FOR IMMEDIATE RELEASE

State Route 84 between Old Canyon Rd. and Main St. in Sunol Scheduled to Reopen with One-Way Traffic Control Thursday, Feb. 22, 2024

Alameda County – State Route 84 (SR-84) is scheduled to reopen with one-way traffic control between Old Canyon Rd. and Main Street in Sunol the afternoon of Thursday, Feb. 22.

The road was closed Monday because the ground underneath deteriorated, which caused a portion of the highway to collapse early Monday morning.

During the closure, crews accomplished a range of tasks, including repairing rock fall netting, clearing vegetation obstructing signage visibility, and installing one-way traffic control signals.

The roadway will reopen around 3 p.m. Thursday, weather and other conditions permitting. A temporary fix is in place and Caltrans is working on a permanent fix.

Temporary traffic signals will be in place to regulate one-way traffic control until repairs can be completed.
