

Dublin Boulevard – North Canyons Parkway Extension

APRIL 2024

(For illustrative purposes only.)

PROJECT OVERVIEW

The Alameda County Transportation Commission, in coordination with the cities of Dublin and Livermore, and Alameda County proposes the Dublin Boulevard -North Canyons Parkway Extension project, a 1.5-mile extension of Dublin Boulevard from Fallon Road in Dublin to North Canyons Parkway in Livermore. The extension of Dublin Boulevard from its current terminus at Fallon Road to the Doolan Road/North Canyons Parkway intersection has been planned since 1984. Dublin's General Plan, the General Plans of the County and Livermore, and Plan Bay Area 2040 all include the extension of Dublin Boulevard. It will enhance multimodal connectivity to various land uses along its route, including connectivity to five Priority Development Areas (PDAs): Dublin Downtown, Transit Center/Dublin Crossing, Town Center, Isabel Avenue/BART Station Planning Area and northeast Livermore area. Improvements on the new extended boulevard include four to six travel lanes, bike lanes and bike path, sidewalks, curb and gutter, traffic signals.

Project also include transit queue jump opportunities at signalized intersections as well as the Transit Signal Priority throughout its length.

PROJECT NEED

- Address Sustainable Communities Strategies, in particular circulation inside and outside of the five PDAs that are to be connected.
- Address lack of continuous I-580 reliever route from Dublin to Livermore along the north side of I-580.
- Address air quality/greenhouse gas emissions reducing the travel distance for local trips.

PROJECT BENEFITS

- Increase bicycle and pedestrian access and circulation
- Interconnect five Priority Development Areas (PDAs) in Dublin and Livermore
- Improve overall mobility, access, connectivity, safety, and efficiency of the multimodal transportation system for all users, including goods movement and transit
- Connects major destinations in the Tri-Valley area: Camp Parks; Iron Horse Trail; downtowns of Dublin and Livermore; Las Positas College
- Reduce single-occupancy vehicle trips by providing a transit system along the roadway extension with improved headways during peak demand periods
- Reduces trip lengths for local trips

Beginning of road extension at Dublin and Fallon intersection.

STATUS

Project Sponsor: City of Dublin

Project Implementing Agency: Alameda CTC

Current Phase: Plans, Specification and Estimate (PS&E) with 65% Design completed.

- Dublin adopted the Environmental Impact Report in compliance with the California Environmental Quality Act on August 20, 2019.
- Caltrans approved the Environmental Assessment in compliance with the National Environmental Policy Act on February 2, 2021.

PARTNERS AND STAKEHOLDERS

Alameda County Public Works Agency, Alameda CTC, Metropolitan Transportation Commission, California Department of Transportation, Federal Highway Administration and the cities of Dublin and Livermore

Note: Information on this fact sheet is subject to periodic updates.

COST ESTIMATE BY PHASE (\$ x 1,000)

Scoping	\$650
PE/Environmental	\$1,215
Final Design	\$7,788
Right-of-Way/Utility Relocation	\$46,198
Construction	\$104,042
Total Expenditures	\$159,893

Costs for Right-of-Way/Utility Relocation and Construction are subject to revision during PS&E phase.

FUNDING SOURCES (\$ x 1,000)

Measure BB	\$7,748
Federal	\$540
State	\$0
Local	\$99,910
Other	\$0
TBD	\$51,695
Total Revenues	\$159,893

SCHEDULE BY PHASE

	Begin	End
Scoping	Fall 2016	Winter 2019
Preliminary Engineering/ Environmental	Fall 2016	Early 2021
Final Design (PS&E)	Winter 2021	Early 2025
Right-of-Way ¹	Summer 2023	Summer 2025
Construction	TBD	TBD

¹Right-of-Way is led by the City of Dublin.
