Changes to Standard Form Agreement. Notwithstanding anything to the contrary in the Standard Form Agreement, the following shall apply to this AGREEMENT:

The following replaces subparagraphs (vi) through (ix) at the end of Article I, Section A, Paragraph 3(b) (Basis of Compensation) for Federal and/or State funded contracts:

(vi) In addition, CONSULTANT will be reimbursed for incurred (actual) Direct Expenses other than salary costs that are identified in Appendix B and in the executed Task Order.

(vii) Specific projects will be assigned to CONSULTANT through issuance of Task Orders.

(viii) After a project to be performed under this AGREEMENT is identified by ALAMEDA CTC, ALAMEDA CTC will prepare a draft Task Order; less the cost estimate. A draft Task Order will identify the scope of services, expected results, project deliverables, period of performance, project schedule and will designate an ALAMEDA CTC Project Manager. The draft Task Order will be delivered to CONSULTANT for review. CONSULTANT shall return the draft Task Order within ten (10) calendar days along with a Cost Estimate, including a written estimate of the number of hours and hourly rates per staff person, any anticipated reimbursable expenses, overhead, fees, if any, and total dollar amount. After agreement has been reached on the negotiable items and total cost; the finalized Task Order shall be signed by both ALAMEDA CTC and CONSULTANT.

(ix) Task Orders may be negotiated for a lump sum (Firm Fixed Price) or for specific rates of compensation, both of which must be based on the labor and other rates set forth in Appendix B.

(x) A Task Order is of no force or effect until returned to ALAMEDA CTC and signed by an authorized representative of ALAMEDA CTC. No expenditures are authorized on a project and work shall not commence until a Task Order for that project has been executed by ALAMEDA CTC.

(xi) CONSULTANT will be reimbursed within thirty (30) calendar days upon receipt by ALAMEDA CTC of itemized invoices. Invoices itemizing all costs are required for all work performed under each Task Order. Invoices shall be submitted in accordance with Article II, Section B. Invoices shall detail the work performed on each milestone, on each project as applicable. Invoices shall follow the format stipulated in Appendices B and D and shall reference this AGREEMENT number, project title and Task Order number. Credits due ALAMEDA CTC that include any equipment purchased under the provisions of Article III, Section A, Paragraph 19 (Equipment Purchase and Other Capital Expenditures) of this AGREEMENT, must be reimbursed by CONSULTANT prior to the expiration or termination of this AGREEMENT. Invoices shall be emailed to ALAMEDA CTC at the following address: AP@alamedactc.org.

(xii) If the Basis of Compensation shall be made by Specific Rate of Compensation, progress payments for each Task Order will be made monthly in arrears based on services provided and actual costs incurred. If Basis of Compensation shall be made by Lump Sum by Task, progress payments may be made monthly in arrears based on the percentage of work completed by CONSULTANT. If CONSULTANT fails to submit the required deliverable items according to the schedule set forth in Scope of Services under this AGREEMENT, ALAMEDA CTC shall have the right to delay payment or terminate this AGREEMENT in accordance with the provisions of **Article I, Section C (Termination)**.

(xiii) The period of performance for Task Orders shall be in accordance with dates specified in the Task Order. No Task Order will be written which extends beyond the expiration date of this AGREEMENT.

(xiv) The total amount payable by ALAMEDA CTC for an individual Task Order shall not exceed the amount agreed to in the Task Order, unless authorized by amendment.

(xv) If CONSULTANT fails to satisfactorily complete a deliverable according to the schedule set forth in a Task Order, no payment will be made until the deliverable has been satisfactorily completed.

(xvi) Task Orders may not be used to amend the language (or the terms) of this AGREEMENT or to exceed the scope of work under this AGREEMENT.

(xvii) The total amount payable by ALAMEDA CTC for all Task Orders resulting from this AGREEMENT shall not exceed the aggregate amount shown under Compensation on page one of this AGREEMENT. It is understood and agreed that there is no guarantee, either expressed or implied, that this dollar amount will be authorized under this AGREEMENT through Task Orders.

The following is added as a new paragraph at the end of **Article I, Section B (Notice to Proceed)** for Federal and/or State funded contracts:

2. *[FOR ON-CALL CONTRACTS ONLY; OTHERWISE DELETE:]* The period of performance for each specific project shall be in accordance with the Task Order for that project. If work on a Task Order is in progress on the expiration date of this contract, the term of the AGREEMENT shall be extended by contract amendment prior to the expiration of the contract to cover the time needed to complete the Task Order in progress only. The maximum term shall not exceed five (5) years.

The following replaces **subparagraphs (a) and (b)** at the end of **Article I, Section C, Paragraph 1 (Termination)** for Federal and/or State funded contracts:

(a) This AGREEMENT may be terminated for the convenience of ALAMEDA CTC provided that ALAMEDA CTC provides not less than thirty (30) calendar days' written notice of intent to terminate. The CONSULTANT shall be paid for authorized services performed to the date of termination, including a prorated amount of profits on such services actually performed, if applicable, but no amount shall be allowed for anticipated profit on unperformed services. In addition to payment for services performed, ALAMEDA CTC shall pay the CONSULTANT the allowable costs incurred prior to termination, and other costs reasonably incurred by the CONSULTANT to implement the termination, such as, but not limited to, similar subcontract termination costs and related closeout costs, if any.

(b) This AGREEMENT may be terminated for cause, on condition that ALAMEDA CTC shall give the CONSULTANT thirty (30) calendar days' prior written notice of its intent to terminate the AGREEMENT for any material breach on the part of CONSULTANT. If, at the end of the notice period of thirty (30) calendar days, the CONSULTANT has not commenced correction of its performance in a manner

reasonably acceptable to ALAMEDA CTC, ALAMEDA CTC may immediately thereafter exercise its right of termination.

(c) ALAMEDA CTC may temporarily suspend this AGREEMENT, at no additional cost to ALAMEDA CTC, provided that CONSULTANT is given written notice of temporary suspension. If ALAMEDA CTC gives such notice of temporary suspension, CONSULTANT shall immediately suspend its activities under this AGREEMENT. A temporary suspension may be issued concurrent with a notice of termination.

(d) Notwithstanding any provisions of this AGREEMENT, CONSULTANT shall not be relieved of liability to ALAMEDA CTC for damages sustained by ALAMEDA CTC by virtue of any breach of this AGREEMENT by CONSULTANT, and ALAMEDA CTC may withhold any payments due to CONSULTANT until such time as the exact amount of damages, if any, due ALAMEDA CTC from CONSULTANT is determined.

(e) In the event of termination, CONSULTANT shall be compensated in accordance with the terms of this AGREEMENT upon receipt of a valid and complete invoice from CONSULTANT. Upon termination, ALAMEDA CTC shall be entitled to all data, materials, information and work, including but not limited to, reports, investigations, appraisals, inventories, studies, analyses, drawings and data estimates performed to that date, whether completed or not, and in accordance with **Article III, Section A, Paragraph 7**. The maximum amount for which ALAMEDA CTC shall be liable if this AGREEMENT is terminated for cause shall be limited to that portion of the work which has been completed and accepted by ALAMEDA CTC, and for services performed to the date of termination, including a pro-rated amount of profit, if applicable, but no allowance for anticipated profit or unperformed services.

The following replaces **Paragraph 10 of Article III, Section A (General)** for Federal and/or State funded contracts:

10. Audit Review Procedures.

(a) Any dispute concerning a question of fact arising under an interim or post audit of this AGREEMENT that is not disposed of by agreement, shall be reviewed by ALAMEDA CTC's Deputy Executive Director of Finance and Administration.

(b) Not later than thirty (30) calendar days after issuance of the final audit report, CONSULTANT may request a review by ALAMEDA CTC's Deputy Executive Director of Finance and Administration of unresolved audit issues. The request for review will be submitted in writing.

(c) Neither the pendency of a dispute nor its consideration by ALAMEDA CTC will excuse CONSULTANT from full and timely performance, in accordance with the terms of this AGREEMENT.

(d) CONSULTANT and subconsultant contracts, including cost proposals and indirect cost rates ("ICRs"), may be subject to audits or reviews such as, but not limited to, a contract audit, an incurred cost audit, an ICR Audit, or a Certified Public Accountant ("CPA") ICR audit work paper review. If selected for audit or review, the contract, cost proposal and ICR and related work papers, if applicable, will be reviewed to verify compliance with 48 CFR Part 31 and other related laws and regulations. In the instances of a CPA ICR audit work paper review, it is CONSULTANT's responsibility to ensure federal, state, or local government officials are allowed full access to the CPA's work papers including making copies as necessary. The AGREEMENT, cost proposal, and ICR shall be adjusted by CONSULTANT to conform to the audit or review recommendations and approved by ALAMEDA CTC Project Manager. CONSULTANT agrees that individual terms of costs identified in the audit report shall be incorporated into the AGREEMENT by this reference if directed by ALAMEDA CTC at its sole discretion. Refusal by CONSULTANT to incorporate audit or review recommendations, or to ensure that the federal, state or local governments have access to CPA

work papers, will be considered a breach of AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.

(e) CONSULTANT's cost proposal may be subject to a CPA ICR Audit Work Paper Review and/or audit by CALTRANS' Independent Office of Audits and Investigations ("IOAI"). IOAI, at its sole discretion, may review and/or audit and approve the CPA ICR documentation. The cost proposal shall be adjusted by the CONSULTANT and approved by ALAMEDA CTC to conform to the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report. Refusal by the CONSULTANT to incorporate the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report will be considered a breach of the AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.

(i) During IOAI's review of the ICR audit work papers created by the CONSULTANT's independent CPA, IOAI will work with the CPA and/or CONSULTANT toward a resolution of issues that arise during the review. Each party agrees to use its best efforts to resolve any audit disputes in a timely manner. If IOAI identifies significant issues during the review and is unable to issue a cognizant approval letter, ALAMEDA CTC will reimburse the CONSULTANT at an accepted ICR until a Federal Acquisition Regulations ("FAR") compliant ICR {e.g., 48 CFR Part 31; GAAS (Generally Accepted Auditing Standards); CAS (Cost Accounting Standards), if applicable; in accordance with procedures and guidelines of the American Association of State Highways and Transportation Officials (AASHTO) Audit Guide; and other applicable procedures and guidelines} is received and approved by CALTRANS.

Accepted rates will be as follows:

(1) If the proposed ICR is less than one hundred fifty percent (150%) – the accepted rate reimbursed will be ninety percent (90%) of the proposed rate.

(2) If the proposed ICR is between one hundred fifty percent (150%) and two hundred percent (200%) – the accepted rate will be eighty-five percent (85%) of the proposed rate.

(3) If the proposed ICR is greater than two hundred percent (200%) – the accepted rate will be seventy-five (75%) of the proposed rate.

(ii) If IOAI is unable to issue a cognizant letter per subparagraph (e)(i) above, IOAI may require CONSULTANT to submit a revised independent CPA-audited ICR and audit report within three (3) months of the effective date of the management letter. IOAI will then have up to six (6) months to review the CONSULTANT's and/or the independent CPA's revisions.

(iii) If the CONSULTANT fails to comply with the provisions of subparagraph (e), or if IOAI is still unable to issue a cognizant approval letter after the revised independent CPA-audited ICR is submitted, overhead cost reimbursement will be limited to the accepted ICR that was established upon initial rejection of the ICR and set forth in subparagraph (e)(i) above for all rendered services. In this event, this provisional ICR will become the actual and final ICR for reimbursement purposes under this AGREEMENT.

(iv) CONSULTANT may submit to ALAMEDA CTC a final invoice only when all of the following items have occurred: (1) IOAI accepts or adjusts the original or revised independent CPA-audited ICR; (2) all work under this AGREEMENT has been completed to the satisfaction of ALAMEDA CTC; and, (3) IOAI has issued its final ICR review letter. The CONSULTANT must submit its final invoice to ALAMEDA CTC no later than sixty (60) calendar days after occurrence of the last of these items.

The accepted ICR will apply to this AGREEMENT and all other agreements executed between ALAMEDA CTC and the CONSULTANT, either as a prime or subconsultant, with the same fiscal period ICR.

The following replaces **Paragraph 21 of Article III, Section A (General)**:

21. State of California's General Prevailing Wage Rates. The State of California's General Prevailing Wage Rates are not applicable to this contract.

The following are added as new **Paragraphs 23 and 24** to the end of **Article III, Section A (General)** for Federal and/or State funded contracts:

23. Prohibition of Expending ALAMEDA CTC, Local, State or Federal Funds for Lobbying. CONSULTANT certifies to the best of his or her knowledge and belief that:

(a) No state, federal, ALAMEDA CTC or other local agency appropriated funds have been paid, or will be paid by-or-on behalf of CONSULTANT to any person for influencing or attempting to influence an officer or employee of any local, state or federal agency; a Member of the State Legislature or United States (U.S.) Congress, an officer or employee of the Legislature or Congress, or any employee of a Member of the Legislature or Congress in connection with the awarding or making of this AGREEMENT or with the extension, continuation, renewal, amendment, or modification of this AGREEMENT.

(b) If any funds other than federal appropriated funds have been paid, or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress; in connection with this AGREEMENT, the CONSULTANT shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

(c) This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Title 31, U.S. Code Section 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than Ten Thousand Dollars (\$10,000) and not more than One Hundred Thousand Dollars (\$100,000) for each such failure.

(d) The CONSULTANT also agrees by signing this document that he or she shall require that the language of this certification be included in all lower-tier subcontracts which exceed One Hundred Thousand Dollars (\$100,000), and that all such subrecipients shall certify and disclose accordingly.

24. Debarment and Suspension Certification.

(a) CONSULTANT's signature affixed herein, shall constitute a certification under penalty of perjury under the laws of the State of California, that CONSULTANT or any person associated therewith in the capacity of owner, partner, director, officer, or manager, is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency; has not been suspended, debarred, voluntarily excluded, or determined ineligible by any federal agency within the past three (3) years; does not have a proposed debarment pending; and has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past three (3) years. Any exceptions to this certification must be disclosed to ALAMEDA CTC.

(b) Any exceptions to this certification must be disclosed to ALAMEDA CTC. Exceptions will not necessarily result in denial of recommendation for award, but will be considered in

determining responsibility. Disclosures must indicate the party to whom the exceptions apply, the initiating agency, and the dates of agency action.

(c) Exceptions to the Federal Government Excluded Parties List System maintained by the General Services Administration are to be determined by the Federal Highway Administration.

(d) This Paragraph 24 is applicable to all subconsultants hereunder.

STANDARD FORM AGREEMENT

AGREEMENT RECITALS

A. The voters of Alameda County, pursuant to the provisions of the Bay Area County Traffic and Transportation Funding Act, Public Utilities Code Section 131000, *et seq.*, approved Measure B at the General Election held in November 1986, authorizing the collection of a one-half cent transaction and use tax over a fifteen (15)-year period to address major transportation needs and congestion in Alameda County and giving the Alameda County Transportation Authority (“ACTA”) the responsibility for the administration of the proceeds of the tax.

B. The voters of Alameda County, pursuant to the provisions of the Local Transportation Authority and Improvement Act, Public Utilities Code Section 180000, *et seq.*, approved the reauthorization of Measure B at the General Election held on November 7, 2000, authorizing the collection of a one-half cent transaction and use tax to be collected for twenty (20) years beginning April 1, 2002 and giving the Alameda County Transportation Improvement Authority (“ACTIA”) responsibility for the administration of the proceeds of the tax.

C. By resolutions adopted by the ACTA and ACTIA Boards on June 24, 2010, all of ACTA’s functions and responsibilities were assigned to, and accepted by, ACTIA. On that same date, by actions of the ACTIA Board and the Board of the Alameda County Congestion Management Agency (“ACCMA”), ACTIA and ACCMA took the final actions to create the ALAMEDA CTC, a joint powers authority, with all of ACTIA and ACCMA’s functions and responsibilities. Pursuant to resolutions adopted by the ACCMA and ACTIA Boards and the ALAMEDA CTC Commission, ACCMA and ACTIA were terminated as of the close of business on February 29, 2012, with ALAMEDA CTC designated as the successor entity. All of its predecessors’ functions and responsibilities have been assigned to, and accepted by, ALAMEDA CTC.

D. Pursuant to a joint powers agreement originally entered into by ACCMA, ACTIA and the Santa Clara Valley Transportation Authority and dated February 23, 2006, such entities created the Sunol Smart Carpool Lane Joint Powers Authority (“SUNOL JPA”) to own and operate express lanes on the I-680 Sunol Grade within Alameda and Santa Clara Counties. Effective as of May 31, 2024, the SUNOL JPA was terminated, and ALAMEDA CTC assumed responsibility for owning and operating the I-680 express lanes within Alameda County.

E. On November 2, 2010, voters approved the Measure F Alameda County Vehicle Registration Fee Program, which was expected to generate about \$11 million per year through a \$10 annual vehicle registration fee. The goal of the program is to sustain Alameda County’s transportation network and reduce traffic congestion and vehicle-related pollution.

F. On January 23, 2014, ALAMEDA CTC approved the 2014 Transportation Expenditure Plan. The 30-year Expenditure Plan will expand Bay Area Rapid Transit District (BART), bus, and rail services within Alameda County; keep transit fares affordable for youth, seniors, and people with disabilities; provide traffic relief on city streets and highways using new technology; improve air quality; and create good quality, local jobs. On November 4, 2014, Alameda County voters approved Measure BB (supported by the 2014 Transportation Expenditure Plan), which augmented and extended the existing transportation sales tax (Measure B) and will provide nearly \$8 billion to fund the implementation of the 30-year Expenditure Plan. ALAMEDA CTC is responsible for administering the 2014 Transportation Expenditure Plan, including contract oversight, policy direction, financing, investment management, and coordinating projects with regional transit and transportation agencies and other project sponsors, as required.

G. ALAMEDA CTC requires the services of a qualified professional to provide services necessary for the implementation of the program or project identified on the first page of this AGREEMENT.

H. CONSULTANT represents that it possesses the professional qualifications to provide such services.

I. ALAMEDA CTC wishes to engage CONSULTANT to perform those certain professional services and CONSULTANT desires to perform such professional services.

NOW, THEREFORE, IT IS MUTUALLY AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

AGREEMENT PROVISIONS

ALAMEDA CTC hereby contracts with CONSULTANT and CONSULTANT hereby accepts such contract to perform the services upon the terms and subject to the conditions and in consideration of the payments set forth in this AGREEMENT. CONSULTANT promises, covenants and agrees to diligently pursue the work to completion in accordance with the schedule and under the terms and conditions set forth herein.

It is further understood and agreed that any subcontract entered into by CONSULTANT as a result of this AGREEMENT shall contain all of the relevant provisions and conditions of this AGREEMENT.

ARTICLE I - GENERAL PROVISIONS

A. GENERAL.

1. Scope of Services. The Scope of Services to be performed by CONSULTANT is described in **Appendix A**. Except as may be specified elsewhere in the AGREEMENT, CONSULTANT shall furnish all technical and professional services including labor, material, equipment, transportation, supervision and expertise to perform all operations necessary and required to satisfactorily complete the work described in **Appendix A**.

2. Term. The term of this AGREEMENT shall begin upon its full execution and shall end on the expiration date shown on page one of this AGREEMENT, unless: (a) extended in writing by mutual agreement between the parties or (b) terminated earlier pursuant to **Article I, Section C**, below.

3. Compensation.

(a) Aggregate Amount. The aggregate total of payments for work performed under this AGREEMENT shall not exceed the amount shown on page one of this AGREEMENT, nor will CONSULTANT be obligated to perform additional services beyond the scope of this AGREEMENT or incur costs which would cause this amount to be exceeded, unless and until the AGREEMENT has been formally amended in writing. CONSULTANT acknowledges that some or all of the compensation hereunder may be paid by or on behalf of ALAMEDA CTC.

(b) Basis of Compensation. Compensation to the CONSULTANT pursuant to this AGREEMENT will be based on the method identified on page one of this AGREEMENT, as set forth in **Appendix B**, subject to the terms defined in **Article I, Section A, Paragraph 3(c)**. If compensation is based on Time and Materials, ALAMEDA CTC shall pay the CONSULTANT the amount of the Fixed Hourly Rates or Direct Expenses shown in **Appendix B**, or where rates are not shown, the applicable Salary Cost Factor shall be used. Compensation for expenses related to travel must be approved in writing, in advance, by ALAMEDA CTC.

(i) CONSULTANT will be reimbursed for hours worked at the hourly rates specified in **Appendix B**. The specified hourly rates shall include direct salary costs (including prevailing

wages, if applicable), employee benefits, overhead, and fee. The indirect cost rates (“ICRs”) established for this AGREEMENT shall be fixed through the duration of this AGREEMENT as it may be extended.

(ii) If Basis of Compensation shall be made by Lump Sum by Task as identified on the first page of this AGREEMENT, the total lump sum price paid to CONSULTANT will include compensation for all work and deliverables, including travel and equipment described in the Scope of Services under this AGREEMENT. No additional compensation will be paid to CONSULTANT, unless there is a change in the scope of the work or the scope of the project. In the instance of a change in the scope of work or scope of the project, adjustment to the total lump sum compensation will be negotiated between CONSULTANT and ALAMEDA CTC. Adjustment in the total lump sum compensation will not be effective until authorized by AGREEMENT amendment and approved by ALAMEDA CTC.

(iii) Reimbursement for travel and subsistence costs shall not exceed the rates as specified in **Appendix B**. CONSULTANT will be responsible for travel and subsistence costs in excess of allowable rates.

(iv) When milestone cost estimates are included in **Appendix B**, CONSULTANT shall obtain prior written approval for a revised milestone cost estimate from ALAMEDA CTC before exceeding such estimate.

(v) CONSULTANT shall not commence performance of work or services until this AGREEMENT has been approved by ALAMEDA CTC, and notification to proceed has been issued by ALAMEDA CTC. No payment will be made prior to approval or for any work performed prior to approval of this AGREEMENT.

(vi) CONSULTANT will also be reimbursed for Direct Expenses as defined herein.

(vii) CONSULTANT will be reimbursed within thirty (30) calendar days upon receipt by ALAMEDA CTC of complete, itemized invoices submitted under the requirements herein. Invoices itemizing all costs are required for all work performed. Invoices shall be submitted in accordance with **Article II, Section B**. Invoices shall detail the work performed on each milestone, on each project as applicable. Invoices shall follow the format stipulated in **Appendices B and D** and shall reference this AGREEMENT number and project title. Credits due ALAMEDA CTC that include any equipment purchased under the provisions of **Article III, Section A, Paragraph 19** (Equipment Purchase) of this AGREEMENT, must be reimbursed by CONSULTANT prior to the expiration or termination of this AGREEMENT. Invoices shall be emailed to ALAMEDA CTC at the following address: AP@alamedactc.org.

(viii) Progress payments will be made monthly in arrears based on services provided and actual costs incurred.

(ix) Notwithstanding anything to the contrary in this AGREEMENT, if CONSULTANT fails to satisfactorily complete a deliverable according to the schedule set forth, no payment will be made until the deliverable has been satisfactorily completed.

(c) **Definitions.** The following definitions shall govern the calculation of the CONSULTANT’s compensation hereunder:

(i) “Fixed Hourly Rates” means the hourly rates which have been negotiated for most personnel working for the CONSULTANT and its subconsultants who will perform services under this AGREEMENT. Such rates include full compensation associated with such staff, including Direct Salaries, Salary Costs, General Overhead and Salary Cost Factor. Fixed Hourly Rates are calculated by multiplying the

Direct Salaries by the Salary Cost Factor, or are established as Negotiated Billing Rates, all as set forth in **Appendix B**. Except as otherwise shown in **Appendix B**, Fixed Hourly Rates shall remain constant during the term of this AGREEMENT.

(ii) “Negotiated Billing Rates” means the Fixed Hourly Rates of compensation established by mutual agreement between the parties in lieu of calculation by Direct Salaries and Salary Cost Factors, paid to the CONSULTANT’s and subconsultant’s employees for work directly performed on this AGREEMENT, inclusive of all salary, payroll-related taxes, payments, premiums, benefits, and indirect general and administrative costs.

(iii) “Direct Salaries” means the amount of wages or salaries paid to the CONSULTANT’s and subconsultant’s employees for work directly performed in this AGREEMENT, exclusive of all payroll-related taxes, payments, premiums, and benefits, calculated on an hourly basis.

(iv) “Salary Costs” means the amount of wages or salaries paid to the CONSULTANT’s and subconsultant’s respective employees for work directly performed on this AGREEMENT, plus a percentage applied to all such wages or salaries to cover all payroll-related taxes, payments, premiums, and benefits.

(v) “General Overhead” means a percentage of Direct Salaries paid to the CONSULTANT’s and subconsultant’s respective employees on all projects necessary to cover those indirect general and administrative costs incurred by the CONSULTANT or its subconsultants during the period of performance of services. General Overhead will not change for the life of this AGREEMENT, except as otherwise provided under the Changes to Standard Form Agreement section of this AGREEMENT.

(vi) “Salary Cost Factor” means a factor applied to the Direct Salaries for CONSULTANT or an individual subconsultant to cover Salary Costs, General Overhead and profit. Salary Cost Factors for CONSULTANT and each individual subconsultant are shown in **Appendix B**. Salary Cost Factors will not change for the life of the AGREEMENT, except as otherwise modified under the Changes to Standard Form Agreement section of this AGREEMENT. The Salary Cost Factor is computed by aggregating (x) Salary Costs as a percentage of Direct Salaries and (y) General Overhead as a percentage of Direct Salaries, and multiplying this sum by the allowable profit, as follows:

$$\text{Salary Cost Factor} = (\text{Salary Costs as percentage of Direct Salaries} + \text{General Overhead as percentage of Direct Salaries}) \times (\text{Allowable Profit})$$

Therefore, as example:

$$\text{Salary Cost Factor} = (1.315 + 1.513) \times (1.05) = 2.97$$

(vii) “Direct Expenses” mean the costs incurred on or directly for this AGREEMENT, other than Salary Costs and General Overhead Costs, which are included in **Appendix B** or otherwise approved in advance by ALAMEDA CTC and are reasonably necessary for the CONSULTANT’s performance under this AGREEMENT. Such Direct Expenses shall be computed on the basis of actual purchase price for items obtained from commercial sources and on the basis of current rates for items provided by the CONSULTANT. Direct Expenses may include, but not be limited to the following costs, to the extent directly related to work on this AGREEMENT:

- (1) Identifiable postage, delivery, and other mail costs.
- (2) Any and all computer charges, services and costs specific to work on the PROJECT by the CONSULTANT or its subconsultants.

- (3) Printing, binding, plotting, and other reproduction costs.
- (4) Costs of travel and subsistence of personnel traveling in connection with this AGREEMENT, which are approved in advance by ALAMEDA CTC.
- (5) Mileage at the CONSULTANT's current standard rate when the CONSULTANT's own automobiles are used. This mileage rate may be adjusted by the CONSULTANT on an annual basis but shall not be more than the IRS-approved mileage rate.
- (6) Laboratory tests and analyses.
- (7) Special equipment and tools used for this AGREEMENT and not considered "tools of the trade".
- (8) All costs associated with outside facilities (but not including rent for office space occupied by CONSULTANT team).
- (9) Other direct costs and expenses incurred by the CONSULTANT on this AGREEMENT not specifically set forth herein, subject to ALAMEDA CTC's prior approval therefor.

4. Invoices and Time of Payment.

(a) For all services described in **Article I** and **Appendix A**, CONSULTANT shall bill ALAMEDA CTC by submitting itemized invoices along with the payment request forms included in **Appendix D** along with supporting documentation as indicated in the ALAMEDA CTC Payment Request Procedures via email to AP@alamedactc.org. CONSULTANT shall submit invoices for ALAMEDA CTC showing amounts due with respect to services provided. Each itemized invoice shall include the following:

- (i) Company name on the invoice, or, subject to reasonable approval by ALAMEDA CTC, a cover letter on company letterhead for each invoice;
- (ii) The invoice number;
- (iii) The invoice issuance date;
- (iv) The description of services provided or cost(s) incurred, including unit price, quantity or hours, and total amount due, each by Task;
- (v) Dates for the time period covered by the invoice;
- (vi) The number of this AGREEMENT for reference purposes;
- (vii) Payment request forms in **Appendix D**; and

(viii) Separate invoices for each of CONSULTANT's vendors (including subconsultants or subcontractors) providing services during the period, regardless of tier and subcontract amount, with all such invoices in full compliance with the requirements of **subparagraphs (i) through (vii)** above. Each invoice from CONSULTANT's vendors shall further indicate that the invoice is due and payable by CONSULTANT.

Upon receipt of a valid and complete invoice package from CONSULTANT for services rendered during the specified billing period, ALAMEDA CTC shall pay the amount properly invoiced within thirty (30)

calendar days. The determination of whether an invoice is valid and complete shall be made by ALAMEDA CTC in its sole discretion and ALAMEDA CTC shall retain the right to request reasonable documentation for certain expense items. In such instances, payment for all other amounts in the invoice for which additional documentation is not required will be made in accordance with this section. Invoices must be legible and reproducible. Any invoices which are illegible, incomplete or inaccurate will be returned to CONSULTANT for clarification and/or completion. CONSULTANT's signature is required on all invoices.

(b) If ALAMEDA CTC disputes any portion of the amount due to CONSULTANT, it may, at its sole discretion, withhold payment up to one hundred fifty percent (150%) of the disputed amount. If any amount is wrongfully withheld or not paid to CONSULTANT on a timely basis, ALAMEDA CTC shall pay to CONSULTANT one and one-half percent (1.5%) per month for the improperly withheld amount for each month which payment is wrongfully withheld or not paid. In any action for the collection of the amount withheld in violation of this provision, the prevailing party shall be entitled to reasonable attorneys' fees and costs.

(c) CONSULTANT agrees that within fifteen (15) calendar days of receipt of payment from ALAMEDA CTC, CONSULTANT shall pay to its subconsultants all amounts due from such payment, subject to such legal requirements under federal or state law regarding withholding of disputed payments and applicable penalties.

(d) Final Payment shall be subject to the provisions of **Article I, Section A, Paragraph 4** with regard to ALAMEDA CTC's right to withhold disputed payments, and CONSULTANT's rights to one and one-half percent (1.5%) payment on wrongfully withheld or untimely payment.

(e) CONSULTANT agrees to comply with federal procedures in accordance with Title 2 Code of Federal Regulations Part 200 ("2 CFR 200").

(f) CONSULTANT agrees that 48 CFR Part 31, Contract Cost Principles and Procedures shall be used to determine the allowability of individual items of cost. Any costs for which payments have been made to CONSULTANT which are determined by subsequent audit to be unallowable under 2 CFR 200 and 48 CFR, Part 31.000 *et seq.*, including but not limited to indirect costs reimbursed as part of, or otherwise included within, CONSULTANT's or its subconsultants' fully-burdened billing rates, are subject to repayment by CONSULTANT to ALAMEDA CTC. In such event, ALAMEDA CTC may at its option set-off such undue compensation by deducting such amount from payments then due to the CONSULTANT and subconsultants. Prior to making such deduction, ALAMEDA CTC shall give the CONSULTANT seven (7) calendar days' prior notice of its intent to set-off and allow CONSULTANT to make an alternative proposal with ALAMEDA CTC to refund the undue compensation. If, at the end of the notice period of seven (7) calendar days, CONSULTANT has not offered an alternative proposal acceptable to ALAMEDA CTC, ALAMEDA CTC may immediately thereafter exercise its right to set-off.

(g) Subconsultant compensation and Direct Expenses directly attributable to the performance of the services required by this AGREEMENT shall be reimbursed either at a unit rate or at actual cost invoiced to CONSULTANT as specified on **Appendix B**. Costs not specifically identified on **Appendix B** will not be separately reimbursed but will instead be considered to be included in the Fixed Hourly Rates set forth on **Appendix B**.

(h) If any subconsultant provides services pursuant to this AGREEMENT, the agreement with said subconsultant shall contain a clause to the effect that the provisions of **subparagraphs (e), (f) and (g)** above shall apply to said subconsultant.

5. CONSULTANT's Identity and Personnel. The person identified on page one as the CONSULTANT Project Manager will be the key person for the performance of services under this

AGREEMENT. The CONSULTANT Project Manager and other individuals performing work under this AGREEMENT that are considered Key Personnel are identified in **Appendix B**. Any addition or deletion of a firm (whether working as a joint venture partner or subconsultant), or any change in Key Personnel, may be made only upon prior written approval by ALAMEDA CTC. CONSULTANT shall notify ALAMEDA CTC of any proposed change of ownership or fundamental structure in CONSULTANT's firm. Within thirty (30) calendar days of such notice, ALAMEDA CTC shall notify CONSULTANT whether ALAMEDA CTC will approve such changed firm or personnel to continue providing services under this AGREEMENT or whether ALAMEDA CTC will terminate this AGREEMENT. Nothing in this provision shall be construed to limit ALAMEDA CTC's right to terminate this AGREEMENT for cause or without cause as set forth in **Article I, Section C** of this AGREEMENT. Subcontracts between the CONSULTANT and any subconsultants will be subject to review and approval of ALAMEDA CTC's representative.

If CONSULTANT reassigns or reduces the commitment of any such Key Personnel, CONSULTANT shall provide a suitable replacement, subject to the approval of ALAMEDA CTC, and CONSULTANT shall provide a reasonable number of unbilled hours of work for such replacement personnel to the extent required to bring the personnel up to speed.

6. Preliminary Review of Work. Where the CONSULTANT is required to prepare and submit reports, working papers, etc., to ALAMEDA CTC as products of the work described in Scope of Work, these documents shall be submitted in draft form, and opportunity provided for ALAMEDA CTC to review and request revisions, in a reasonable time interval but in all cases unless otherwise agreed to by ALAMEDA CTC at least five (5) business days prior to formal submission.

7. Responsibility of CONSULTANT. The CONSULTANT shall be responsible for the professional quality, technical accuracy and the coordination of the services furnished by it under the AGREEMENT.

8. Evaluation of CONSULTANT. The CONSULTANT shall be evaluated against its ability to meet the Performance Measures specified in **Appendix C**. Neither ALAMEDA CTC's review, acceptance, nor payment for any of the services required under the AGREEMENT shall be construed to operate as a waiver of any rights under the AGREEMENT or of any cause of action arising out of the performance of the AGREEMENT, and the CONSULTANT shall be and remain liable to ALAMEDA CTC in accordance with applicable law for all damages to ALAMEDA CTC caused by the CONSULTANT's negligent performance of any of the services furnished under the AGREEMENT.

9. Inspection of Work. It is understood that authorized representatives of ALAMEDA CTC may inspect or review the CONSULTANT's work in progress at any reasonable time.

10. Suspension, Delay, or Interruption of Work. ALAMEDA CTC may suspend, delay, or interrupt the services of the CONSULTANT for the convenience of ALAMEDA CTC. In the event of force majeure or of such suspension, delay, or interruption, equitable adjustment will be made in the PROJECT schedule, commitment and cost of CONSULTANT's personnel and subconsultants, and CONSULTANT's compensation.

B. NOTICE TO PROCEED.

1. This AGREEMENT shall go into effect upon its full execution. CONSULTANT shall not perform any work or incur any costs under this AGREEMENT without a formal written notice to proceed (NTP) from ALAMEDA CTC. CONSULTANT shall commence work after issuance of such formal written notification to proceed by ALAMEDA CTC. The term of this AGREEMENT shall end on the expiration date shown on page one of this AGREEMENT, unless extended by contract amendment. CONSULTANT is advised

that any recommendation for contract award is not binding on ALAMEDA CTC until the AGREEMENT is fully executed and approved by ALAMEDA CTC.

C. TERMINATION.

1. Termination by ALAMEDA CTC. ALAMEDA CTC may, by written notice to CONSULTANT, terminate the AGREEMENT in whole or in part, whether for ALAMEDA CTC's convenience or because of the failure of the CONSULTANT to substantially perform its duties and obligations under the AGREEMENT, in accordance with this Section C. Upon receipt of such notice, the CONSULTANT shall deliver to ALAMEDA CTC all data, estimates, graphs, summaries, reports, plans, photographs and other visual data and such information and materials as may have been accumulated by the CONSULTANT in performing its services under the AGREEMENT, whether completed or in progress, within five (5) business days of termination of this AGREEMENT.

(a) For Convenience. If the termination is for the convenience of ALAMEDA CTC, ALAMEDA CTC shall give the CONSULTANT not less than seven (7) calendar days' prior written notice. The CONSULTANT shall be paid for authorized services performed to the date of termination, including a prorated amount of profits on such services actually performed, if applicable, but no amount shall be allowed for anticipated profit on unperformed services. In addition to payment for services performed, ALAMEDA CTC shall pay the CONSULTANT the allowable costs incurred prior to termination, and other costs reasonably incurred by the CONSULTANT to implement the termination, such as, but not limited to, similar subcontract termination costs and related closeout costs, if any.

(b) For Cause. ALAMEDA CTC shall give the CONSULTANT seven (7) calendar days' prior written notice of its intent to terminate the AGREEMENT for any material breach on the part of CONSULTANT. If, at the end of the notice period of seven (7) calendar days, the CONSULTANT has not commenced correction of its performance in a manner reasonably acceptable to ALAMEDA CTC, ALAMEDA CTC may immediately thereafter exercise its right of termination.

2. Termination by CONSULTANT. CONSULTANT may terminate this AGREEMENT if CONSULTANT determines that for professional reasons CONSULTANT cannot fulfill the terms of the AGREEMENT. CONSULTANT shall provide ALAMEDA CTC with not less than thirty (30) calendar days' prior written notice of its intent to so terminate the AGREEMENT. CONSULTANT shall deliver to ALAMEDA CTC all data, estimates, graphs, summaries, reports, plans, photographs and other visual data and such information and materials as may have been accumulated by the CONSULTANT in performing its services under the AGREEMENT, whether completed or in progress, within five (5) business days of termination of the AGREEMENT.

3. Damages/Compensation. If ALAMEDA CTC terminates the AGREEMENT for cause pursuant to **Article I, Section C, Paragraph 1(b)** or if CONSULTANT terminates the AGREEMENT pursuant to **Article I, Section C, Paragraph 2**, the CONSULTANT will be compensated for that portion of the work which has been completed and accepted by ALAMEDA CTC, and for services performed to the date of termination including a pro-rated amount of profit, if applicable, but no allowance for anticipated profit or unperformed services. In such case, ALAMEDA CTC may take over the work and prosecute the same to completion by contract or otherwise, and the CONSULTANT shall be liable to ALAMEDA CTC for reasonable costs incurred by ALAMEDA CTC in making necessary arrangements for completion of the work by others. ALAMEDA CTC shall have the right to set-off any such amounts it incurs in order to complete the work or otherwise related to CONSULTANT's termination against any payments owed to CONSULTANT for that portion of the work which has been completed and accepted by ALAMEDA CTC.

4. Adjustments. If, after notice of termination for failure to perform, it is determined by ALAMEDA CTC that the CONSULTANT had not so failed, and ALAMEDA CTC terminated the AGREEMENT,

the termination shall be deemed to have been effected for the convenience of ALAMEDA CTC. In such event, adjustment shall be made as provided in **Article I, Section C, Paragraph 1(a)**.

5. Remedy. The rights and remedies of the parties provided in this section are cumulative and not exclusive, and are in addition to any and all other rights and remedies provided by law or other sections of this AGREEMENT.

6. Waivers. CONSULTANT, by executing the AGREEMENT, shall be deemed to have waived any and all claims for damages in the event of ALAMEDA CTC's termination for convenience as provided in **Article I, Section C, Paragraph 1**, except for justifiable costs of termination, as mutually agreed by ALAMEDA CTC and CONSULTANT.

D. INDEMNIFICATION.

1. Duties. CONSULTANT represents and maintains that it is skilled in the technical and/or professional practices necessary to perform the services, duties and obligations, expressed and implied, contained herein. Accordingly, ALAMEDA CTC expressly relies upon CONSULTANT's representations regarding its skills and knowledge. The CONSULTANT shall perform all services and duties in conformance with and consistent with the standards generally recognized as being employed by professionals in the same discipline in the State of California.

2. Responsibilities.

(a) Except with respect to CONSULTANT's performance of design professional services as defined in Civil Code Section 2782.8, CONSULTANT agrees to the fullest extent permitted by law, to protect, defend, indemnify and hold harmless ALAMEDA CTC and, if applicable, the State of California acting by and through its Department of Transportation ("CALTRANS"), or other permitting or responsible agencies as identified by ALAMEDA CTC, and their respective officers, officials, employees, and agents, from and against any and all liability, claims, suits, demands, losses, damages, costs and expenses, including, but not limited to, court costs and reasonable attorneys' and expert witness fees (collectively "CLAIMS") arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of the CONSULTANT or its officers, employees, agents or subconsultants ("INDEMNITORS") in the performance of their services under the AGREEMENT, including but not limited to any failure by INDEMNITORS to monitor the subconsultants' insurance coverage to ensure that each subconsultant continuously carries all insurance coverage required pursuant to Appendix E hereof. In the event ALAMEDA CTC is found by a court or arbitrator to be partially liable for a CLAIM, the agency shall reimburse the CONSULTANT for its proportionate share of the reasonable costs of defense actually expended, based on its share of liability.

(b) With respect to CONSULTANT's performance of design professional services as defined in Civil Code Section 2782.8, CONSULTANT has no obligation to pay for any indemnitees' defense-related costs until a final determination of liability has been made. In no event shall CONSULTANT's cost to defend and indemnify pursuant to this subparagraph (b) exceed CONSULTANT's proportionate percentage share of fault, unless one or more other liable parties is unable to pay its share of defense costs due to bankruptcy or dissolution, in which case ALAMEDA CTC and the other parties shall meet and confer regarding unpaid defense costs.

E. INSURANCE.

The insurance requirements for this AGREEMENT, including for coverage limits and additional insured, are described in Appendix E.

F. GENERAL PRINCIPLES OF CONTRACT AND EMPLOYMENT EQUITY.

1. The below **Sections G** and **H** each apply to this AGREEMENT only if the applicable box is checked on page one hereof. The following paragraphs of this **Section F** shall apply regardless of whether **Sections G** and **H** apply.

2. CONSULTANT's signature affixed herein shall constitute a certification under penalty of perjury under the laws of the State of California that CONSULTANT has, unless exempt, complied with the nondiscrimination program requirements of Government Code Section 12990 and Title 2, California Code of Regulations, Section 11102.

3. During the performance of the AGREEMENT, CONSULTANT and its subconsultants shall not deny the AGREEMENT's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. The CONSULTANT and its subconsultants shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. CONSULTANT and subconsultants shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12990 *et seq.*) and the applicable regulations promulgated thereunder (Title 2 California Code of Regulations Section 11000 *et seq.*) and the provisions of Government Code Sections 11135-11139.5. The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth under California Code of Regulations Section 11000 *et seq.*, are incorporated into this AGREEMENT by reference and made a part hereof as if set forth in full. CONSULTANT and its subconsultants shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination.

4. CONSULTANT shall permit access by representatives of the Department of Fair Employment and Housing and ALAMEDA CTC upon reasonable notice at any time during the normal business hours, but in no case less than twenty-four (24) hours' notice, to its books, records, accounts, and all other sources of information and its facilities as said Department or ALAMEDA CTC shall require to ascertain compliance with this clause.

5. CONSULTANT shall include the nondiscrimination and compliance provisions of this clause in all subcontracts under this AGREEMENT.

6. CONSULTANT, with regard to the work performed under this AGREEMENT, shall act in accordance with Title VI of the Civil Rights Act of 1964 (42 U.S. Code Section 2000d *et seq.*). Title VI provides that the recipients of federal assistance will implement and maintain a policy of nondiscrimination in which no person in the United States shall, on the basis of race, color, national origin, religion, sex, age, disability, be excluded from participation in, denied the benefits of or subject to discrimination under any program or activity by the recipients of federal assistance or their assignees and successors in interest.

7. CONSULTANT shall comply with regulations relative to non-discrimination in federally-assisted programs of the U.S. Department of Transportation (49 CFR Part 21 - Effectuation of Title VI of the Civil Rights Act of 1964). Specifically, CONSULTANT shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR Section 21.5, including employment practices and the selection and retention of subconsultants.

8. ALAMEDA CTC, CONSULTANT, or any subconsultant will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR 26 on the basis of race, color, sex, or national origin. In administering the ALAMEDA CTC components of the DBE Program Plan, ALAMEDA CTC, CONSULTANT, or any subconsultant will not, directly, or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE Program Plan with respect to individuals of a particular race, color, sex, or national origin.

9. During the performance of this AGREEMENT, the CONSULTANT, for itself, its assignees, and successors in interest agrees to comply with the following nondiscrimination statutes and authorities; including but not limited to:

Reg. at 74087 to 74100); Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination because of sex in education programs or activities (20 U.S.C. 1681 *et seq.*).

1. If the applicable box is checked on page one hereof, all paragraphs of this **Section G** shall apply to this AGREEMENT.
2. CONSULTANT shall comply with all applicable provisions of ALAMEDA CTC's Local Business Contract Equity (LBCE) Program, which is available on the ALAMEDA CTC website at www.alamedactc.org/contract-equity and incorporated herein by reference as if attached hereto.
3. In some instances, contracts may be exempt from goals pursuant to applicable provisions of ALAMEDA CTC's LBCE Program. If this AGREEMENT is exempt from the LBCE Program, such exemption shall be noted on page one of this AGREEMENT.
4. If the CONSULTANT or any subconsultant is an LBE, a SLBE or a VSLBE, the status for that entity shall be noted in **Appendix B**.

H. DISADVANTAGED BUSINESS ENTERPRISE PROGRAM; OTHER FEDERAL REQUIREMENTS.

1. If the applicable box is checked on page one hereof, all paragraphs of this **Section H** shall apply to this AGREEMENT. Any subcontract entered into as a result of this AGREEMENT shall contain all of the provisions of this section, if the section is applicable. The CALTRANS Local Assistance Procedures Manual Forms referenced under **Article I, Section H**, available at <https://dot.ca.gov>, are hereby made a part of the AGREEMENT and by this reference incorporated herein.

(a) Disadvantaged Business Enterprise (DBE) Participation.

(i) CONSULTANT, ALAMEDA CTC, or subconsultant shall take necessary and reasonable steps to ensure that DBEs have opportunities to participate in the contract (49 CFR 26). To ensure equal participation of DBEs provided in 49 CFR 26.5, ALAMEDA CTC has provided a contract goal for DBEs. CONSULTANT shall make work available to DBEs and select work parts consistent with available DBE subconsultants and suppliers. CONSULTANT shall meet the DBE goal shown herein or demonstrate that it made adequate good faith efforts to meet this goal. It is CONSULTANT's responsibility to verify that the DBE firm is certified as DBE at date of proposal opening and document the record by printing out the California Unified Certification Program (CUCP) data for each DBE firm. A list of DBEs certified by the CUCP can be found at <https://dot.ca.gov/programs/civil-rights/dbe-search>. All DBE participation will count toward the California Department of Transportation's federally mandated statewide overall DBE goal. Credit for materials or supplies CONSULTANT purchases from DBEs counts towards the goal in the following manner:

- (1)** 100 percent counts if the materials or supplies are obtained from a DBE manufacturer.
- (2)** 60 percent counts if the materials or supplies are purchased from a DBE regular dealer.
- (3)** Only fees, commissions, and charges for assistance in the procurement and delivery of materials or supplies count if obtained from a DBE that is neither a manufacturer nor regular dealer. 49 CFR 26.55 defines "manufacturer" and "regular dealer."

(ii) This AGREEMENT is subject to 49 CFR Part 26 entitled "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs".

Consultants who enter into a federally-funded agreement will assist CALTRANS or the Metropolitan Transportation Commission (“MTC”), as applicable, in a good faith effort to achieve California’s statewide overall DBE goal.

(iii) The DBE goal for this AGREEMENT is as set forth on page one hereof. Participation by DBE CONSULTANT or subconsultants shall be in accordance with information contained in the Consultant Contract DBE Commitment (Exhibit 10-O2) attached hereto and incorporated as part of this AGREEMENT.

(iv) CONSULTANT can meet the DBE participation goal by either documenting commitments to DBEs to meet the AGREEMENT goal, or by documenting adequate good faith efforts to meet the AGREEMENT goal. An adequate good faith effort means that the CONSULTANT must show that it took all necessary and reasonable steps to achieve a DBE goal that, by their scope, intensity, and appropriateness to the objective, could reasonably be expected to meet the DBE goal. If CONSULTANT has not met the DBE goal, CONSULTANT must complete and submit DBE Information – Good Faith Efforts (Exhibit 15-H) to document efforts to meet the goal. Refer to 49 CFR Part 26 for guidance regarding evaluation of good faith efforts to meet the DBE goal.

(v) DBEs and other small businesses, as defined in 49 CFR 26, are encouraged to participate in the performance of agreements financed in whole or in part with federal funds. ALAMEDA CTC, CONSULTANT and its subconsultants, if any, shall not discriminate on the basis of race, color, national origin, or sex in the performance of this AGREEMENT. CONSULTANT shall carry out applicable requirements of 49 CFR 26 in the award and administration of U.S. Department of Transportation-assisted agreements. Failure by CONSULTANT to carry out these requirements is a material breach of this AGREEMENT, which may result in the termination of this AGREEMENT or such other remedy, as ALAMEDA CTC deems appropriate, which may include, but is not limited to:

- (1) Withholding monthly progress payments;
- (2) Assessing sanctions;
- (3) Liquidated damages; and/or
- (4) Disqualifying the CONSULTANT from future proposing as non-

responsible.

(vi) Any subcontract entered into as a result of this AGREEMENT shall contain all of the provisions of this **Section H**.

(b) Performance of DBE Consultants and Other DBE Subconsultants.

(i) CONSULTANT shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless CONSULTANT or DBE subconsultant obtains ALAMEDA CTC’s written consent. CONSULTANT shall not terminate or substitute a listed DBE for convenience and perform the work with their own forces or obtain materials from other sources without authorization from the ALAMEDA CTC. Unless the ALAMEDA CTC’s consent is provided, the CONSULTANT shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE on the Consultant Contract DBE Commitment (Exhibit 10-02) form, included in the proposal. ALAMEDA CTC authorizes a request to use other forces or sources of materials if CONSULTANT shows any of the following justifications:

- (1) Listed DBE fails or refuses to execute a written contract based on plans and specifications for the project.

(2) ALAMEDA CTC stipulated that a bond is a condition of executing the subcontract and the listed DBE fails to meet the ALAMEDA CTC's bond requirements.

(3) Work requires a consultant's license and listed DBE does not have a valid license under Contractors License Law.

(4) Listed DBE fails or refuses to perform the work or furnish the listed materials (failing or refusing to perform is not an allowable reason to remove a DBE if the failure or refusal is a result of bad faith or discrimination).

(5) Listed DBE's work is unsatisfactory and not in compliance with the contract.

(6) Listed DBE is ineligible to work on the project because of suspension or debarment.

(7) Listed DBE becomes bankrupt or insolvent.

(8) Listed DBE voluntarily withdraws with written notice from the contract.

(9) Listed DBE is ineligible to receive credit for the type of work required.

(10) Listed DBE owner dies or becomes disabled resulting in the inability to perform the work on the contract.

(11) ALAMEDA CTC determines other documented good cause.

(ii) CONSULTANT shall notify the original DBE of the intent to use other forces or material sources and provide the reasons and provide the DBE with five (5) calendar days to respond to the notice and advise CONSULTANT and the ALAMEDA CTC of the reasons why the use of other forces or sources of materials should not occur. CONSULTANT's request to use other forces or material sources must include:

(1) One or more of the reasons listed in the preceding paragraph.

(2) Notices from CONSULTANT to the DBE regarding the request.

(3) Notices from the DBEs to CONSULTANT regarding the request.

If a listed DBE is terminated or substituted, CONSULTANT must make good faith efforts to find another DBE to substitute for the original DBE. The substitute DBE must perform at least the same amount of work as the original DBE under the contract to the extent needed to meet or exceed the DBE goal.

(iii) ALAMEDA CTC shall maintain a monitoring and enforcement mechanism to ensure that DBE commitments reconcile to DBE utilization. The ALAMEDA CTC shall request CONSULTANT to:

(1) Notify the ALAMEDA CTC's designated representative of any changes to its anticipated DBE participation

- (2) Provide this notification before starting the affected work
- (3) Maintain records including:

a. Name and business address of each 1st-tier subconsultant

b. Name and business address of each DBE subconsultant, DBE vendor, and DBE trucking company, regardless of tier

c. Date of payment and total amount paid to each business (see Exhibit 9-P: Monthly DBE Payment)

If CONSULTANT is a DBE CONSULTANT, they shall include the date of work performed by their own forces and the corresponding value of the work.

If a DBE is decertified before completing its work, the DBE must notify CONSULTANT in writing of the decertification date. If a business becomes a certified DBE before completing its work, the business must notify CONSULTANT in writing of the certification date. CONSULTANT shall submit the notifications to the ALAMEDA CTC. Upon work completion, CONSULTANT shall complete a DBE Certification Status Change (Exhibit 17-O) form and submit the form to the ALAMEDA CTC within thirty (30) calendar days of contract acceptance.

Upon work completion, CONSULTANT shall complete the Final Report – Utilization of DBEs and First-Tier Subcontractors (Exhibit 17-F) form, certified correct by the CONSULTANT or the CONSULTANT's authorized representative and submit it to the ALAMEDA CTC within ninety (90) calendar days of contract acceptance. The ALAMEDA CTC will withhold \$10,000 until the form is submitted. The ALAMEDA CTC will release the withhold upon submission of the completed form.

In the ALAMEDA CTC's reports of DBE participation to CALTRANS, the ALAMEDA CTC must display both commitments and attainments.

(iv) DBEs must perform a commercially useful function (CUF) under 49 CFR 26.55 when performing work or supplying materials listed on the DBE Commitment form (Exhibit 10-O2). The DBE value of work will only count toward the DBE commitment if the DBE performs a CUF. A DBE performs a CUF when it is responsible for execution of the work on the contract and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. Additionally, the DBE must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quality and quantity, ordering the material and installing (where applicable), and paying for the material itself.

(v) A DBE does not perform a CUF if its role is limited to that of an extra participant in a transaction, agreement, or project through which funds are passed in order to obtain the appearance of DBE participation. In determining whether a DBE is such an extra participant, ALAMEDA CTC shall examine similar transactions, particularly those in which DBEs do not participate.

(vi) If a DBE does not perform or exercise responsibility for at least thirty percent (30%) of the total cost of its agreement with its own work force, or the DBE subcontracts a greater portion of the work of the AGREEMENT than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that it is not performing a CUF.

(vii) CONSULTANT must perform a CUF evaluation for each DBE working on a federal-aid contract, with or without a DBE goal. This also includes DBE truckers, suppliers, and other vendors where a subcontract is not required. For contracts between the first-tier DBE and the second-tier DBE, the first-tier DBE must perform the CUF evaluation on the second-tier DBE following the same procedure described in this section. CONSULTANT shall perform a CUF evaluation at the beginning of the DBE's work and continue to monitor the performance of CUF for the duration of the AGREEMENT.

CONSULTANT must provide written notification to ALAMEDA CTC at least fifteen (15) calendar days in advance of each DBE's initial performance of work or supplying materials for the contract. The notification must include the DBE's name, work the DBE will perform on the contract, and the location, date, and time of where their work will take place.

Within ten (10) calendar days of a DBE initially performing work or supplying materials on the AGREEMENT, the CONSULTANT must submit to ALAMEDA CTC the initial evaluation and validation of DBE performance of a CUF using the DBE Commercially Useful Function Evaluation (LAPM 9-J). The following must be included with the submittal:

- (1) Subcontract agreement with the DBE
- (2) Purchase orders
- (3) Bills of lading
- (4) Invoices
- (5) Proof of payment

CONSULTANT must monitor each DBE's performance of CUF by conducting quarterly evaluations and validations throughout their duration of work on the contract using LAPM 9-J. The CONSULTANT must submit quarterly evaluations and validations to ALAMEDA CTC by the fifth (5) day of the month for the previous three (3) months of work.

CONSULTANT must notify ALAMEDA CTC immediately if CONSULTANT believes the DBE may not be performing a CUF.

ALAMEDA CTC will verify each DBE's performance of CUF by reviewing the initial and quarterly submissions of the LAPM 9-J, submitted supporting information, field observations, and through any additional ALAMEDA CTC evaluations. ALAMEDA CTC shall evaluate each DBE and their CUF performance throughout the duration of an AGREEMENT. ALAMEDA CTC will provide written notice to the CONSULTANT and DBE at least two (2) business days prior to any evaluation. The CONSULTANT and the DBE must participate in the evaluation. Upon completing the evaluation, ALAMEDA CTC shall share the evaluation results with the CONSULTANT and the DBE. An evaluation could include items that must be remedied upon receipt. If ALAMEDA CTC determines the DBE is not performing a CUF, then the CONSULTANT must suspend performance of the noncompliant work.

CONSULTANT and DBEs must submit any additional CUF related records and documents within five (5) business days of ALAMEDA CTC's request such as:

- (1) Proof of ownership or lease and rental agreements for equipment
- (2) Tax records.

- (3) Employee rosters
- (4) Certified payroll records
- (5) Inventory rosters

Failure to submit required DBE CUF Evaluation forms or requested records and documents can result in withholding of payment for the value of work completed by the DBE.

If the CONSULTANT and ALAMEDA CTC determine that a listed DBE is not performing a CUF in performance of their DBE committed work, CONSULTANT should immediately suspend performance of the noncompliant portion of the work. ALAMEDA CTC may deny payment for the noncompliant portion of the work. ALAMEDA CTC will ask the contractor to submit a corrective action plan (CAP) to the ALAMEDA CTC within five (5) calendar days of the noncompliant CUF determination. The CAP must identify how the CONSULTANT will correct the noncompliance findings for the remaining portion of the DBE's work. ALAMEDA CTC has five (5) calendar days to review the CAP in conjunction with the CONSULTANT's review. The CONSULTANT must implement the CAP within five (5) calendar days of the ALAMEDA CTC's approval. ALAMEDA CTC will then authorize payment for the prior noncompliant portion of work for the DBE's committed work.

If corrective actions cannot be accomplished to ensure the DBE performs a CUF on the AGREEMENT, then the CONSULTANT may have good cause to request termination and replacement of the DBE.

(c) Prompt Progress Payment to Subconsultants.

If this AGREEMENT is subject to Section 7108.5 of the Business and Professions Code concerning prompt payment to subcontractors, CONSULTANT agrees that not later than seven (7) calendar days after receipt of payment from ALAMEDA CTC, CONSULTANT shall pay to its subconsultants all amounts due from such payment, unless otherwise agreed to in writing. In any event, whether or not Section 7108.5 is applicable, CONSULTANT shall pay its subconsultants all amounts due within the fifteen (15)-day period set forth in **Article I, Section A, Paragraph 4**. Any delay or postponement of payment over thirty (30) calendar days may take place only for good cause and with ALAMEDA CTC's prior written approval. Any violation of Section 7108.5 shall subject the violating CONSULTANT or subconsultants to the penalties, sanctions, and other remedies of that Section. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the CONSULTANT or subconsultant in the event of a dispute involving late payment or nonpayment by the CONSULTANT, deficient subconsultant performance, and/or noncompliance by a subconsultant. This clause applies to both DBE and non-DBE subconsultants.

(d) Prompt Payment of Withheld Funds to Subconsultants.

ALAMEDA CTC shall hold retainage, if any, from CONSULTANT and shall make prompt and regular incremental acceptances of portions, as determined by ALAMEDA CTC, of the contract work, and pay retainage to the CONSULTANT based on these acceptances. CONSULTANT or its subconsultants shall return all monies withheld in retention from all subconsultants, regardless of tier, within fifteen (15) calendar days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by ALAMEDA CTC. Federal law (49 CFR 26.29) requires that any delay or postponement of payment over thirty (30) calendar days may take place only for good cause and with ALAMEDA CTC's prior written approval. Any violation of this provision shall subject the violating CONSULTANT or subconsultant to the penalties, sanctions and other remedies specified in Section 3321 of the California Civil Code. These requirements shall not be construed to limit or impair any contractual,

administrative, or judicial remedies otherwise available to the CONSULTANT or subconsultant in the event of a dispute involving late payment or nonpayment by the CONSULTANT, deficient subconsultant performance, or noncompliance by a subconsultant. This provision applies to both DBE and non-DBE subconsultants.

(e) Use of Joint Checks.

A joint check may be used between the CONSULTANT or lower-tier subcontractor and a DBE subcontractor purchasing materials from a material supplier if the CONSULTANT obtains prior approval from ALAMEDA CTC for the proposed use of joint check upon submittal of DBE Joint Check Agreement Request (LAPM 9-K) form.

To use a joint check, the following conditions must be met:

- joint check
- (1) All parties, including the CONSULTANT, must agree to the use of a joint check
 - (2) Entity issuing the joint check acts solely to guarantee payment
 - (3) DBE must release the check to the material supplier
 - (4) ALAMEDA CTC must authorize the request before implementation of the use of a joint check
 - (5) Any party of the agreement must provide requested documentation within ten (10) calendar days of ALAMEDA CTC's request for the documentation
 - (6) Agreement to use a joint check must be short-term, not to exceed one (1) year, allowing sufficient time needed to establish or increase a credit line with the material supplier.
 - (7) A request for a joint check agreement may be initiated by any party.
 - (8) If a joint check is used, the DBE remains responsible for all elements of 49 CFR 26.55(c)(1).

Failure to comply with the above requirements disqualifies DBE participation and results in no credit and no payment to the CONSULTANT for DBE participation.

A joint check may not be used between the CONSULTANT or subcontractor and a DBE regular dealer, bulk material supplier, manufacturer, wholesaler, broker, trucker, packager, manufacturer's representative, or other persons who arrange or expedite transactions.

(f) DBE Records.

(i) CONSULTANT shall maintain records of materials purchased and/or supplied from all subcontracts entered into with certified DBEs. The records shall show the name and business address of each DBE or vendor and the total dollar amount actually paid each DBE or vendor, regardless of tier. The records shall show the date of payment and the total dollar figure paid to all firms. If CONSULTANT is a certified DBE, CONSULTANT shall also show the date of work performed by CONSULTANT's forces along with the corresponding dollar value of the work.

(ii) CONSULTANT must complete and submit a Prompt Payment Certification report (Exhibit 9-P):

(1) For contracts awarded on or after September 1, 2023: By the 15th of the month following the month of any payment(s), the CONSULTANT must submit the Prompt Payment Certification (Exhibit 9-P) to the ALAMEDA CTC Project Manager. If the CONSULTANT does not make any payments to subconsultants, supplier(s), and/or manufacturers they must report “no payments were made to subs this month” on Exhibit 9-P.

(2) Failure to meet these DBE payment report requirements may result in the withholding of CONSULTANT’S next progress payment and/or final payment. Additionally, CALTRANS may require ALAMEDA CTC to issue a corrective action plan and/or to suspend the contract in whole or in part if CONSULTANT does not make up the shortfall to the DBE commitment.

(g) **DBE Certification and Decertification Status.** If a DBE subconsultant is decertified during the life of the AGREEMENT, the decertified subconsultant shall notify CONSULTANT in writing with the date of decertification. If a subconsultant becomes a certified DBE during the life of the AGREEMENT, the subconsultant shall notify CONSULTANT in writing with the date of certification. Any changes should be reported to ALAMEDA CTC within thirty (30) calendar days.

ARTICLE II - SCOPE, REPORTING AND SCHEDULE

A. SCHEDULE OF WORK.

1. CONSULTANT shall conform to **Appendices A and D**, except as otherwise modified by the AGREEMENT.

B. PROGRESS REPORTING AND INVOICES; DEADLINES AND LIQUIDATED DAMAGES.

1. CONSULTANT shall submit a monthly progress report to ALAMEDA CTC in accordance with **Appendix D**. Further, for any month during which CONSULTANT performs any task(s) or incurs any reimbursable costs with respect to the Scope of Services under this AGREEMENT, (i) CONSULTANT shall submit such monthly progress report in a form acceptable to ALAMEDA CTC which describes the work accomplished, and (ii) CONSULTANT shall submit a valid and complete invoice in accordance with **Article I, Section A, Paragraph 4** and **Appendix D**.

2. CONSULTANT shall submit each required monthly progress report and invoice to ALAMEDA CTC no later than forty-five (45) calendar days following the last calendar day of the month covered by such progress report or invoice, as applicable, excepting work performed by subconsultants, which shall be invoiced no later than sixty (60) calendar days following the last calendar month covered by such invoice. If any monthly progress report or invoice is not received by ALAMEDA CTC within forty-five (45) calendar days after the end of the covered month, CONSULTANT shall be liable to ALAMEDA CTC for liquidated damages in the amount of Fifty Dollars (\$50) for each business day following such forty-fifth (45th) calendar day until ALAMEDA CTC receives such progress report or invoice, as applicable. Such liquidated damages shall apply separately with respect to any late and outstanding invoice or progress report. Any such application of liquidated damages shall not affect the compensation owed by CONSULTANT to any of its subconsultants.

3. CONSULTANT shall be deemed to have waived the right to payment for services not invoiced within six (6) months of the date the services were performed. Any such waiver by CONSULTANT shall not affect the compensation owed by CONSULTANT to any of its subconsultants. For purpose of this provision the date of the invoice shall be the date of receipt by ALAMEDA CTC.

C. EXTRA WORK.

1. Unforeseen work will be classified as extra work when authorized by ALAMEDA CTC in writing. Further, CONSULTANT shall only perform any tasks described as optional in **Appendix A** upon written authorization from ALAMEDA CTC. In the absence of such written authorization by ALAMEDA CTC, CONSULTANT shall not be entitled to payment for such extra or optional work.

ARTICLE III - GENERAL TERMS

A. GENERAL.

1. **No Third-Party Beneficiaries.** This AGREEMENT gives no rights or benefits to anyone other than ALAMEDA CTC and CONSULTANT and has no third-party beneficiaries.

2. **Legal Action.** All legal actions by either party against the other arising from this AGREEMENT, or for the failure to perform in accordance with the applicable standard of care, or any other cause of action, will be subject to the statutes of limitation of the State of California.

3. **Survival of Indemnities.** Notwithstanding the termination of this AGREEMENT and/or the breach of contract or warranty, fault, tort (including but not limited to torts based on negligence, statute or strict liability), the CONSULTANT's obligations of Indemnity set forth in **Article I, Section D** and any releases, limitations on indemnity, and any and all limitations on any remedies herein shall survive termination of this AGREEMENT for any cause, and **Article I, Section A, Paragraph 7** and **Article I, Section D** of this AGREEMENT shall take precedence over any conflicting provision of this AGREEMENT or any document incorporated into it or referenced by it.

4. **Jurisdiction and Venue.** The laws of the State of California will govern the validity of this AGREEMENT, its interpretation and performance, and any other claims related to it. All legal actions arising out of this AGREEMENT shall be brought in a court of competent jurisdiction in Alameda County, California and the parties hereto hereby waive inconvenience of forum as an objection or defense to such venue.

5. **Non Waiver.** Failure of ALAMEDA CTC to insist upon strict performance of any terms or conditions of this AGREEMENT, or failure or delay in exercising any rights or remedies provided herein or by law, or failure to properly notify CONSULTANT in the event of breach, or the acceptance of or payment for any services provided under this AGREEMENT shall not release CONSULTANT from the terms, conditions, representations or obligations of this AGREEMENT, and shall not be deemed a waiver of any right of ALAMEDA CTC to insist upon strict performance or upon any of its rights or remedies as to any prior or subsequent default.

6. **Severability and Survival.** If any of the provisions contained in this AGREEMENT are held for any reason to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability will not affect any other provision, and this AGREEMENT will be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

7. **Documents and Deliverables.** Except as noted below, deliverables prepared by the CONSULTANT under the AGREEMENT, including but not limited to investigations, appraisals, inventories, studies, analyses, data estimates, photographs, reports, plans, graphics, drawings, tracings, quantities, specifications, proposals, sketches, diagrams and calculations, relative to the AGREEMENT shall become the property of ALAMEDA CTC upon their creation, whether or not the deliverables or services under the AGREEMENT have been completed. ALAMEDA CTC shall not be limited in any way in its use thereof at any time during or after the term of this AGREEMENT, provided that any such use not within the purposes of the AGREEMENT shall be at the sole risk of ALAMEDA CTC, and provided that ALAMEDA CTC shall indemnify

CONSULTANT's employees and its subconsultants' employees against any damages resulting from such use, including the release of this material to third parties for use not intended in the AGREEMENT. CONSULTANT is not authorized to seek or obtain a copyright on any deliverable prepared under this AGREEMENT.

8. Confidentiality. All ideas, memoranda, reports, specifications, plans, construction procedures, drawings, descriptions, and all other written information submitted to or created by the CONSULTANT in connection with the performance of the AGREEMENT shall be held confidential by the CONSULTANT and shall not, without the prior written consent of ALAMEDA CTC, be used for any purposes other than the performance of the services under this AGREEMENT. Nothing furnished to the CONSULTANT, which is otherwise known to the CONSULTANT or generally known in the related industry, shall be deemed confidential. The CONSULTANT shall not use ALAMEDA CTC's, ACTA's, ACTIA's, ACCMA's or the Sunol Joint Powers Authority name or insignia, photographs of the work, or any other publicity pertaining to the work in any magazine, trade paper, newspaper, or other news medium without the express written consent of ALAMEDA CTC. CONSULTANT may use project technical information in the demonstration of expertise for purposes of describing project experience to others in the routine conduct of CONSULTANT's business with ALAMEDA CTC's prior written consent.

9. Audit of Books and Records. CONSULTANT and subconsultants shall maintain and make available to ALAMEDA CTC, its authorized agents including but not limited to representatives of the regional, state and federal governments, and their respective officers and employees, for inspection and audit, all work products, materials, data and records for examination, any and all ledgers and books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or related to the expenditures and disbursements charged to ALAMEDA CTC, and shall furnish to ALAMEDA CTC, its agents, and employees, such other evidence or information as ALAMEDA CTC may require with respect to any such expense or disbursement charged by the CONSULTANT. CONSULTANT and any subconsultants hereunder shall establish and maintain an accounting system and records that properly accumulate and segregate incurred contract costs by task and subtask. The accounting system of the CONSULTANT and all subconsultants hereunder shall conform to Generally Accepted Accounting Principles (GAAP), enable determination of incurred costs at interim points of completion, and provide support for reimbursement payment vouchers or invoices.

The records described in this Section shall be retained by the CONSULTANT and subconsultants and made available for inspection by ALAMEDA CTC during the AGREEMENT period and for a period of three (3) years after this AGREEMENT is terminated, four (4) years after the fiscal year of the last expenditure, or until completion of any litigation, claim or audit, whichever is longest.

ALAMEDA CTC may, in its sole discretion, conduct a periodic audit, not more frequently than once every twelve (12) months, of the project costs under this AGREEMENT in accordance with generally accepted accounting practices, as set forth in **Article I, Section A, Paragraph 4(f)** of this AGREEMENT.

This **Paragraph 9** is applicable to all subconsultants hereunder.

10. Audit Review Procedures. Any dispute concerning a question of fact arising under an interim or post audit of this AGREEMENT that is not disposed of by agreement, shall be reviewed by ALAMEDA CTC's Deputy Executive Director of Finance and Administration.

Not later than thirty (30) calendar days after issuance of the final audit report, CONSULTANT may request a review by ALAMEDA CTC's Deputy Executive Director of Finance and Administration of unresolved audit issues. The request for review will be submitted in writing.

Neither the pendency of a dispute nor its consideration by ALAMEDA CTC will excuse CONSULTANT from full and timely performance, in accordance with the terms of this AGREEMENT.

CONSULTANT and subconsultants' contracts, including cost proposals and ICRs, may be subject to audits or reviews such as, but not limited to, an AGREEMENT Audit, an Incurred Cost Audit, an ICR Audit, or a certified public accountant ("CPA") ICR Audit Workpaper Review. If selected for audit or review, the AGREEMENT, cost proposal and ICR and related workpapers, if applicable, will be reviewed to verify compliance with 48 CFR, Chapter 1, Part 31 and other related laws and regulations. In the instances of a CPA ICR Audit Workpaper Review it is CONSULTANT's responsibility to ensure federal, state, or local government officials are allowed full access to the CPA's workpapers including making copies as necessary. The AGREEMENT, cost proposal, and ICR shall be adjusted by CONSULTANT and approved by ALAMEDA CTC to conform to the audit or review recommendations. CONSULTANT agrees that individual terms of costs identified in the audit report shall be incorporated into the contract by this reference if directed by ALAMEDA CTC at its sole discretion. Refusal by CONSULTANT to incorporate audit or review recommendations, or to ensure that the federal, state, or local governments have access to CPA workpapers, will be considered a breach of contract terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.

11. Disputes and Arbitration. All claims, counterclaims, disputes, and other matters in question arising out of, or relating to, this AGREEMENT or the breach thereof that are not disposed of by agreement may be decided by mediation and/or final, binding arbitration in accordance with the applicable rules and procedures of the American Arbitration Associations in effect at the date of execution of this AGREEMENT. Either ALAMEDA CTC or CONSULTANT may initiate a request for such mediation or arbitration, but consent of the other party to such procedure shall be a necessary precondition to mediation or arbitration. Neither the pendency of a dispute, nor its referral to arbitration will excuse CONSULTANT from full and timely performance in accordance with the terms of this AGREEMENT.

12. Attorneys' Fees. Should it become necessary to enforce the terms of this AGREEMENT, the prevailing party shall be entitled to recover reasonable expenses and attorneys' fees from the other party, including but not limited to expenses and fees attributable to arbitration pursuant to **Paragraph 11** above.

13. Independent Consultant. In the performance of the services to be provided hereunder, CONSULTANT is an independent contractor and is not an officer, employee, agent or other representative of ALAMEDA CTC.

(a) CONSULTANT, in the performance of this AGREEMENT, shall act in an independent capacity. It is understood and agreed that CONSULTANT (including CONSULTANT's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto. CONSULTANT's assigned personnel shall not be entitled to any benefits payable to employees of ALAMEDA CTC.

(b) ALAMEDA CTC is not required to make any deductions or withholdings from the compensation payable to CONSULTANT under the provisions of the AGREEMENT, and is not required to issue W-2 Forms for income and employment tax purposes for any of CONSULTANT's assigned personnel. CONSULTANT, in the performance of its obligation hereunder, is only subject to the control or direction of the ALAMEDA CTC as to the designation of tasks to be performed and the results to be accomplished.

(c) Any third-party person(s) employed by CONSULTANT shall be entirely and exclusively under the direction, supervision, and control of CONSULTANT. CONSULTANT hereby indemnifies and holds ALAMEDA CTC harmless from any and all claims that may be made against ALAMEDA CTC based upon any contention by any third party that an employer-employee relationship exists by reason of this AGREEMENT.

14. Solicitation. CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure the

AGREEMENT and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or making the AGREEMENT. For breach or violation of this warranty, ALAMEDA CTC shall have the right to rescind the AGREEMENT without liability.

15. Conflict of Interest. CONSULTANT shall ensure that no member, officer or employee of ALAMEDA CTC or of a public body within Alameda County, during his/her tenure or for one (1) year thereafter, or member or delegate to the Congress of the United States, shall have any direct interest in the AGREEMENT or any direct or material benefit arising therefrom, as defined by California Government Code sections 1090 *et seq.* and 87100 *et seq.* Prohibited interests include interests of immediate family members, domestic partners, and their respective employers or prospective employers.

CONSULTANT shall ensure that no member or delegate to the Legislature of the State of California shall have any direct interest in the AGREEMENT or any direct or material benefit arising therefrom.

CONSULTANT shall take all reasonable measures to preclude the existence or development of an organizational conflict of interest in connection with work performed under this AGREEMENT. An organizational conflict of interest occurs when, due to other activities, relationships, or contracts, a firm or person is unable, or potentially unable, to render impartial assistance or advice to ALAMEDA CTC; a firm or person's objectivity in performing the contract work is or might be impaired; or a firm or person has an unfair competitive advantage in proposing for award of a contract as a result of information gained in performance of this AGREEMENT or some other agreement.

CONSULTANT shall not engage the services of any subconsultant or vendor on any work related to this AGREEMENT if the subconsultant or vendor, or any employee of the subconsultant or vendor, has an actual or apparent organizational conflict of interest related to work or services contemplated under this AGREEMENT.

If, at any time during the term of this AGREEMENT, CONSULTANT becomes aware of an organizational conflict of interest in connection with the work performed hereunder, CONSULTANT shall immediately provide ALAMEDA CTC with written notice of the facts and circumstances giving rise to this organizational conflict of interest. CONSULTANT shall immediately notify ALAMEDA CTC of any organizational conflict of interest, whether actual or apparent, in connection with any political campaign activities engaged by or involving its firm that is, or may be, related to and/or otherwise impact: the ALAMEDA CTC, its governing body, its projects and programs and/or its delivery of such project and programs. CONSULTANT's written notice will also propose alternatives for addressing or eliminating the organizational conflict of interest. If at any time during the period of performance of this AGREEMENT, ALAMEDA CTC becomes aware of an organizational conflict of interest in connection with CONSULTANT's performance of the work hereunder, ALAMEDA CTC shall similarly notify CONSULTANT. In the event a conflict is presented, whether disclosed by CONSULTANT or discovered by ALAMEDA CTC, ALAMEDA CTC will consider the conflict presented and any alternatives proposed and meet with CONSULTANT to determine an appropriate course of action. ALAMEDA CTC's determination as to the manner in which to address the conflict shall be final.

CONSULTANT shall disclose to ALAMEDA CTC any financial, business, or other relationship that may have an impact upon the outcome of this AGREEMENT, or any ensuing ALAMEDA CTC construction project. CONSULTANT shall also disclose all current clients who may have a financial interest in the outcome of this AGREEMENT, or any ensuing ALAMEDA CTC construction project.

CONSULTANT certifies that it has disclosed to ALAMEDA CTC any actual, apparent, or potential conflicts of interest that may exist relative to the services to be provided pursuant to this AGREEMENT. CONSULTANT agrees to advise ALAMEDA CTC of any actual, apparent or potential conflicts of interest that

may develop subsequent to the date of execution of this AGREEMENT. CONSULTANT further agrees to complete any statements of economic interest if required by ALAMEDA CTC's Conflict of Interest Code or State law.

CONSULTANT hereby certifies that it does not now have, nor shall it acquire, any financial or business interest that would conflict with the performance of services under this AGREEMENT.

CONSULTANT hereby certifies that neither CONSULTANT or any subconsultant hereunder, nor any firm affiliated with CONSULTANT or any subconsultant hereunder, will bid on any construction contract or on any contract to provide construction inspection for any construction project resulting from this contract. An affiliated firm is one which is subject to the control of the same persons through joint-ownership or otherwise.

Except for subconsultants whose services are limited to providing surveying or materials testing information, no subconsultant who has provided design services in connection with this contract shall be eligible to bid on any construction contract, or on any contract to provide construction inspection, for any construction project resulting from this contract.

Failure to comply with this section may subject CONSULTANT or its subconsultant or vendor to damages incurred by ALAMEDA CTC in addressing organizational conflicts that arise out of work performed by such subconsultant or vendor, or to termination of this AGREEMENT for breach.

Any subcontract entered into as a result of this AGREEMENT shall contain all of the above provisions of this **Paragraph 15**.

16. Rebate, Kickbacks, or Other Unlawful Consideration. CONSULTANT warrants that this AGREEMENT was not obtained or secured through rebates, kickbacks or other unlawful consideration, either promised or paid to any ALAMEDA CTC employee. For breach or violation of this warranty, ALAMEDA CTC shall have the right in its discretion; to terminate the AGREEMENT without liability, to pay only for the value of the work actually performed; or to deduct from the AGREEMENT price; or otherwise recover the full amount of such rebate, kickback or other unlawful consideration.

17. Conflict of Employment. Employment by the CONSULTANT of any current officer, executive director or other employee of ALAMEDA CTC shall not be permitted even though such employment may be outside of the employee's regular working hours or on weekends, holidays or vacation time. Further, for a period of one (1) year after leaving office or employment, no officer, executive director or other employee of ALAMEDA CTC shall, for compensation, act as agent or attorney for or otherwise represent the CONSULTANT by making any formal or informal appearance, or by making any oral or written communication before ALAMEDA CTC, if the appearance or communication is made for the purpose of influencing administrative or legislative action, or influencing any action or proceeding involving the issuance, amendment, awarding or revocation of a permit, license, grant, entitlement or contract, or the sale or purchase of goods, services or property.

18. Assignment or Transfer. Services to be furnished hereunder shall be deemed to be professional services, and CONSULTANT shall have neither the right nor the power to assign, subcontract, transfer or otherwise substitute its interest in the AGREEMENT or its obligations hereunder without the prior written consent of ALAMEDA CTC.

19. Equipment Purchase and Other Capital Expenditures. Prior authorization in writing by ALAMEDA CTC shall be required before CONSULTANT enters into any unbudgeted purchase order, or subcontract equal to or greater than Five Thousand Dollars (\$5,000) for supplies, equipment, or

subconsultant services. CONSULTANT shall provide an evaluation of the necessity or desirability of incurring such costs.

Prior authorization by ALAMEDA CTC must be received for the purchase of any item, service or consulting work not included in **Appendix B** which is equal to or greater than Five Thousand Dollars (\$5,000). Requests for authorization by ALAMEDA CTC must include three (3) competitive quotations, or the absence of bidding must be adequately justified.

Any equipment purchased with funds provided under the terms of this AGREEMENT is subject to the following: "CONSULTANT shall maintain an inventory of all nonexpendable property. Nonexpendable property is defined as having a useful life of at least two (2) years and an acquisition cost of Five Thousand Dollars (\$5,000) or more. If the purchased equipment needs replacement and is sold or traded in, ALAMEDA CTC shall receive a proper refund or credit at the conclusion of the AGREEMENT, or if the AGREEMENT is terminated, CONSULTANT may either keep the equipment and credit ALAMEDA CTC in an amount equal to its fair market value, or sell such equipment at the best price obtainable at a public or private sale, in accordance with established ALAMEDA CTC procedures; and credit ALAMEDA CTC in an amount equal to the sales price. If CONSULTANT elects to keep the equipment, fair market value shall be determined at CONSULTANT's expense, on the basis of a competent independent appraisal of such equipment. Appraisals shall be obtained from an appraiser mutually agreeable to by ALAMEDA CTC and CONSULTANT, if it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by ALAMEDA CTC." Federal regulation 2 CFR, Part 200 require a credit to Federal funds when participating equipment with a fair market value equal to or greater than Five Thousand Dollars (\$5,000) is credited to the project.

Any subcontract entered into as a result of this AGREEMENT shall contain the above provisions.

20. Subconsultants.

(a) Nothing contained in this AGREEMENT or otherwise, shall create any contractual relation between ALAMEDA CTC and any subconsultant(s), and no subcontract shall relieve CONSULTANT of its responsibilities and obligations hereunder. CONSULTANT agrees to be as fully responsible to ALAMEDA CTC for the acts and omissions of its subconsultant(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by CONSULTANT. CONSULTANT's obligation to pay its subconsultant(s) is an independent obligation from ALAMEDA CTC's obligation to make payments to the CONSULTANT.

(b) CONSULTANT shall perform the work contemplated with resources available within its own organization and no portion of the work shall be subcontracted without written authorization by ALAMEDA CTC, except that which is expressly identified in **Appendix B**.

(c) CONSULTANT or subconsultant shall pay any subconsultants within fifteen (15) calendar days from receipt of each progress payment, unless otherwise agreed to in writing, the respective amounts allowed CONSULTANT on account of the work performed by the subconsultants, to the extent of each subconsultant's interest therein. In the event that there is a good faith dispute over all or any portion of the amount due on a progress payment from CONSULTANT or subconsultant to a subconsultant, CONSULTANT or subconsultant may withhold no more than one hundred fifty percent (150%) of the disputed amount. Any violation of this requirement shall constitute a cause for disciplinary action and shall subject the licensee to a penalty, payable to the subconsultant, of two percent (2%) of the amount due per month for every month that payment is not made. In any action for the collection of funds wrongfully withheld, the prevailing party shall be entitled to his or her attorney's fees and costs. The sanctions authorized under this requirement shall be separate from, and in addition to, all other remedies, either civil, administrative, or criminal. This clause applies to both DBE and non-DBE subconsultants.

(d) Any substitution of subconsultant(s) must be approved in writing by ALAMEDA CTC in advance of assigning work to the substitute subconsultant(s).

(e) Subconsultants must be listed in **Appendix B** in order to be approved by ALAMEDA CTC for work under this AGREEMENT. A subconsultant not listed in **Appendix B** must be approved in writing by the ALAMEDA CTC Project Manager prior to beginning work under this AGREEMENT and engaged under written contract with CONSULTANT with provisions allowing CONSULTANT to comply with all requirements of this AGREEMENT.

(f) Any subcontract entered into as a result of this AGREEMENT, shall contain all of the provisions stipulated in this entire AGREEMENT to be applicable to subconsultants unless otherwise noted.

21. State of California's General Prevailing Wage Rates.

(a) No consultant or subconsultant may be awarded an agreement containing public work elements unless registered with the Department of Industrial Relations ("DIR") pursuant to California Labor Code Section 1725.5. Registration with DIR must be maintained throughout the entire term of this AGREEMENT, including any subsequent amendments. CONSULTANT shall comply with all of the applicable provisions of the California Labor Code requiring the payment of prevailing wages, and all federal, state, and local laws and ordinances applicable to the work. The General Prevailing Wage Rate Determinations applicable to work under this AGREEMENT may be obtained from the Department of Industrial Relations website at www.dir.ca.gov.

(b) Payroll Records

(i) Each consultant and subconsultant shall keep accurate certified payroll records and supporting documents as mandated by Labor Code Section 1776 and as defined in Title 8 California Code of Regulations Section 16000 showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the consultant or subconsultant in connection with the public work. Each payroll record shall contain a written declaration that it is made under penalty of perjury, stating both of the following:

(1) The information contained in the payroll record is true and correct.

(2) The employer has complied with the requirements of Labor Code Section 1771, Section 1811, and Section 1815 for any work performed by his or her employees on the public works project.

(ii) The payroll records enumerated under subparagraph (i) above shall be certified as correct by CONSULTANT under penalty of perjury. The payroll records and all supporting documents shall be made available for inspection and copying by ALAMEDA CTC's representatives at all reasonable hours at the principal office of the CONSULTANT. CONSULTANT shall provide copies of certified payrolls or permit inspection of its records as follows:

(1) A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or the employee's authorized representative upon request.

(2) A certified copy of all payroll records enumerated in subparagraph (i) above, shall be made available for inspection or furnished upon request to a representative of ALAMEDA CTC, the Division of Labor Standards Enforcement, or the Division of Apprenticeship Standards of the

Department of Industrial Relations. Certified payrolls submitted to ALAMEDA CTC, the Division of Labor Standards Enforcement, or the Division of Apprenticeship Standards shall not be altered or obliterated by the CONSULTANT.

(3) CONSULTANT is required to forward any requests for certified payrolls to the ALAMEDA CTC Project Manager by both email and regular mail on the business day following receipt of the request.

(iii) Each consultant shall submit a certified copy of the records enumerated in subparagraph (i) above, to the entity that requested the records within ten (10) calendar days after receipt of a written request.

(iv) Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by ALAMEDA CTC shall be marked or obliterated in such a manner as to prevent disclosure of each individual's name, address, and social security number. The name and address of the consultant or subconsultant performing the work shall not be marked or obliterated. The public shall not be given access to certified payroll records by the CONSULTANT.

(v) CONSULTANT shall inform ALAMEDA CTC of the location of the records enumerated under subparagraph (i) above, including the street address, city and county, and shall, within five (5) business days, provide a notice of a change of location and address.

(vi) CONSULTANT or subconsultant shall have ten (10) calendar days in which to comply subsequent to receipt of written notice requesting the records enumerated in subparagraph (i) above. In the event the CONSULTANT or subconsultant fails to comply within the ten (10) day period, he or she shall, as a penalty to ALAMEDA CTC, forfeit One Hundred Dollars (\$100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Labor Standards Enforcement, such penalties shall be withheld by ALAMEDA CTC from payments then or subsequently due. CONSULTANT is not subject to a penalty assessment pursuant to this section due to the failure of a subconsultant to comply with this section.

(c) CONSULTANT is responsible for verifying compliance with certified payroll requirements.

(d) Penalty

(i) CONSULTANT and any of its subconsultants shall comply with Labor Code Section 1774 and Section 1775. Pursuant to Labor Code Section 1775, the CONSULTANT and any subconsultant shall each forfeit to ALAMEDA CTC a penalty of not more than Two Hundred Dollars (\$200) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rates as determined by the DIR for the work or craft in which the worker is employed for any public work done under the AGREEMENT by the CONSULTANT or by its subconsultant in violation of the requirements of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive.

(ii) The amount of this forfeiture shall be determined by the Labor Commissioner and shall be based on consideration of mistake, inadvertence, or neglect of the CONSULTANT or subconsultant in failing to pay the correct rate of prevailing wages, or the previous record of the CONSULTANT or subconsultant in meeting their respective prevailing wage obligations, or the willful failure by the CONSULTANT or subconsultant to pay the correct rates of prevailing wages. A mistake, inadvertence, or neglect in failing to pay the correct rates of prevailing wages is not excusable if the CONSULTANT or subconsultant had knowledge of the obligations under the Labor Code. CONSULTANT is responsible for paying the appropriate rate, including any escalations that take place during the term of the AGREEMENT.

(iii) In addition to the penalty and pursuant to Labor Code Section 1775, the difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by CONSULTANT or subconsultant.

(iv) If a worker employed by a subconsultant on a public works project is not paid the general prevailing per diem wages by the subconsultant, the prime consultant of the project is not liable for the penalties described above unless the prime consultant had knowledge of that failure of the subconsultant to pay the specified prevailing rate of wages to those workers or unless the prime consultant fails to comply with all of the following requirements:

(1) The agreement executed between consultant and the subconsultant for the performance of work on public works projects shall include a copy of the requirements in Labor Code Sections 1771, 1775, 1776, 1777.5, 1813, and 1815.

(3) Upon becoming aware of the subconsultant's failure to pay the specified prevailing rate of wages to the subconsultant's workers, CONSULTANT shall diligently take corrective action to halt or rectify the failure, including but not limited to, retaining sufficient funds due the subconsultant for work performed on the public works project.

(4) Prior to making final payment to the subconsultant for work performed on the public works project, CONSULTANT shall obtain an affidavit signed under penalty of perjury from the subconsultant that the subconsultant had paid the specified general prevailing rate of per diem wages to the subconsultant's employees on the public works project and any amounts due pursuant to Labor Code Section 1813.

(v) Pursuant to Labor Code Section 1775, ALAMEDA CTC shall notify CONSULTANT on a public works project within fifteen (15) calendar days of receipt of a complaint that a subconsultant has failed to pay workers the general prevailing rate of per diem wages.

(vi) If ALAMEDA CTC determines that employees of a subconsultant were not paid the general prevailing rate of per diem wages and if ALAMEDA CTC did not retain sufficient money under the AGREEMENT to pay those employees the balance of wages owed under the general prevailing rate of per diem wages, the CONSULTANT shall withhold an amount of moneys due to the subconsultant sufficient to pay those employees the general prevailing rate of per diem wages if requested by ALAMEDA CTC.

(e) Hours of Labor

Eight (8) hours labor constitutes a legal day's work. CONSULTANT shall forfeit, as a penalty to the ALAMEDA CTC, Twenty-Five Dollars (\$25) for each worker employed in the execution of the AGREEMENT by the CONSULTANT or any of its subconsultants for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week in violation of the provisions of the Labor Code, and in particular Sections 1810 to 1815 thereof, inclusive, except that work performed by employees in excess of eight (8) hours per day, and forty (40) hours during any one week, shall be permitted upon compensation for all hours worked in excess of eight (8) hours per day and forty (40) hours in any week, at not less than one and one-half (1.5) times the basic rate of pay, as provided in Section 1815.

(f) Employment of Apprentices

(i) Where either the prime agreement or the subcontract exceeds Thirty Thousand Dollars (\$30,000), the CONSULTANT and any subconsultants thereunder shall comply with all applicable requirements of Labor Code Sections 1777.5, 1777.6 and 1777.7 in the employment of apprentices. Any subcontract entered into as a result of this contract, if for more than \$25,000 for public works construction or more than \$15,000 for the alteration, demolition, repair, or maintenance of public works, shall contain all of the provisions of this **Paragraph 21**.

(ii) Consultants and subconsultants are required to comply with all Labor Code requirements regarding the employment of apprentices, including mandatory ratios of journey level to apprentice workers. Prior to commencement of work, consultants and subconsultants are advised to contact the DIR Division of Apprenticeship Standards website at www.dir.ca.gov/das, for additional information regarding the employment of apprentices and for the specific journey-to-apprentice ratios for the agreement work. CONSULTANT is responsible for all subconsultants' compliance with these requirements. Penalties are specified in Labor Code Section 1777.7.

(g) CONSULTANT shall comply with all applicable California Labor Code provisions as set forth in Labor Code Sections 1720-1861, including but not limited to prevailing wage requirements as set forth above, registration with the Department of Industrial Relations (Labor Code Sections 1725.5 and 1771.1), employment of apprentices (Labor Code Sections 1777.5 to 1777.7), certified payroll records (Labor Code Section 1776), hours of labor (Labor Code Sections 1810 to 1815), and debarment of contractors and subcontractors (Labor Code Section 1777.1). CONSULTANT shall defend, indemnify and hold harmless ALAMEDA CTC and its respective officers, employees and agents, from any claims, liabilities, costs, penalties or interest arising out of any failure or alleged failure to comply with any of the foregoing.

22. Public Contract Code. CONSULTANT hereby certifies under penalty of perjury under the laws of the State of California and the United States that neither CONSULTANT nor any subconsultant and/or subcontractor hereunder, nor any firm affiliated with CONSULTANT or any subconsultant and/or subcontractor hereunder, is (i) potentially subject to rejection of any bid pursuant to the provisions of Public Contract Code ("PCC") section 10162; (ii) unable to truthfully sign a statement in the form required by PCC section 10232; (iii) suspended or potentially subject to suspension pursuant to PCC section 10285.1; (iv) ineligible to bid on a contract with a public entity for goods and services of \$1 million or more pursuant to PCC sections 2202-2208; or (v) not in compliance with any federal, state, and local laws and ordinances applicable to the work. CONSULTANT and each subconsultant performing professional services under this AGREEMENT shall carry and maintain Professional Liability Insurance for errors and omissions in an amount equal to or greater than the minimum coverage shown in this appendix. If such policy is written on a claims-made (rather than an occurrence) basis, the insuring party shall maintain continuous coverage in effect for the term of this AGREEMENT and for at least three (3) years beyond the termination or completion of services or until expiration of any applicable statute of limitations, whichever is longer. As used in this Paragraph 4, "professional services" means design, engineering, planning, legal, information technology, and similar services requiring specialized skills, knowledge, or a professional license. Upon request, ALAMEDA CTC will advise as to whether any particular service hereunder represents professional services requiring such coverage.

8. Deductible. A deductible or self-insured retention is permissible on all policies, provided that such deductible shall not exceed the amount shown in this appendix. Further, if any insurance policy includes a self-insured retention, nothing shall prevent any of the parties to this AGREEMENT from satisfying or paying the self-insured retention. If any insurance policy states that the self-insured retention must be paid by a named insured as a precondition of the insurer’s liability (or which has the effect of providing that payments of the self-insured retention by others, including additional insureds or insurers, do not serve to satisfy the self-insured retention), such provisions must be modified by special endorsement so as to not apply to the additional insured coverage required by this AGREEMENT.

9. Proof of Insurance.

(a) CONSULTANT’s Insurance. CONSULTANT shall provide insurance certificates and policy endorsements (collectively, “PROOF OF INSURANCE”) evidencing CONSULTANT’s policies described in this appendix to ALAMEDA CTC within ten (10) calendar days of the execution of this AGREEMENT. CONSULTANT shall provide PROOF OF INSURANCE with respect to professional liability coverage for each subconsultant required to carry such insurance under this AGREEMENT not less than ten (10) calendar days prior to any work being performed by such subconsultant. Notwithstanding the foregoing, CONSULTANT need not provide PROOF OF INSURANCE for any subconsultant(s) whose aggregate anticipated compensation under this AGREEMENT pursuant to **Appendix B** is less than the greater of (i) fifty thousand dollars (\$50,000) or (ii) five percent (5%) of the aggregate compensation payable hereunder.

All PROOF OF INSURANCE shall provide for not less than thirty (30) calendar days’ prior written notice to ALAMEDA CTC of any cancellation, non-renewal or material change of coverage in the policy or policies, except it may provide for not less than ten (10) calendar days’ prior written notice to ALAMEDA CTC of any cancellation due to non-payment, and shall further provide that ALAMEDA CTC will not be responsible for any premiums or assessments on any policy. At least five (5) business days prior to the expiration date of any policy of insurance carried by CONSULTANT or any subconsultant for which CONSULTANT must provide PROOF OF INSURANCE hereunder, CONSULTANT shall provide PROOF OF INSURANCE confirming that the policy has been extended or a

replacement policy has been obtained. If any PROOF OF INSURANCE is not provided in a timely manner as provided in this **Paragraph 9**, ALAMEDA CTC shall withhold twenty-five percent (25%) of all payments made to CONSULTANT until such document(s) are provided to ALAMEDA CTC.

10. Maintenance of Insurance. If CONSULTANT fails to maintain all insurance required by this AGREEMENT, ALAMEDA CTC, at its option, may order the CONSULTANT to suspend work at CONSULTANT's expense until such time as CONSULTANT provides PROOF OF INSURANCE to ALAMEDA CTC confirming that all required insurance policies are in effect. If any subconsultant fails to maintain the professional liability insurance required by this AGREEMENT, ALAMEDA CTC, at its option, may order the CONSULTANT to suspend work by said subconsultant at CONSULTANT's expense until such time as CONSULTANT provides PROOF OF INSURANCE to ALAMEDA CTC confirming that the subconsultant's professional liability insurance policy is in effect.

Except as provided in **Paragraph 9** above, CONSULTANT is solely responsible for ensuring that each subconsultant carries and maintains insurance which meets the above specifications, or confirming that each subconsultant has been added to the CONSULTANT's applicable policy as an additional insured if said policy allows such addition, prior to such subconsultant performing any work under this AGREEMENT, and thereafter so long as such subconsultant is performing work under this AGREEMENT. Any failure to properly monitor all subconsultants' insurance coverage will constitute negligence on the part of CONSULTANT and subject to CONSULTANT's indemnity obligations pursuant to **Article I, Section D** of the AGREEMENT.
