

East Bay Greenway Multimodal Project

E 14th Street: San Leandro Blvd to Bayfair Dr - Proposed Changes in your Neighborhood

Upgraded Bus Stops and Rider Waiting Areas

Improved Lighting, Landscape and Green Infrastructure Treatments

Project Overview

The East Bay Greenway Project will improve safety, connectivity and access along E14th St. It will build new facilities for walking, biking, rolling, and taking transit while strengthening connections to destinations.

Planned elements include:

- Protected and separated bike lanes
- Safer intersection designs
- Upgraded crosswalks with flashing beacons and pedestrian signals
- ADA-compliant curb ramps
- Better lighting
- Bus boarding islands
- Landscape upgrades
- Parking and loading reconfiguration

Protected Bike Lanes

New and Improved Pedestrian Safety with High Visibility Crossings

Project Schedule

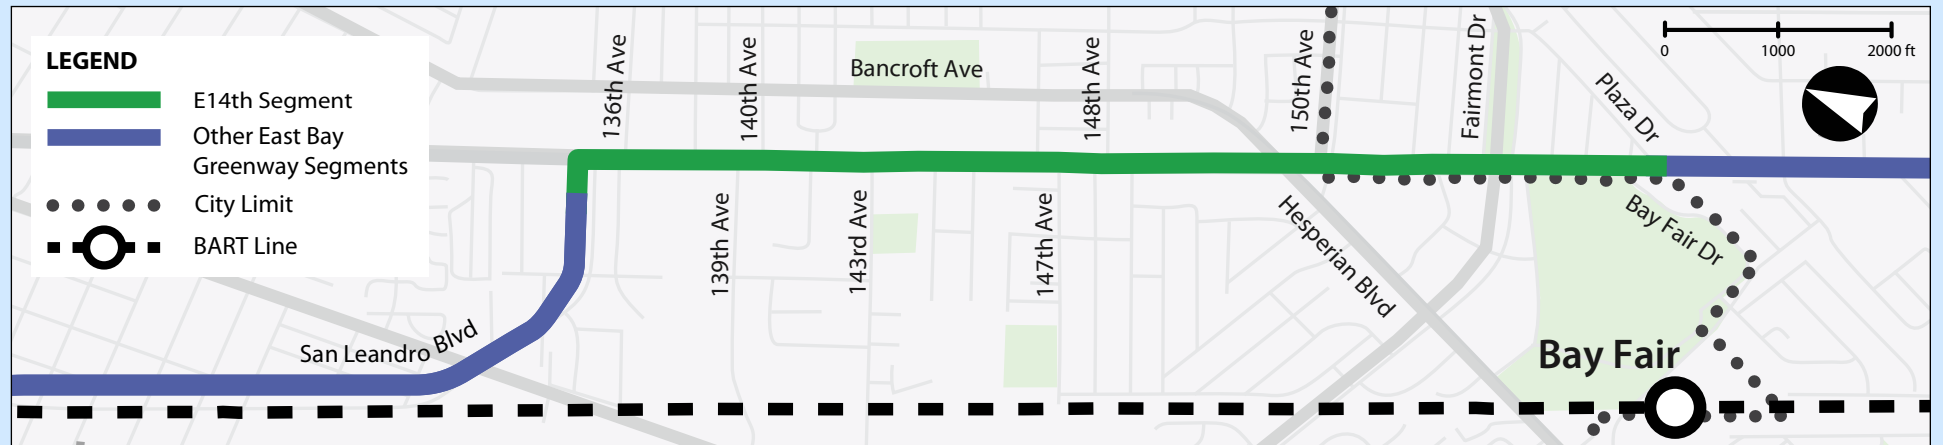

Preliminary Design Approval
Fall 2021 - Summer 2022

Environmental Clearance
Fall 2022 - Fall 2025

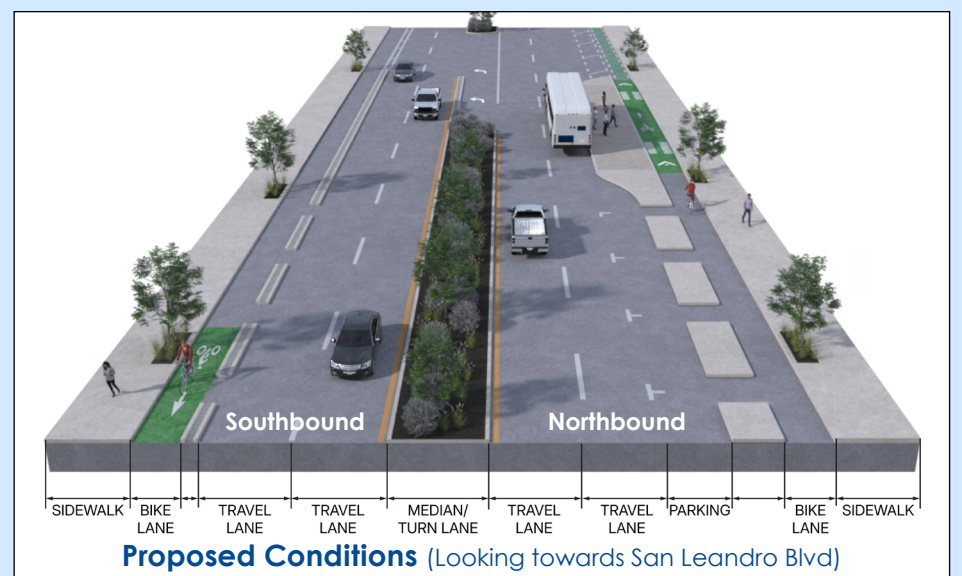

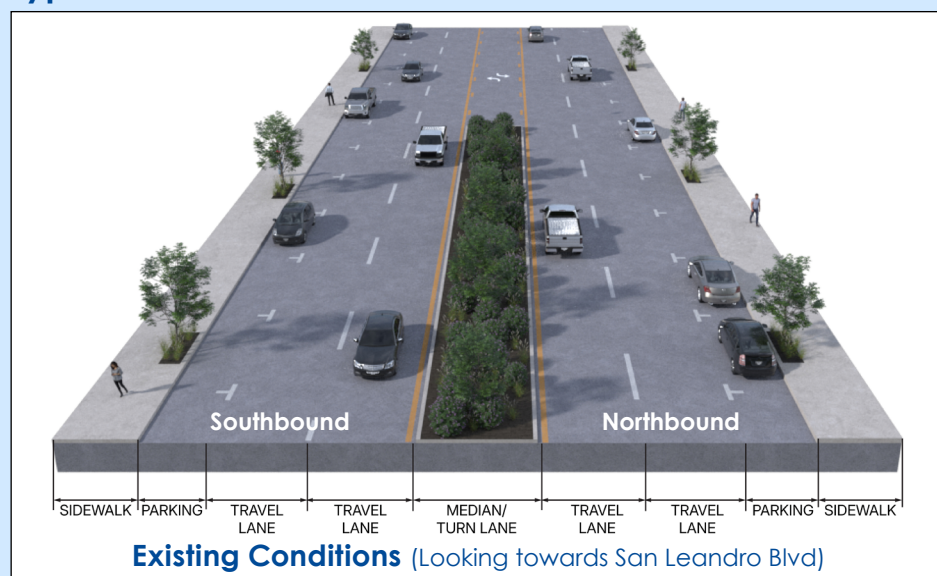

Final Design and Engineering
Spring 2023 - Spring 2027

Construction
Fall 2027 - Summer 2029
