

# 7th Street Grade Separation East Project

SPRING 2026

## Project Overview

The Alameda County Transportation Commission (Alameda CTC), in partnership with the City of Oakland and the Port of Oakland (Port), proposes to implement the Global Opportunities at the Port of Oakland (GoPort) Program, a package of landside transportation improvements within and near the Port. The 7th Street Grade Separation East Project is one critical element of the GoPort program which proposes to realign and reconstruct the existing railroad underpass and multi-use path along 7th Street between west of I-880 and Maritime Street to increase vertical and horizontal clearances for trucks to current standards and improve the shared pedestrian/bicycle pathway.

The purpose of this project is to provide efficient multimodal landside access and infrastructure improvements to promote existing and anticipated Port operations, which are critical to the local, regional, state and national economies by rebuilding and modernizing a key access point to the Port of Oakland.

## Project Need

- Support regional economic development and Port growth potential.
- Minimize likelihood of freight infrastructure failure.
- Provide access and infrastructure improvements for effective multimodal transportation for rail, trucks, automobiles, bicycles and pedestrians.
- Support safe transportation system operations.

Aerial map of project location. (For illustrative purposes only.)

## Project Benefits

- **Improves safety, efficiency, and reliability** of truck and rail access to the Oakland Port Complex, a critical gateway for goods movement
- **Reduces congestion and enhances mobility** for workers, freight, and commuters
- **Modernizes infrastructure** to meet current transportation and industrial needs
- **Enhances access** to the Bay Trail system, supporting safe and connected active transportation
- **Expands job opportunities** by supporting industrial growth and regional economic development

Reinforcement being added to allow for excavation of new underpass.

New UPRR railway track being constructed on new alignment.

Excavation for the new 7th Street on west end of project.

## Status

**Implementing Agency:** Alameda CTC

**Current Phase:** Construction

- California Environmental Quality Act (CEQA) clearance through the 2002 Oakland Army Base Environmental Impact Report (EIR) and the 2012 addendum.
- National Environmental Policy Act (NEPA) clearance through a Categorical Exclusion (CE) was completed on October 25, 2018.
- Final Design was completed on December 2, 2022.
- The project was awarded in May 2023.
- Groundbreaking ceremony held on July 24, 2023.
- Public outreach efforts continue as necessary.
- Construction is approximately 40% complete.
- Construction completion anticipated by Summer of 2029.

Fact sheet periodically updated.

## Partners and Stakeholders

California Transportation Commission, California State Transportation Agency, California Department of Transportation, Metropolitan Transportation Commission, City of Oakland, Port of Oakland, Union Pacific Railroad, San Francisco Bay Area Rapid Transit and several utility entities

### COST ESTIMATE BY PHASE (\$ X 1,000)

PE/Environmental	\$5,387
Final Design (PS&E)	\$18,393
Right-of-Way	\$81,708
Construction	\$272,512
<b>Total Expenditures</b>	<b>\$378,000<sup>1</sup></b>

<sup>1</sup> Includes construction contingencies.

### FUNDING SOURCES (\$ X 1,000)

Measure BB	\$111,320
State - SB 1 LPP <sup>2</sup>	\$3,180
State - SB 1 TCEP <sup>3</sup>	\$188,500
Regional - RM 3 <sup>5</sup>	\$55,000
Port of Oakland	\$20,000
<b>Total Revenues</b>	<b>\$378,000</b>

<sup>2</sup> Senate Bill 1 Local Partnership Program (LPP).

<sup>3</sup> Senate Bill 1 Trade Corridor Enhancement Program (TCEP).

<sup>4</sup> Port and Freight Infrastructure Program (PFIP).

<sup>5</sup> Regional Measure 3 (RM 3).

### SCHEDULE BY PHASE

	Begin	End
Preliminary Engineering/ Environmental	Fall 2016	Fall 2018
Final Design	Fall 2018	Late 2022
Right-of-Way	Fall 2018	Late 2022
Construction	Fall 2023	Late 2028 <sup>6</sup>

<sup>6</sup> Excludes construction close-out.
