary circumstances have occurred, and provide a timely expenditure plan that would justify the exemption.

| For Exemption consideration, answer the follow:                                              |
|----------------------------------------------------------------------------------------------|
| 1) Explain and justify why there is a excess balance beyond the maximum allowed.             |
| 2) Describe an Expenditure Plan, activities, and estimated timeframe to draw down balances.  |
| 2) Describe an experiance França destrictes, and estimated anierranic to draw down salances. |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |
|                                                                                              |

## **Local Streets and Roads Direct Local Distribution Program**

**Reporting Period - Fiscal Year 2022-23** 

## TABLE 2: DETAILED SUMMARY OF EXPENDITURES AND ACCOMPLISHMENTS

Provide a detailed summary of VRF Expenditures for the reporting fiscal year. Performance reporting/quantity complete and other fund expenditures should be consistent with reporting data sent to other agencies (regional/state/federal reporting).

- Expenditure total must correspond to your Audited Financial Statements and Table 1 values

| No | Project Category (Drop-down Menu) | Project Phase (Drop-down Menu) | Project<br>Type<br>(Drop-down Menu) | Primarily Capital or<br>Administrative<br>Expenditure? | Project Name                                 | Project Description/Benefits           | Quantity<br>Completed in<br>FY 22-23 | Units for<br>Quantity<br>(Drop-down<br>Menu) | Additional description on units or expanded detail on expenditures, performance, accomplishments |                            | High Injury Network | VRF<br>DLD Expe | enditures |
