

PORT OF OAKLAND

CONSTRUCTION TRAFFIC ADVISORY

June 7, 2025 - End of Summer 2025

PROJECT

The Alameda County Transportation Commission (Alameda CTC), in cooperation with the Port of Oakland, City of Oakland, California Department of Transportation (Caltrans) and Union Pacific Railroad (UPRR) is constructing the 7th Street Grade Separation East Project. This project is one of the critical elements of the GoPort program which proposes to realign and reconstruct the existing railroad underpass and multi-use path along 7th Street between west of I-880 and Maritime Street. The project will replace aging infrastructure and increase vertical and horizontal clearances for trucks to current standards and improve the shared pedestrian/bicycle pathway.

TRAFFIC ADVISORY

Starting June 7, 2025, construction will continue Monday through Friday, with additional work on Saturdays from 7:00 am to 7:00 pm. This schedule will remain in effect throughout Summer 2025. The ongoing work includes the construction of deep soil mix walls and roadway excavation. No lane closures are expected, and trucks will be restricted to approved routes only.
