**DRAFT 2026 Countywide Transportation Plan List of Projects and Programs**  
Projects sorted by category then by agency in alphabetical order.

| #   | Project Name                               | Agency             | Total Cost (\$, millions) |
|-----|--------------------------------------------|--------------------|---------------------------|
| 241 | Union Landing Transit Center Modifications | Union City Transit | \$5                       |

Notes:  
Projects submitted to the 2026 CTP over \$3 Million  
Costs reflect planning-level estimates in 2025 dollars, provided by project sponsors and are subject to change as projects advance  
Projects fully funded and under construction are not included in the 2026 CTP Projects List  
Projects with "No Data" costs have not had costs submitted by sponsors  
Project costs marked "Pending" where sponsor has confirmed cost data will be available for the Final CTP

| B34 | Green Infrastructure Projects Program                                                          | City of Emeryville              | \$10                      |
| B35 | Citywide Pavement Rehabilitation                                                               | City of Fremont                 | \$215                     |
| B36 | Annual Pavement Maintenance                                                                    | City of Livermore               | \$30                      |
| B37 | Bridge Rehabilitation                                                                          | City of Livermore               | < \$1                     |
| B38 | City Local Bridge Seismic Evaluation                                                           | City of Livermore               | \$5                       |
| B39 | Annual Pavement Rehabilitation Program                                                         | City of Newark                  | \$50                      |
| B40 | Annual Sidewalk, Curb, & Gutter Rehabilitation Program                                         | City of Newark                  | \$10                      |
| B41 | Citywide Bridge Retrofit & Preventive Maintenance Program                                      | City of Oakland                 | \$57                      |
| B42 | City-Wide Paving Program                                                                       | City of Oakland                 | \$1,619                   |
| B43 | Green Stormwater Infrastructure in Transportation Program                                      | City of Oakland                 | \$52                      |
| B44 | Climate Adaptation Planning for Neighborhood-led Resiliency                                    | City of Oakland/Port of Oakland | \$5                       |
| B45 | Bridge Maintenance Program                                                                     | City of San Leandro             | \$28                      |
| B46 | Green Infrastructure Improvements                                                              | City of San Leandro             | \$50                      |
| B47 | Sea Level Rise                                                                                 | City of San Leandro             | \$500                     |
| B48 | Stormdrain Maintenance and Repair Program                                                      | City of San Leandro             | \$48                      |
|     | <i>Goods Movement</i>                                                                          |                                 |                           |
| B49 | Goods Movement Improvements Program                                                            | City of Oakland                 | \$100                     |
| B50 | Inner & Outer Harbor Turning Basins Widening                                                   | Port of Oakland                 | \$700                     |
| B51 | Oakland Alameda Estuary Marine Debris Removal and Regional Stewardship Project                 | Port of Oakland                 | \$3                       |
| B52 | Seaport Near & On-Dock Rail Enhancements                                                       | Port of Oakland                 | \$50                      |
| B53 | Powering the Future (2021)                                                                     | Port of Oakland                 | \$35                      |
| B54 | Wharf Infrastructure Modernization                                                             | Port of Oakland                 | \$66                      |
| B55 | Terminal Modernization Project                                                                 | Port of Oakland                 | \$65                      |
|     | <i>Multimodal Corridors and Programs</i>                                                       |                                 |                           |
| B56 | Delay Hotspot Correction Program                                                               | AC Transit                      | \$12                      |
| B57 | Alameda County Pedestrian, Bicycle and Trail Master Plan Implementation Program                | ACPWA                           | \$100                     |
| B58 | Safe Routes to School                                                                          | Alameda CTC                     | \$100                     |
| B59 | Central County Community Connections Plan Implementation                                       | Alameda CTC                     | \$100                     |

**DRAFT 2026 Countywide Transportation Plan List of Projects and Programs**

Projects sorted by category then by agency in alphabetical order.

| #    | Program Name                                                                                                                                                                                                        | Agency                       | Total Cost (\$, millions) |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|---------------------------|
| B60  | Countywide Ramp Intersection Safety Plan Implementation                                                                                                                                                             | Alameda CTC                  | \$250                     |
| B61  | Countywide Vision Zero Strategy Implementation                                                                                                                                                                      | Alameda CTC                  | \$100                     |
| B62  | Active Transportation Plan Implementation                                                                                                                                                                           | City of Alameda              | \$85                      |
| B63  | Citywide Roundabout Implementation                                                                                                                                                                                  | City of Alameda              | \$35                      |
| B64  | Vision Zero Action Plan Implementation                                                                                                                                                                              | City of Alameda              | \$10                      |
| B65  | Bus Infrastructure: Bus Stop Improvements (TCP #3), Transit Signal Priority (TCP #10), Westline Drive Bus Lane (TCP #17), Alameda Point Bus Rapid Transit (TCP #19) and Bikes in Buses through Posey Tube (TCP #31) | City of Alameda              | \$18                      |
| B66  | Safe Routes to School Access Improvements                                                                                                                                                                           | City of Alameda              | \$3                       |
| B67  | Active Transportation Program                                                                                                                                                                                       | City of Albany               | < \$1                     |
| B68  | Accessible Protected Bike Lane Streets                                                                                                                                                                              | City of Berkeley             | \$50                      |
| B69  | Citywide Bike Boulevard/Major Street Intersections Project                                                                                                                                                          | City of Berkeley             | \$50                      |
| B70  | Street Trauma Prevention Program Implementation - Traffic Calming and Emergency Response Times                                                                                                                      | City of Berkeley             | \$50                      |
| B71  | Vision Zero Action Plan Implementation                                                                                                                                                                              | City of Berkeley             | \$100                     |
| B72  | Complete Streets, Vision Zero, & Transit Corridor Studies and Implementation                                                                                                                                        | City of Berkeley             | \$35                      |
| B73  | Downtown Dublin Streetscape Plan Implementation                                                                                                                                                                     | City of Dublin               | \$50                      |
| B74  | Dublin Bicycle and Pedestrian Plan Implementation                                                                                                                                                                   | City of Dublin               | \$214                     |
| B75  | Local Roadway Safety Plan Implementation                                                                                                                                                                            | City of Dublin               | \$214                     |
| B76  | Bicycle and Pedestrian Plan Implementation                                                                                                                                                                          | City of Emeryville           | \$60                      |
| B77  | Powell Street Traffic Safety Improvements                                                                                                                                                                           | City of Emeryville           | \$10                      |
| B78  | Active Transportation Infrastructure Maintenance                                                                                                                                                                    | City of Fremont              |                           |
